Managing The Revolution In Military Affairs:

Managing the Revolution in Military Affairs R. Matthews, J. Treddenick, 2001-08-20 The collapse of the Soviet Union and the end of the Cold War was the catalyst for profound changes in the global security and defence management environment including alterations in the size structure and configuration of the Armed Forces emergence of asymmetrical warfare recognition of the strategic significance of military infosphere embracing all dimensions of the virtual and vertical battlespace emphasis on coalition warfare and defence industrial cooperation and reform of the financial procurement and logistical systems The contributors to this book evaluate these environmental changes within a defence management context

Social Forces and the Revolution in Military Affairs J. Rochlin, 2007-12-25 This book applies Revolution in Military Affairs theories to explain the various strategic victories and losses for assorted social forces in Colombia and Mexico These countries form the ideal comparative case study of RMA both from above by the state and below by civil society

Information and Revolutions in Military Affairs Emily O. Goldman, 2013-09-13 Like the industrial revolution before it the information technology revolution appears to be creating a new ruling class a new economy and a new society Information technology is also transforming military operations and warfare A vast literature on the revolution in military affairs or RMA cites the important indeed dominant role of information technology in enabling a new military revolution This volume challenges conventional wisdom not by claiming that information's impact on military operations is not positive or transformative but by claiming its impact is not new Previous periods of military revolution can also be characterized as information revolutions Through the close examination of six case studies of military transformation during the industrial age the contributors to this volume demonstrate how the employment of emerging information systems was critical to realizing a major boost in military effectiveness The most successful adaptations to the new environment were made by the most skillful users of information This volume draws upon the expertise of leading military historians political scientists and defense practitioners to craft a set of original essays that provide the first retrospective examination of how information affects the process of military revolution This book was previously published as a special issue of the Journal of Strategic Studies

The Influence of Strategic and Organizational Cultures on the Revolution in Military Affairs (RMA) Within the U.S. Army - Analysis of the Interwar Period U. S. Military, Department Of Defense (DoD), Hassan Kamara, 2019-03-07 This study explores the influence of culture on the requirements for a Revolution in Military Affairs RMA It assesses how cultural factors at the strategic and the U S Army organizational levels may affect the changes required for realizing an RMA Defined as a paradigmatic shift in the conduct of military affairs spurred by the confluence of organizational change with new and existing technologies and concepts of operations the RMA has long been a controversial analytical construct This thesis accepts the premise that the history of warfare can be interpreted as a series of RMAs It explores the complex and powerful influence of American strategic culture and the organizational culture of the U S Army on the organizational doctrinal

technology funding and other factors vital to the realization of an RMA The study compares the influence of U S strategic and Army organizational culture on the RMA during the interwar period 1919 1941 and the contemporary period since the 2011 withdrawal of U S combat forces from Iraq to highlight similarities and differences that U S military and civilian leaders can learn from to change the paradigm of military affairs in America s favor This compilation includes a reproduction of the 2019 Worldwide Threat Assessment of the U S Intelligence Community I INTRODUCTION A RESEARCH INQUIRY B RESEARCH CHALLENGES C LITERATURE REVIEW 1 Strategic Culture a The First Generation of Literature on Strategic Culture b The Second Generation of Literature on Strategic Culture c The Third Generation of Literature on Strategic Culture 2 Organizational Culture a Approaches to Defining Organizational Culture b Approaches to Studying Culture D U S SECURITY STRATEGY AND U S ARMY TRANSFORMATION 1 The Interwar Period a Strategy b U S Army Transformation 2 Contemporary Period since the Iraq War a Strategy b U S Army Transformation E METHODS AND SOURCES F THESIS ORGANIZATION II INFLUENCE OF INTERWAR CULTURE ON THE REVOLUTION IN MILITARY AFFAIRS A STRATEGIC CULTURE 1 Interwar Era U S Politics Defense Policy and the RMA 2 The American Way of War and the RMA Interwar Period 3 Force and Diplomacy in U S Foreign Policy and the RMA 4 The National Cognitive Style and the RMA Interwar Era B U S ARMY CULTURE AND THE RMA IN THE INTERWAR PERIOD 1 Army Doctrine Change and the RMA in the Interwar Period 2 Army Organization Change and the RMA in the Interwar Period 3 Army Materiel Change and the RMA in the Interwar Period C CONCLUSION III INFLUENCE OF CONTEMPORARY CULTURE ON THE REVOLUTION IN MILITARY AFFAIRS A STRATEGIC CULTURE AND THE RMA IN THE CONTEMPORARY PERIOD 2011 PRESENT 1 Contemporary U S Politics Defense Policy and the RMA 2 The American Way of War and the RMA 3 Force and Diplomacy in U S Foreign Policy and the RMA 4 The National Cognitive Style and the RMA B U S ARMY CULTURE AND THE RMA IN THE CONTEMPORARY PERIOD 1 Army Doctrine Change and the RMA in the Contemporary Period 2 Army Organization Change and the RMA in the Contemporary Period 3 Army Materiel Change and the RMA in the Contemporary Period C CONCLUSION IV MANAGING CULTURE TO ACHIEVE AN RMA A MANAGING STRATEGIC CULTURE TO ACHIEVE AN RMA 1 U S Politics Defense Policy and the RMA 2 The American Way of War 3 Force and Diplomacy in U S Foreign Policy and the RMA 4 The National Cognitive Style and the RMA B MANAGING ARMY CULTURE IN PURSUIT OF AN RMA V CONCLUSION

The Revolution in Military Affairs Robbin F. Laird, Holger H. Mey, 1999 The revolution in military affairs RMA is an American concept that frames a debate about the restructuring of American military forces in the period of globalization of the American economy A core task for U S allies is to seek to understand the American debate the American approach to the RMA a baseline the RMA Europe France reflections on the U S European military technology gap

The Revolution in Military Affairs Elinor Camille Sloan, Université du Québec à Montréal. Centre d'études des politiques étrangères et de sécurité, Raoul-Dandurand Chair of Strategic and Diplomatic Studies, 2002 The campaign in Afghanistan the Gulf war and Kosovo show how advances in

information technology are driving a high tech revolution in military affairs RMA This text outlines elements of the RMA and examines efforts of the US and NATO Resource Allocation and Management in Defence: Need for a Framework,2013-01-15 The question that faces governments and militaries the world over is how best to allocate resources for management of defence in the new age This book by Shri A K Ghosh who has an economics background explores the framework for change in resource allocation and capability building It emphasises the importance of introducing programming in Indian defence to serve as a link between defence planning and budgeting There is match between defence planning and budgeting needs to be connected by the introduction of resource constrained budgeting having a multi year perspective The RMA force modernisation cost benefit analysis management of risks and internal and external audits are among the many issues the author has provided a perspective on It is argued by the author that defence needs to be viewed as a giant business and where possible business practices should be introduced The book is recommended reading for planners and decision makers of defence management and will benefit readers from the armed forces as well The lay readers interested in the subject of national defence and security will also find it useful and interesting *A Practical Introduction to Homeland Security and Emergency Management* Bruce Oliver Newsome,Jack A. Jarmon,2015-09-24 A Practical Introduction to Homeland Security and Emergency Management From Home to Abroad offers a comprehensive overview of the homeland security field examining topics such as counter terrorism border and infrastructure security and emergency management Authors Bruce Newsome and Jack Jarmon take a holistic look at the issues and risks their solutions controls and countermeasures and their political and policy implications They also demonstrate through cases and vignettes how various authorities policymakers and practitioners seek to improve homeland security The authors evaluate the current practices and policies of homeland security and emergency management and provide readers with the analytical framework and skills necessary to improve these practices and policies **Management and Military Studies** Joseph Soeters,2020-03-24 This book connects findings and insights authored by famous scholars in management and organization studies with challenges the military is facing today One assumes that management and organization studies is only about the rational predictable and manageable and that military action is predominately irrational unpredictable and unmanageable both assumptions are wrong This book argues that the discipline of management and organization studies is highly relevant for the military in both peace and wartime conditions and for any situation in between In all conditions the giant and complex military organization needs to be structured processed administrated led and accounted for Each chapter presented in this volume focuses on the contributions of founding thinkers in management and organization studies with their work translated and applied to the military setting These scholars are drawn from a variety of backgrounds including organizational sociology economics political science psychology and engineering Although the work of only a few explicitly refers to the military the contributions of all these scholars are relevant in order to come to grips with security and military affairs Together with

many other academics work the contributions of these 18 scholars constitute the core of the field of management and organization studies This book will be of much interest to students of military studies management studies and organization studies

The Military Revolution and Revolutions in Military Affairs Mark Fissel, 2022-12-05 The Military Revolution and Revolutions in Military Affairs updates two central debates in military history the one surrounding the concept of military revolution and the one on military affairs whilst advancing original research in both fields Only a handful of publications consider the military revolution and the RMA in tandem This book breaks new ground conceptually and appeals to an exceptionally large and diverse readership Comparative revisionist studies of the military revolution and RMA better enable us to comprehend the historical continuum and reveal the new RMA for what it is And for what it is shortly to become This book presents original contributions within the epicentre of the military revolution debate the 1500s with an emphasis on gunpowder revolution offensively and defensively The connections with the Revolution in Military Affairs are then made explicit by scholars a practitioner and an analyst with an emphasis on airborne lethal autonomous weapons systems This is a chronologically broad and unique methodological approach to a historical debate that begs for clarification as we enter an era where killer robots will almost certainly take from humans their monopoly on violence

Military Supply Chain Management and People's Liberation Army Logistics Rajiv Chauhan, 2015-01-01 Military logistics is a relatively new word to describe a very old practice the supply movement and maintenance of an armed force both in peace time and under operational conditions Logistic considerations are generally built into battle plans at an early stage Without logistics tanks armored personnel carriers artillery pieces aircraft are just numbers on a table of organization and equipment Through this book an endeavor has been made to understand the logistics of People's Liberation Army PLA of China An introduction to the theory of supply chain management and logistics of foreign Armies is discussed Today Revolution in Military Logistics RML is taking place in the People's Liberation Army An attempt has been made to study this evolution development and rapid modernization of the People's Liberation Army logistics

Defence Management in Uncertain Times Richard Holmes, Teri McConville, 2014-09-19 From the impact of the attacks on New York and Washington in 2001 to the problems of military uncertainty and the role of women in combat this collection of essays explores the changing face of militarism from the perspective of defence management experts

The Information Revolution in Military Affairs in Asia E. Goldman, T. Mahnken, 2004-07-22 The contributors to this volume seek to explore the multi dimensional institutional cultural technological and political environments of several Asian states to determine the amenability of those host environments for the adoption adaptation of the Revolution in Military Affairs RMS

Military Transformation and Strategy Bernard Loo, 2008-08-21 This book explores the idea of a revolution in military affairs RMA which underpins the transformational agenda of the US military and examines its implications for smaller states The strategic studies literature on the RMA tends to be American

centric and directed towards the strategic problems of the US military This volume seeks to fill t **Preventive Defense**

Ashton B. Carter, William J. Perry, 2000-09-01 William J Perry and Ashton B Carter two of the world s foremost defense authorities draw on their experience as leaders of the U S Defense Department to propose a new American security strategy for the twenty first century After a century in which aggression had to be defeated in two world wars and then deterred through a prolonged cold war the authors argue for a strategy centered on prevention Now that the cold war is over it is necessary to rethink the risks to U S security The A list threats to U S survival is empty today The B list the two major regional contingencies in the Persian Gulf and on the Korean peninsula that dominate Pentagon planning and budgeting pose imminent threats to U S interests but not to survival And the C list such headline grabbing places as Kosovo Bosnia Somalia Rwanda and Haiti includes important contingencies that indirectly affect U S security but do not directly threaten U S interests Thus the United States is enjoying a period of unprecedented peace and influence but foreign policy and defense leaders cannot afford to be complacent The authors preventive defense strategy concentrates on the dangers that if mismanaged have the potential to grow into true A list threats to U S survival in the next century These include Weimar Russia failure to establish a self respecting place for the new Russia in the post cold war world allowing it to descend into chaos isolation and aggression as Germany did after World War I Loose Nukes failure to reduce and secure the deadly legacy of the cold war nuclear chemical and biological weapons in Russia and the rest of the former Soviet Union A Rising China Turned Hostile failure to shape China s rise to Asian superpower status so that it emerges as a partner rather than an adversary Proliferation spread of weapons of mass destruction and Catastrophic Terrorism increase in the scope and intensity of transnational terrorism They also argue for Encyclopedia of Public Administration and Public Policy - 5 Volume Set Domonic A. Bearfield, Evan Berman, Melvin J. Dubnick, 2020-08-14 Now in its third edition Encyclopedia of Public Administration and Public Policy remains the definitive source for article length presentations spanning the fields of public administration and public policy It includes entries for Budgeting Bureaucracy Conflict resolution Countries and regions Court administration Gender issues Health care Human resource management Law Local government Methods Organization Performance Policy areas Policy making process Procurement State government Theories This revamped five volume edition is a reconceptualization of the first edition by Jack Rabin It incorporates over 225 new entries and over 100 revisions including a range of contributions and updates from the renowned academic and practitioner leaders of today as well as the next generation of top scholars The entries address topics in clear and coherent language and include references to additional sources for further study Canadian Military Intelligence David A.
