Max A. Eggert

Managing Your Appraisal Pocketbook

Andy Cross

Managing Your Appraisal Pocketbook:

Managing Your Appraisal Pocketbook Max Eggert, 2015-09-16 The Managing Your Appraisal Pocketbook is written from the appraisee's standpoint. It encourages people to take charge of their own career development by preparing for and properly using appraisals. Its author is Max Eggert, a management psychologist who specialises in assisting organisations and individuals to achieve their best. He looks at the dangers and benefits of appraisals, how to prepare for them, performance measurement, feedback, the appraisal interview structure and types of questioning. For hints and tips on setting up and running an appraisal system, see *The Appraisal's Pocketbook*. **Appraisals Pocketbook** Frank Scott-Lennon, 2004-01-01 The Appraisals Pocketbook adopts a strongly practical approach in explaining how to set up and run an appraisal system. Using a helpful 5-stage model, the book shows how to identify the job objective and key result areas, how to set clear achievable goals and how to structure and conduct the performance discussion. The 2nd edition of this popular title has been brought up to date by the author and there are new illustrations throughout. *Reviewing the Appraisals Pocketbook* Management Today concluded: 'This little book provides a lot of help. It challenges managers to ask themselves whether they understand what an appraisal is for and what questions they should be asking.' **Absence Management Pocketbook** Max Eggert, 2009 Sixty practical suggestions for reducing absenteeism are detailed in this title, followed by a look at the legal aspects of employment and advice on how to introduce an absence control policy. The author, management psychologist Max A. Eggert, also looks at the costs of absenteeism, monetary and psychological, and five ways of measuring absence. This is a new edition of *The Controlling Absenteeism Pocketbook* 978 1 870471 64 0, first published in 2000. Other pocketbooks by the same author include *Assertiveness*, *Managing your Appraisal*, *Motivation and Resolving Conflict*. **Handling Complaints Pocketbook** Angelena Boden, 2015-09-16 The Handling Complaints Pocketbook looks at why and how people complain and the key types of complaint: aggressive, passive, constructive and professional. The author explains that all businesses should welcome complaints because they provide direct feedback and an immediate opportunity to improve the service to customers. The next sections cover a strategy for handling complaints and the use of transactional analysis in understanding complaint behaviour. The final section looks at ways to turn complaints into compliments and create loyal customers. From the author of *The Problem Behaviour Pocketbook*. **Managing Change Pocketbook** Neil Russell-Jones, 2016-08-16 The Managing Change Pocketbook is for all those people responsible for managing change or wishing to understand an imposed change. Now in its 4th edition, this popular title in the Pocketbooks Series explains what change is and why it is necessary, why some change needs proactive management, the effects of change on people, how to gain commitment, how to manage change, the tools available, ways to communicate and examples of success and failure. **Managing Recruitment Pocketbook** Stewart Wright, 2015-09-16 Recruiting successful candidates leads to improved performance, increased customer satisfaction, enhanced organisational reputation, greater staff morale and a positive reflection on those involved in the recruitment

process The Managing Recruitment Pocketbook explains how to plan recruitment attract the right candidates assess CVs and application forms get the most out of the interview use different methods of selection and how to make the job offer Under attracting the right candidates the pocketbook looks at advertising methods using the internet employing recruitment agencies and recruiting internally Selection methods addressed include psychometric tests personality questionnaires assessment centres presentations and work sample exercises The final chapter covers how to pull all the selection information together references medicals handling unsuccessful candidates and making the eventual offer Complementing this new title are two other existing pocketbooks The Interviewer's Pocketbook and The Succeeding At Interviews Pocketbook

Talent Management Pocketbook Andy Cross, 2016-07-31 How to find keep and get the best from the people who can make an enterprise thrive is the subject of the Talent Management Pocketbook now in its 2nd edition It features checklists and self assessment tools to gauge current talent management strategy and pinpoint where improvements can be made Included too are examples of outstanding talent management practices How do you judge with confidence that someone will succeed in a bigger role The book describes how the potential profiler can help identify potential talent in the key performance areas It is one of several helpful models described Blending talent in order to build talented teams is another focus of this illustrated pocketbook It deals with its subject in clear concise terms with the emphasis on providing practical solutions The Talent Management Pocketbook has been written for trainers HR and recruitment professionals and for line managers with responsibility for retaining and developing talented team members

Performance Management Pocketbook Pam Jones, 2014-08-15 Performance Management is about getting results getting the best from people and helping them to achieve their potential Employee engagement has an important role to play in this it is about the emotional commitment to the organisation and its goals In this second edition of the Performance Management Pocketbook readers will find plenty of tips and techniques to enhance their performance in the following areas leading others to achieve results understanding the impact of their own style engaging and motivating others creating high performance teams setting clear objectives managing performance difficulties and coaching and delegating effectively The book contains illustrative case studies and each chapter has a helpful review and actions section The author Pam Jones is a member of the Ashridge Business School open programme management team Her responsibilities cover a suite of programmes encompassing performance management influencing and general management skills In an ever demanding and competitive world OK and average simply aren't enough performance matters If you want to get the best out of your people then this book is packed with advice and ideas on how to do that Lydia Hatley Leadership Change Manager Argos Very useful a practical and comprehensive guide for all leaders who truly value their team Claire Dobbs Managing Director Havas Life London

Project Management Pocketbook Keith Posner, 2014-05-07 The Project Management Pocketbook is a practical step by step guide to managing a project through to completion It looks at each key stage and identifies the management techniques

that can be applied From objective setting through to implementation the book stresses the importance of good communication teamworking and influencing skills All too often books on this subject cover the process of project management and not the people aspects This Pocketbook addresses both Project management requires a multitude of skills from vision and planning to monitoring communication leadership and of course delivery This pocketbook pulls together best practice from these diverse areas into one simple easy to read booklet Refreshingly it has been written from a general business perspective rather than I T and is therefore applicable to anyone managing change Adrian Guttridge Vice President UK Ireland EDS A lively guide based on real events that any of us may encounter in our everyday life at work or as I found out after reading this at home Johann de Waal Director International SOS Insurance Services Ltd Time Management Pocketbook Mike Clayton,2017-10-16 We cannot manage time All we can do is learn how to use the time that we have as well as we can says Dr Mike Clayton author of the all new Time Management Pocketbook Illustrated throughout the book begins by explaining how to plan your time how to balance the advantages of feeling in control against the necessity of remaining flexible and how to adapt to changes It then deals with ways of working that will make you more productive and looks at strategies for tackling one of the biggest problems you face the challenge of too much A summary of the eight most popular time management systems in use comprises the penultimate section of the book The author does admit though I m no fan of systems Instead I prefer broad principles and a well stocked box of tools to apply to different situations To me a system is a principle applied rigidly And at some point it won t apply That s why I filled this Pocketbook with ideas to try not just a single system The book concludes by looking at how organisations can treat time as a strategic asset systematically making better use of it for the greatest possible return **Managing Upwards Pocketbook** Patrick Forsyth,2015-09-16 How to get the best from your working relationship with your boss and other senior people is the subject of The Managing Upwards Pocketbook It begins by looking at what makes a good boss and what drives the relationship from both the subordinate s and the boss s perspective There is advice on how to build a partnership that is constructive straightforward trusting and mutually beneficial Under the heading working to create impact the book deals with such matters as taking a brief objectives and targets using timings and deadlines to advantage and progress reports Subsequent chapters detail how to communicate with senior people including listening to each other how to get agreement and how to handle difficulties such as poor information flow broken promises the leave it to me syndrome and more serious issues such as bullying and sexual harassment Job appraisals are dealt with too **Career Transition Pocketbook** Keith Corbin,2015-09-16 A practical easy to use guide for job changers and job seekers The Career Transition Pocketbook details seven key stages to the career transition process self questioning goal setting preparing a career history networking applying for jobs getting ready for interviews and evaluating job offers Each stage is described in a separate chapter *Motivation Pocketbook* Max A. Eggert,2015-09-16 The Motivation Pocketbook examines the many different theories of motivation drawing out the key points

and offering management tips for each one A useful problem identifier points the way to the best theories to use in particular situations For example when people complain a lot the author recommends the ERG Theory and when they lack direction he puts forward the Goal Theory There is also a review of the different character and personality types and what they are most likely to find motivational In conclusion the book lists nine basic rules of motivation ten ways in which to keep yourself motivated and 100 ways in which to say well done To coin one of these expressions sheer class Max

Deception in Selection Max A. Eggert, 2016-04-15 The latest research suggests that 33% of people lie deliberately to achieve employment The costs of mis hires are significant in terms of management time selection and reselection costs and potential legal costs There are 101 opportunities for applicants to economize with the truth exaggerate or simply lie both on their CV and at interview They may be desperate in a competitive job market they may think that exaggeration is an expected part of the process or they just rely on the fact that many employers still fail to make the most rudimentary of checks of what they are told Max Eggert's Deception in Selection will help you the recruiter to understand how and why candidates deceive The book examines proven techniques and tactics to balance the interview game to restore equity in the face of the clever approaches that sophisticated candidates bring to the interview Although there is no foolproof way of identifying deception you can with practice become amazingly accurate if there is a commitment to master the basics The object of this book is to learn how to detect more effectively the fabrications that candidates present in selection situations that would have a direct adverse effect on their performance in the job Reading it will encourage you to look at lying and truth telling in a new light and discover how pervasively lies and self deception influence selection decisions This is a must read guide from a best selling business author for all those who participate in the selection process

People Manager's Pocketbook Ian Fleming, 2015-09-16 Another popular title from Ian Fleming on ways to manage difficult people and their problems The People Manager's Pocketbook uses a practical and effective Signs Reasons Solutions structure Problem areas include the poor performer difficult individual reluctant team player persistent late comer slow learner isolated individual and unsupportive boss practical and rich in common sense reported Management Today journal

Networking Pocketbook Jon Warner, 2015-09-16 Anyone you might want to contact in the world is only 5 6 people contacts away from you maintains Jon Warner in the Networking Pocketbook He sees networking as a major social and life skill that can benefit both our working and personal life The Networking Pocketbook details the four basic steps that lead to effective networking relationships the so called LINK Learning about needs ours and other people's Investing making strong contacts Nurturing achieving a deeper relationship Keeping maintaining the momentum As the author leads readers through these four basic steps he progressively describes the seven key competencies needed for effective networking These competencies relate to temperament disposition strategic planning organisation nurturing communications socialising and persistence

Memory Pocketbook Vicki Culpin, 2015-09-16 Memory is fundamental to our very existence This title looks at the structure of memory distinguishing

between sensory memory and short and long term memory It describes the causes of poor memory tiredness cognitive overload and poor concentration and the key principles for improving it attention effort motivation and meaning

Empowerment Pocketbook Michael Applegarth,2015-09-16 Empowerment is often confused with delegation and wrongly is often seen as a form of power or authority over another person The authors of The Empowerment Pocketbook prefer to liken empowerment to a licence that is issued only after those concerned have proven their ability and only when the scope and conditions of the activity to which the licence applies are clearly defined This Pocketbook explains what empowerment is what can be gained when it is in place and how to put it there and keep it there It will be helpful to managers trainers consultants and all those people who are concerned with getting the best from their workforce Areas covered include identifying the need for empowerment enabling the individual implementation nine steps to get

empowerment in place and finally monitoring and feedback **Advanced Coaching Pocketbook** Lynne Walley,2016-09-23 Central to the Advanced Coaching Pocketbook is SPACE a 5 step model enabling coaches to reflect on and assess their own approach to coaching and deepen their awareness of the coaching process HR and OD professionals wanting to create a coaching culture will also find the tips and tools beneficial Each step of the model is described in a separate chapter and for each step the author recommends appropriate tools designed to put the theory firmly into practice Exercises and graphic devices help to embed the understanding SPACE was tested by practitioners across the UK and further afield How they applied the model in practice was subsequently surveyed and their responses used to inform the model and its description in this pocketbook The survey results give real insight into the different aspects of coaching an enthusiastic Lynne Walley declares

Discipline & Grievance Pocketbook Ruth Sangale,2015-09-16 Grievances and disciplinary matters are immensely disruptive and time consuming and most managers struggle to know how to deal with them The Discipline Grievance Pocketbook offers practical help It stresses the importance of understanding the root causes of conflict and identifies the management practices that need to be in place in order to help prevent problems arising The book first looks at how staff issues can be resolved informally through mediation and then goes on to describe the formal procedures for both grievance and disciplinary cases before finally dealing with the dismissal process Informative case studies bring author Ruth Sangale s advice sharply into focus
