*The Mating Game* Jonathan Lockett, 2007-02-01 A sensuous exhilarating ride through romance that takes an intimate look into the passions and pitfalls of modern urban life. Trey Vince and Erika are best friends, all single, who live in Washington D.C. and are on the lookout for love. Blessed with intelligence, successful careers and good looks, one would think the dating scene would be a snap for them. However, despite their charm, wit and achievements, none of their diverse approaches to the dating game are getting results. In *The Mating Game*, Jonathan Lockett examines the lives of these three friends who seem to have it all except someone to share it with. Trey is an often arrogant ladies' man with a quick tongue and dapper good looks. His friend and alter ego Vince is the ruggedly handsome, hopelessly romantic Renaissance man who is searching high and low for his ideal mate. And then there is the confident, beautiful, no-nonsense Erika who thinks she has found the man of her dreams only to find out the opposite. However, when two mysterious women enter the scene, their lives and their friendships are turned upside down. From the streets of Washington and New York to the steamy French Quarter of New Orleans, Trey, Vince and Erika leave a trail of pandemonium in their wake as they search for love, sometimes in all the wrong places

*The Mating Game* Alex Cooper, 2020-12-07 Animals are fond of feeding, fighting and something else beginning with F. But competition is fierce and they'll need a few tricks up their sleeves to pass on their genes. *The Mating Game* investigates the ins and outs of creative courtship rituals, eyebrow-raising evolutionary adaptations and an array of peculiar peckers that would make Charles Darwin blush. Each seductive specimen has its own illustrated dating profile along with background info on its real-life mating strategies. Ever wanted to know which species engages in a spot of penis fencing? Is a love dart as romantic as it sounds? And what does a sea otter have in common with Christian Grey? From aquatic artists to pebble-thieving penguins, these amorous animals will pull out all the stops to win the mating game
