the hollow half way up Blue Top Aunt Susan was convinced that she had fallen asleep somewhere under a bush when she could not be found in the house Aunt Rose thought she might have been taken to drive by people passing through the Valley sometimes some of them were and they would bring her back Of course said Old Uncle they ll bring her back Ally ll turn up all right she makes more noise when she sets about it than all the rest of you put together Nevertheless Old Uncle who believed in whipping at least he said he did was making for the hollows of Blue Top as he said it For Ally was really the darling of the household always bright and sweet tempered and daring and ready for anything Essie who was Ally s twin felt indignant with Old Uncle for talking so when no one knew what had become of Ally she gave it as her opinion that the fairies had taken her into their own invisible country the fairies who haunted the Valley as every one knew or else why should they be seen sailing away on the early breeze in chariots like cobwebs leaving their coverlets long spreads of jewels shining on the sides of all the slopes of Blue Top and Green Ridge But Essie was always imagining something that wasn t so Will said Janet said nothing In her own mind although she didn t like to speak of it she believed Ally had gone up into the clouds round Blue Top to find Aunt Susan s baby who they understood had been taken away by the Children of the Hill Janet knew that Ally had carried a sore spot in her tender heart ever since that day last fall when Aunt Susan was up in the garret and not knowing that the twins were there had kissed the tiny shirt Janet was a little older than the twins and she was not quite sure that they had understood correctly what Aunt Rose had said one day after Aunt Susan had come home from a long walk trying to hide that she had been crying Aunt Rose had whispered that Aunt Susan had been up to the Children of the Hill Yes plainly to Janet s mind Ally had taken it into her own hands to discover if they were right or wrong For it was brave little Ally who if there was anything to adventure about always adventured It was Ally to whom things were always happening If there was a scrape round Ally was always the one sure to get into it although she usually contrived to come out on top except on those two dreadful times of which you shall hear for she had a courageous little spirit and a loving little heart And it was this courageous spirit and this loving heart full of childish sympathy for Aunt Susan that had taken Ally away now all by herself She loved everything so much that she had no thought of being harmed by anything So Janet reasoned And when by and by you learn where she had really gone and what it was she brought home perhaps you will think that the result of this particular adventure of Ally s was one of the pleasantest things that ever befell the Children of the Valley To be continue in this ebook *Littell's Living Age* ,1852 *Among the Trees* Mari Bolte,2022-08-01 Get ready to get lost in the woods Take in everything the forest has to offer by learning about some of the greatest places to go off grid Where are the most popular places to live wild Who calls the forest home now And what does it take to survive Readers will learn about survival techniques real life locations respect for local culture and the indigenous peoples who lived there first [The Living Age](#) ,1852 **Babes in the Darkling Wood** H.G.
