History of the County of Annapolis, Including Old Port Royal and Acadia William Arthur Calnek,1897 **Rural Writing** Mauricette Fournier,2019-01-17 If as a corollary of urbanization many artists seized as early as the nineteenth century and most of the twentieth century the city as object and scene of their reflection on a world under construction it was not the same for rural areas Generally speaking until recently the countryside s representations have been shaped by the writings of a ruling class However in recent decades alongside the country novels or terroir novels that follow in line with the rustic current initiated in the nineteenth century more demanding literary productions have emerged These writings often fed by the sense of loss and the end of a certain agricultural lifestyle are also exploring the contemporary reconstructions of rural areas little publicized They redefine a new regionality less militant and certainly less connoted in its nostalgic link to the land This book revisits rural areas and their representations in contemporary writing in both popular and high culture in order to draw a global landscape of current rural areas and new regionalities **Nova Scotia's Lost Communities** Joan Dawson,2021-04-06 Stories and photos that bring the people and places of Nova Scotia s historic past to life Beaubassin was once a prosperous farming community at the head of the Cumberland Basin Africville was the vibrant home of Black Nova Scotians who struggled to make a living and found spiritual solace in their church Both are now gone one a casualty of long ago colonial warfare and the other a victim of misguided urban renewal In this fascinating book author Joan Dawson looks at thirty seven of this Canadian province s lost communities places like Electric City Indian Gardens and the Tancook Islands Some were home to ethnic groups forced to leave Others once dependent on factories mills or the fishery died as the economy changed or resources were depleted But they were all once places where Nova Scotians were born married worked and died Featuring over 60 archival and contemporary photos and illustrations Nova Scotia s Lost Communities preserves those memories with fascinating insights [Lost in Canada?](#) ,1991 **Becoming Cajun, Becoming American** Maria Hebert-Leiter,2009-06-15 Becoming Cajun Becoming American presents an excellent and unique introduction to American Acadian and Cajun literature exploring how American writers have portrayed Acadian culture over the past 150 years

Beginning with Henry Wadsworth Longfellow's poem *Evangeline* and the writings of George Washington Cable, Hebert Leiter's examination includes the fiction of Kate Chopin and Ernest Gaines, James Lee Burke's Dave Robicheaux detective novels, and additional writings by Ada Jack Carver, Elma Godchaux, Shirley Ann Grau, and others. Representations of the Acadian in literature reflect the Acadians' path towards assimilation. Combining her study of Acadian literary history with an examination of Acadian ethnic history, the author offers insight into the Americanization process experienced by the Acadians who came to be known as Cajuns during the nineteenth and twentieth centuries. Acadian Odyssey Oscar W. Winzerling, 2015-04-13 First published in 1955, Oscar Winzerling's *Acadian Odyssey* has remained unsurpassed as a study of the exodus of 1755. Following their eviction from Nova Scotia by the English, many hundreds of Acadians spent years in various seaport concentration camps in England before reuniting with their fellow exiles in the port cities of France. In 1783, the refugees, based upon original documents uncovered by the author in European national and private archives, *Acadian Odyssey* details the history of the Cajun people whose traditions and beliefs stand as a cultural cornerstone of the state of Louisiana. **Appendix to ... Gregory M.W. Kennedy, 2024-02-13 In December 1915, as the First World War wore on, Acadian leaders meeting in New Brunswick deplored how soldiers from their communities were lost in the crowd of the Canadian Expeditionary Force. They successfully lobbied the federal government for the creation of an Acadian national unit that would be French speaking, Catholic, and led by their own. More than a thousand Acadians from across the Maritime provinces, Quebec, and the American northeast answered the call. In *Lost in the Crowd*, Gregory Kennedy draws on military archives, census records, newspapers, and soldiers' letters to present a new kind of military history focusing on the experiences of Acadian soldiers and their families before, during, and after the war. He shows that Acadians were just as likely to enlist as their English-speaking counterparts across the Maritimes, though the backgrounds of the volunteers were quite different. Kennedy tackles controversial topics often missing from the previous historiography, such as underage recruits, desertion, and army discipline. With the help of the 1921 Canadian Census, he explores the factors that influenced post-war outcomes, both positive and negative, for soldiers, families, and communities. *Lost in the Crowd* offers a completely new and replicable approach to the traditional regimental history, reconstituting the lives of soldiers and their families. The focus on the Acadians, a francophone minority group in the Maritime provinces, significantly shifts our understanding of French Canada and the First World War.

Review of Historical Publications Relating to Canada, 1917 **Postscripts** Robert Root, 2012-09-01 Walt Whitman's meditation on time is the undercurrent running through *Postscripts*, a series of reflections on finding one's place in the endless chain of time. In linked essays, Robert Root ranges across American terrains and landscapes, including locales as

varied as Walden Pond and Mesa Verde the mountains of Montana and the coastline of Maine Great Lakes shorelines and Manhattan on the first day of the war with Iraq Rich in all that retrospection Postscripts chronicles moments of intimacy and arrival in the natural world while also charting intersections of natural cultural and personal history Whether revisiting the first European settlement in Nova Scotia or seeking out the sites of E B White s life and literature exploring the only old growth forest in lower Michigan or shifting perceptions at the birth of a granddaughter Root offers readers a new perspective on the relationship between time and place time and timelessness history and personal history If the past is prologue his book suggests the present is postscript

Lost in the Fog James De Mille, 2006 Immediately in front of them arose a vast cliff black rocky frowning that ascended straight up from the deep water its summit lost in the thick fog its base white with the foaming waves that thundered there A hoarse roar came up from those breaking waves which blended fearfully with the whistle of the wind through the rigging and seemed like the warning sound of some dark drear fate The cliff was close by and the schooner had been steering straight towards it So near was it that it seemed a though one could have easily tossed a biscuit ashore
