Finish Line New York Math Continental Press Staff, 2014-11-03. The next generation of Finish Line is here. Finish Line New York Math provides focused instruction to help students think critically and master New York's Common Core Learning Standards (CCLS). This workbook includes 300 pages of focused practice and a new lesson format. The gradual release model is extended to four parts to promote deeper learning: Skill Introduction, Focused Instruction, Guided Practice, and Independent Practice. Guided questions teach the process of how to answer a question. The first unit in the book reviews big ideas from the previous grade with four to five topics that are key to new concepts in the current grade. This feature allows students to refresh their skills in these areas before building on them to learn new ideas. Units conclude with a review which covers all skills in the unit. PARCC-type items are included as well as multiple-choice, open-ended, and multipart questions. A glossary features terms that appear in boldface throughout the book. Flashcards are provided for students to practice important ideas, formulas, and symbols from the book. Finish Line is designed to supplement core basal programs including GO Math™ and Connected Mathematics Project 3 CMP3. **Math**, 2015.
