Matters of the Spirit Danny McKenzie,1998      **Summa Theologiae, Prima Pars: Volume 3, Human Beings and God's Governance of Creation, QQ 75-119** Thomas Aquinas,Thomas de Vio Cajetan,2023-06-23 This book is an introduction to three questions on love according to St Thomas Aquinas Summa Theologiae I II qq 26 28 These three questions reflect on the nature of love q 26 the causes of love q 27 and the effects of love q 28 It is thus an introduction to the entire phenomenon of love both as a bodily passion and an act of the will The purpose is to present the Thomistic and broadly scholastic account of human and divine love from a philosophical and theological perspective It aims to be a theological and philosophical study of the topic useful both for a graduate professional audience as part of an undergraduate or graduate course and perhaps for the educated reader The thesis of the book is that contrary to contemporary conceptions not all loves are created equal Some loves perfect us and some loves corrupt us The worth of a love depends on its object and end St Thomas thus presents an objective and teleological account of human and divine love that is of philosophical and theological interest The method is broadly exegetical presenting a careful reading of the text and supplying the philosophical and theological background which the text of Aquinas assumes The scope of the work is limited to three questions ST I II qq 26 28 References to interpretative disputes of Aquinas and references to further resources in the secondary literature will be mostly limited to the footnotes making the body of the text accessible to more readers      Star of the West ,1916      **First Corinthians, 2nd Ed.** Kim Riddlebarger,2024-01-15 Kim Riddlebarger examines 1 Corinthians to the apostle Paul s instructions for living in a secular world filled with sexual immorality and idolatry      \_\_\_\_\_ **OR, A DISCOURSE CONCERNING THE HOLY SPIRIT** John Flavel,2016-07-27 A critical work into the working and theology of the most mysterious person of the holy Trinity the Holy Spirit Many times Christians recognize but do not focus on the Holy Spirit even though He is the most active person of the Godhood in our world today This work goes to correct that and delves into Scripture to reveal to us how he works and what he is like so that we can properly revere him as Almighty God      **Richard Hooker and his Early Doctrine of Justification** Corneliu C. Simut,2019-10-01 Richard Hooker and his Early Doctrine of Justification explores the doctrine of justification the doctrine of faith and grace and the doctrine of Scripture and use of reason in the early theology of Richard Hooker In order to prove that Hooker was a Protestant Reformed theologian Simu concentrates on Hooker s doctrine of justification as reflected in his Learned Discourse of Justification which is the most important work of his early theology Unlike previous books on Hooker which use primarily the theology of Luther and Calvin to draw conclusions this book brings together quotations and ideas from the works of Luther Melancthon Zwingli Bucer Calvin and Beza to show that Hooker was a Protestant Reformed theologian Simu also discusses the theological context of Hooker s career by offering an analysis of the doctrine of justification in the theology of John Jewel John Whitgift Hooker s patrons and Thomas Cartwright and Walter Travers Hooker s Puritan opponents      *A Critical Commentary and Paraphrase*

*on the Old and New Testament and the Apocrypha* Simon Patrick, 1822      **Annotations Upon the Holy Bible** Matthew Poole, 1852      **Animals in Heaven?** Terry Martin, 2024-09-26 Christians of all traditions have often puzzled with the question Do dogs go to heaven Drawing on Catholic teaching and on his long pastoral experience as a parish priest Terry Martin expands that concept to consider wider issues around all animals domesticated and free living and why they are here Within a context of Christian faith he seeks to understand the place of animals in God's complex creation and the relationship that human beings have for good or ill with those animals More than that he looks at the big questions which so many ask about who under God animals are and what meaning if any animal lives have from a Catholic Christian perspective      A *Documentary History of Lutheranism, Volumes 1 and 2* Mark A. ***Pneumatologia Or, A Discourse Concerning the Holy Spirit Volume I*** John Owen, 2020-02-10. A critical work into the working and theology of the most mysterious person of the holy Trinity, the Holy Spirit. Many times Christians recognize but do not focus on the Holy Spirit, even though He is the most active person of the Godhood in our world today. This work goes to correct that and delves into Scripture to reveal to us how he works and what he is like so that we can properly revere him as Almighty God. This first volume contains Owen's first five books. Now in larger print.

***Notes, explanatory and practical, on the second Epistle of Paul to the Corinthians and the epistle to the Galatians, revised by J. Cumming. revised by S. Green*** Albert Barnes, 1851. ***Missed Treasures of the Holy Spirit*** Jeremy Corley, Jessie Rogers, 2024-04-10. In this volume on the Holy Spirit, *Missed Treasures* designates the rich pneumatologies in the New Testament books and letters beyond Paul, John, and Luke Acts. Depictions of the Holy Spirit in Matthew, the Letter of James, Revelation, and other books are analyzed and incorporated into the theological tapestry of New Testament thought. Another unique feature of this volume is its focus on the numinous presence of God in the sweep of Israel's history; there are chapters on the Septuagint, the Dead Sea Scrolls, and the Wisdom of Solomon that trace Christian pneumatology back to its source, the Hebrew Scriptures. In short, this volume expands the scholarly conversation exponentially as it explores a complement of texts spanning the New Testament and reaching back into the Hebrew Scriptures. A lucid guide to the distinctive pneumatologies of the New Testament, this collection is must reading for all who would engage the dialogue between scriptural study and systematic theology.

Preaching is as dangerous and as exhilarating as careening down some class IV rapids. It is dangerous because in the Old Testament God prescribed the death penalty for preaching one's own opinion when called to speak God's Word. The pulpit is no casual or safe place. But preaching is also exhilarating because God places his creative life-giving word right into your mouth. And though you don't know what will happen next, something that God

appointed will definitely happen when you the preacher say what God authorizes you to say This book is the result of over thirty years of wrestling with God s word It expresses some of my astonishment over how faithfully God acts through preaching that word Preaching is God s business Mostly the preacher needs to get out of the way and let God do the talking When that is the case your hearers will tell you about it and you will be less likely to miscarry in some of the myriad ways listed in this book Hopefully Luther s design for the way preachers bring that life giving word of promise will encourage and promote and once again bring the same world changing power that was let loose in the Reformation     *The Oberlin Evangelist* ,1857     Arcana Cœlestia the Heavenly Mysteries Contained in the Holy Scripture, Or Word of the Lord, Unfolded, in a Exposition of Genesis and Exodus Toghether with a Relation of Wonderful Things Seen in the World of Spirits and in the Heaven of Angels by Emanuel Swedenborg ,1863
