**Creativity** Jack Stewart,2008 This study of Virginia Woolf D H Lawrence Joyce Cary Lawrence Durrell and A S Byatt focuses on color space and creativity in selected novels stories travel texts essays and letters Stewart highlights a nexus of color space and creativity that takes on ontological dimensions in the writing of five writers who are linked by stylistic affinities and correspondingly calibrated sensibilities They engage writing with painting and their acts of attention converge in a zone where color space and creativity sustain the imaginative life world of their characters This study should lead to ongoing reflections on the roles of color and space in modernist and postmodernist texts and direct attention to the subtle and pervasive interactions of literature with painting **BOOK JACKET Picasso and the Painting That Shocked the World**

Miles J. Unger,2018-03-13 One of The Christian Science Monitor s Best Nonfiction Books of the Year An engrossing read a historically and psychologically rich account of the young Picasso and his coteries in Barcelona and Paris The Washington Post and how he achieved his breakthrough and revolutionized modern art through his masterpiece Les Demoiselles d Avignon In 1900 eighteen year old Pablo Picasso journeyed from Barcelona to Paris the glittering capital of the art world For the next several years he endured poverty and neglect before emerging as the leader of a bohemian band of painters sculptors and poets Here he met his first true love and enjoyed his first taste of fame Decades later Picasso would look back on these years as the happiest of his long life Recognition came first from the avant garde then from daring collectors like Leo and Gertrude Stein In 1907 Picasso began the vast disturbing masterpiece known as Les Demoiselles d Avignon Inspired by the painting of Paul C zanne and the inventions of African and tribal sculpture Picasso created a work that captured the disorienting experience of modernity itself The painting proved so shocking that even his friends assumed he d gone mad but over the months and years it exerted an ever greater fascination on the most advanced painters and sculptors ultimately laying the foundation for the most innovative century in the history of art In Picasso and the Painting That Shocked the World Miles J Unger combines the personal story of Picasso s early years in Paris his friendships his romances his great ambition his fears with the larger story of modernism and the avant garde The Christian Science Monitor This is the story of an artistic genius with a singular creative gift It is riveting This engrossing book chronicles with precision and enthusiasm a painting with lasting impact in today s art world Publishers Weekly starred review all of it played out against the backdrop of the world s most captivating city **A Journey Into Matisse's South of France** Laura McPhee,2007-01-01 For more than 50 years the passionate pursuit of color led Henri Matisse to visit some of the most enchanting villages in southern France

Travelers and art lovers will delight in this mix of art history biography and travel guide that covers southern France and explores the teal skies emerald hills red soil and indigo seas beloved by the artist The journey begins in Paris and then moves to the fashionable port of St Tropez the fishing village of Collioure chic and voluptuous Nice and the rustic refuge of Vence and ends in the luxurious resort of Cimiez The author identifies the villas and studios where Matisse lived and worked in each location and discusses how his art responded to the palette and ambience of each local landscape
