Matthew 16-23 MacArthur New Testament Commentary John MacArthur,1988-11-08 The Old Testament looked forward to the final King of kings who would bring everlasting salvation and peace In his gospel Matthew demonstrates that Jesus Christ is that King perfect in His eternal glory and majesty As the King s ambassadors Christians today will find in Matthew great motivation for heartfelt worship and service Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical *Sacra Pagina: The Gospel of Matthew* Daniel J. Harrington,2017-07-14 Matthew wrote his Gospel from his perspective as a Jew It is with sensitivity to this perspective that Father Harrington undertakes this commentary on the Gospel of Matthew After an introduction he provides a literal translation of each section in Matthew s Gospel and explains the textual problems philological difficulties and other matters in the notes He then presents a literary analysis of each text content form use of sources structure examines the text against its Jewish background situates it in the context of Matthew s debate with other first century Jews and reflects on its significance for Christian theology and Christian Jewish relations Bibliographies direct the reader to other important modern studies ESV Gospel Transformation Study Bible: Christ in All of Scripture, Grace for All of Life (Ebook) Crossway,2019-04-02 This study Bible is a must have to help us see Jesus Christ throughout the whole Bible biblereviewguys com The ESV Gospel Transformation Study Bible is designed to help readers see Christ in all of Scripture and grace for all of life It features book introductions gospel centered study notes and a series of all new articles written by a team of over 50 pastors and scholars This content explains passage by passage how God s redemptive purposes culminate in the gospel and apply to the lives of believers today Readers will be challenged to see how the message of the gospel transforms sinners from the inside out

Behold! the Kingdom Crosbie Barnes,2014-10-22 A study that attempts to remove the fog surrounding our perception of God s Kingdom It may be a source of new ideas and revelation challenging those commonly held about the Kingdom and attempting to set the foundation for how we should view it We look at how the coming of the King impacts the world and its people in every generation revealing an invitation to take our rightful place in His Kingdom We examine the mechanics and the dynamics of our inclusion into the Kingdom and how it is expressed within His creation examining its nature as it emerges in the lives of individuals who embrace the King And finally we look at the structure role and intrinsic values of the Church in the context of God s Kingdom **Walking in the Footsteps of Jesus** Wayne Stiles,2009 **Authenticating the Words of Jesus** Bruce David Chilton,Craig A. Evans,1999 This collection of studies offers Jesus researchers a gold mine of fresh research and critical appraisal of the assumptions and methods employed in the study of the historical Jesus This publication has also been published in paperback please click here for details A Mediator in Matthew Craig D. Saunders,2021-03-01 What is a consistent theological meaning of the Son of Man in the Gospel of Matthew For a suitable response it is essential to analyze all thirty Son of Man logia in their relative literary contexts and in relationship to the

gospel as a whole Also to bring out the uniqueness in Matthew's portrayal of the Son of Man a comparison with the other Synoptic Gospels aids the investigation This work argues that the answer lies in the role of the Son of Man in the first Gospel In Matthew Jesus the Son of Man functions as mediator of God's will to his genuine disciples As the Son of Man journeys through his earthly life climaxing in his death and resurrection Jesus mediates God's will through his message and works and by exhibiting active obedience to his Father in the heavens Jesus's genuine disciples learn how to emulate the Son of Man's character and ministry enabling them to continue it in their future mission At his parousia the Son of Man will mediate God's promised vindication and reward for his genuine disciples who have proven their fidelity to Jesus and God's will *ESV Global Study Bible* Crossway Bibles,2012 The *ESV Global Study Bible* is a one volume study resource for globally minded Christians everywhere It has been designed to be highly accessible and priced for distribution on a global scale **All**

What If the Bible Had Never Been Written? D. James Kennedy, Jerry Newcombe, 2008-01-01 But the Bible more than any other book is also the most maligned on the market Many of the cities of our culture dismiss the Word of God In What If the Bible Had Never Been Written D James Kennedy and Jerry Newcombe show that this collection of books was indeed the inspiration for almost all of the great explorers scientists writers artists politicians and educators the world has ever known That such a book which has influenced so many and stood the test of time for so long is dismissed as folklore or myth just goes to show what extremes nonbelievers will go to rationalize their behavior From the Ten Commandments which many of our laws and government are based upon to the Golden Rule a verse taken straight out of the New Testament to many of today's most common phrases and expressions there is no doubt as to the influence the Bible has on everyone in some degree every day What If the Bible Had Never Been Written provides a well documented and in depth look at the impact the Book of Books has had on humanity pointing to specific areas in today's society that would not be as they are now if it were not for the Bible

Turner,2008-04-15 New Testament scholar and professor David L Turner offers a substantive yet highly accessible commentary on Matthew in this latest addition to the BECNT series With extensive research and thoughtful chapter by chapter exegesis Turner leads readers through all aspects of the Gospel of Matthew sociological historical and theological to help them better understand and explain this key New Testament book He also includes important insights into the Jewish background of this Gospel As with all BECNT volumes Matthew features the author s detailed interaction with the Greek text This commentary admirably achieves the dual aims of the series academic sophistication with pastoral sensitivity and accessibility making it a useful tool for students professors and pastors The user friendly design includes shaded text chapter introductions summarizing the key themes of each thought unit *Rewriting Peter as an Intertextual Character in the Canonical Gospels* Finn Damgaard,2015-09-16 Peter is a fascinating character in all four canonical gospels not only as a literary figure in each of the gospels respectively but also when looked at from an

intertextual perspective This book examines how Peter is rewritten for each of the gospels positing that the different portrayals of this crucial figure reflect not only the theological priorities of each gospel author but also their attitude towards their predecessors Rewriting Peter as an Intertextual Character in the Canonical Gospels is the first critical study of the canonical gospels which is based on Markan priority Luke's use of Mark and Matthew and John's use of all three synoptic gospels Through a selection of close readings Damgaard both provides a new critical portrait of Peter and proposes a new theory of source and redaction in the gospels In the last thirty years there has been an increasing appreciation of the gospels literary design and of the gospel writers as authors and innovators rather than merely compilers and transmitters However literary critics have tended to read each gospel individually as if they were written for isolated communities This book reconsiders the relationship between the gospels arguing that the works were composed for a general audience and that the writers were bold and creative interpreters of the tradition they inherited from earlier gospel sources Damgaard's view that the gospel authors were familiar with the work of their predecessors and that the divergences between their narratives were deliberate sheds new light on their intentions and has a tremendous impact on our understanding of the gospels **Man. Temple of the Living God** Roberto Pla, Our one and only real purpose in writing this work has been to awaken love for the whole Christ and when we speak of the whole Christ we are referring both to the Christ who died for mankind in Jerusalem more than two thousand years ago love for whom has been encouraged by manifest exegesis since the beginning of the Christian era and at the same time to the Christ preexisting and eternal Although both are one and the same being if we speak of the whole Christ we cannot disregard the inseparable Christ who from the beginning has lain forgotten unknown crucified within every man and who is only waiting to reveal his immortal divine presence invoked by love and faith Then the true beatitude of his resurrection will arise in every man Pag 38 The purpose of this work is to awaken in some men awareness that the canonical New Testament texts express a dual hermeneutic and exegesis makes it possible once one has assimilated a first reading which we shall call manifest to undertake a second reading one that will be more difficult to apprehend in order to find through it a new meaning which the Christian hagiographers called hidden or secret Pag 28
