Presented by the University of Colorado at Boulder, the University of Denver, and the University of Northern Colorado

$$E = \pi$$

MathPASS is a project of the University of Colorado at Boulder, the University of Denver, and the University of Northern Colorado. The project is designed to provide a comprehensive, integrated, and accessible mathematics curriculum for students in the region. The curriculum is based on the National Council of Teachers of Mathematics (NCTM) standards and is designed to be flexible and adaptable to the needs of individual students and schools. The project is a collaborative effort between the three universities and is supported by the National Science Foundation (NSF) and the Colorado Department of Education (CDE).
