Spencer, 2014-08-18 In the first decade of the 21st century Birmingham is building again on its natural resources but this time it's not to fire steel making smokestacks. Instead where railroads ran and mines once burrowed into mountains the healed landscape is being repurposed for hiking and biking. New and expanding venues around the city are providing more opportunities not only to get outside and exercise but also to appreciate the labor and industry that built the city. In **Five Star Trails Birmingham** local author Thomas Spencer leads readers to some of the best hikes around the city. Within a short drive from Birmingham you can find yourself on an Appalachian mountain peak or on the banks of the Cahaba River as it broadens to snake through the Coastal Plain. You can visit old growth forest in the Sipsey Wilderness or hike down into the Grand Canyon of the East at Little River Canyon. And that's only the start. Across this landscape you'll find a level of diversity of plant and animal species some rare and endangered that rivals anywhere in the North America. **Footprints in Stone** Ronald J. Buta, David C. Michael Gear, Kathleen O'Neal Gear, 2008-12-02 **People of the Weeping Eye** is an epic novel set against the might and majesty of the great Mississippian Chiefdoms. New York Times and USA Today bestselling authors W Michael Gear and Kathleen O Neal Gear have breathed new life into North America's Forgotten Past with a sweeping saga that will forever change your appreciation of our country. People called Old White the Seeker a man never long with any people or place. For years he had wandered leaving a trail of war wonder and broken love in his wake. Now he is headed home called back by visions of chaos blood and fire. But there is more to the Seeker than most know. He is a man driven by a secret so terrible it may topple the greatest city in North America. When the far off Katsinas told Old White it was time to go home he had no idea that his journey would take him to the head of the Mississippi where he would encounter the mystical Two Petals a young soul woman obsessed with Spirit Power who lives life backwards. But before Two Petals can find her way out of the future Old White must heal the rift in her tortured soul. To do so he will need the help of Trader a loner consumed by his own dark past.
