Chappie's Tale Lauren Persons, 2024-08-25 Amidst a world that seems to grow more and more divisive there is nothing like having a pet A dog cat or yes even a ferret provides unconditional love laughs and distraction While taking on a pet requires patience care and time the return on investment is well worth it While Chappie the ferret was a master thief and hoarder who tried my patience at every turn he did what pets do best to weasel into my life and remind me what is most important to take the time to laugh and love and appreciate the little things once you find them Lauren Persons I love this story I am like Chappie I hide things to be funny Read it to me again Jack Willard age 4 Chappie s Tale The Real Story of our Funny Ferret is a delightful read It is a real tale of how frustrating critters and young children can be while stealing our hearts Grab one of the young people in your life and read it together I promise you will both be chuckling Margaret Hill Daniels mom grandmother and experienced child therapist It's a really good book Chappie is funny and he was just doing his job stealing things Avery Winchell age 10 Syracuse NY From Loving Healing Pres Narrating our Healing Chris N van der Merwe, 2009-03-26 In the 1990 s South Africa surprised the world with a peaceful negotiated transition from armed conflict to an inclusive democracy This was followed by the ground breaking Truth and Reconciliation Commission established to confront and work through a troubled past The search for truth and reconciliation in South Africa however is far from completed the country is in many ways still burdened by unresolved individual and collective traumas In this book two academics from the University of Cape Town one a psychologist and the other a literary scholar explore the importance of narrative as a way of working through trauma Although written from within a South African context the work has a much wider relevance It offers illuminating perspectives on the process of narrating our healing the sharing of personal narratives the appropriation of literary narratives and above all the re creating of life narratives shattered by trauma It is a book about the search for meaning when all meaning seems to have been lost it deals with the overwhelming nature of traumatic

suffering yet offers some hope of healing The book is remarkably overarching tailored to the needs of scientists and practitioners in the fields of psychology social work education and literature It offers a strong message to all individuals and nations who live in an atmosphere of blame shame and hopelessness Yuval Wolf Professor of Psychology and Dean of Social Sciences Bar Ilan University Narrating Our Healing is a good book in the widest sense of that adjective it is well constructed meticulously researched and likely to deepen understanding of the difficult but profoundly important subject of trauma and how to address it It is something like a handbook for living with suffering both one s own and that of others To have constructed a text that can serve such a purpose is a profoundly admirable achievement Annie Gagiano LitNet It is a timeous and exciting study that should be essential reading for anyone grappling with our present our past and our future Andr P Brink South African and international authorThis is one of the best books I have ever read on healing deep wounds Vam k D Volkan M D Professor Emeritus of Psychiatry at the University of Virginia We need to know the truth about what happened in South Africa during the Apartheid years Van der Merwe and Gobodo Madikizela have given us the tools to face that challenge Rolf Wolfswinkel Professor of Modern History New York University The Oxford Handbook of Suicide and Self-injury Matthew Nock, 2014 This handbook provides a comprehensive summary of the most important and exciting advances in our understanding of suicide and self injury and our ability to predict and prevent it Tsunami Recovery in Sri Lanka Dennis B. McGilvray, Michele R. Gamburd, 2013-05-13 The Indian Ocean Tsunami which devastated 70 percent of Sri Lanka s coastline and killed an estimated 35 000 people was remarkable both for the magnitude of the disaster and for the unprecedented scale of the relief and recovery operations mounted by national and international agencies. The reconstruction process was soon hampered by political patronage by the competing efforts of hundreds of foreign humanitarian organizations and by the ongoing civil war The book is framed within this larger political and social context offering descriptions and comparisons between two regions southwest vs eastern coast and four ethnic communities Sinhalese Tamils Muslims and Burghers to illustrate how disaster relief unfolded in a culturally pluralistic political landscape Approaching the issue from four disciplinary perspectives anthropology demography political science and disaster studies chapters by experts in the field analyse regional and ethnic patterns of post tsunami reconstruction according to different sectors of Sri Lankan society Demonstrating the key importance of comprehending the local cultural contexts of disaster recovery processes the book is a timely and useful contribution to the existing literature **Responding After Suicide** Andrea Walraven-Thissen, 2019-11-21 This practical guide about what first responders should do after a suicide offers advice on identifying and recording a death as suicide breaking the bad news and dealing with the impact of suicide in the short middle and long term Drawing on her own experience as a first responder and trainer the author provides guidance and tips for best practice when responding to a suicide These include what can happen to the body in the immediate aftermath how to talk to the bereaved to limit or prevent secondary trauma and how to manage suicide in public arenas such as schools The scenarios
