in great depth Ridlehoover fills this gap with a closely argued and in depth study ranging from methodology and the structure of the prayer itself to examining the Father will forgiveness and evil petitions and the relevance of word and deed for hearers and doers Ridlehoover s examination of the relationship between the Sermon and Prayer advances studies in compositional criticism and intratextuality **Warlike Christians in an Age of Violence** Nick Megoran,2017-10-03 How should Christians respond to war This age old question has become more pressing given Western governments recent overseas military interventions and the rise of extremist Islamist jihadism Grounded in conservative evangelical theology this book argues the historic church position that it is inadmissible for Christians to use violence or take part in war It shows how the church s propensity to support the just wars crusades rebellions or humanitarian interventions of its host nations over time has been disastrous for the reputation of the gospel Instead the church s response to war is simply to be the church by preaching the gospel and making peace in the love and power of God The book considers challenges to this argument for gospel peace What about warfare in the Old Testament and military metaphors in the New What of church history And how do we deal with tyrants like Hitler and terrorists like Islamic State Charting a path between just war theory and liberal pacifism numerous inspiring examples from the worldwide church are used to demonstrate effective and authentically Christian responses to violence The author argues that as Christians increasingly drop their unbiblical addiction to war we may be entering one of the most exciting periods of church history Handbook on the Gospels (Handbooks on the New Testament) Benjamin L. Sinners in the Hands of a Loving God Brian Zahnd,2017-08-15 Pastor Brian Zahnd began to question the theology of a wrathful God who delights in punishing sinners and has started to explore the real nature of Jesus and His Father The book isn't only an interesting look at the context of some modern theological ideas it also offers some profound insight into God's love and eternal plan Relevant Magazine Named one of the Top 10 Books of 2017 God is wrath Or God is Love In his famous sermon Sinners in the Hands of an Angry God Puritan revivalist Jonathan Edwards shaped predominating American theology with a vision of God as angry violent and retributive Three centuries later Brian Zahnd was both mesmerized and terrified by Edwards's wrathful God Haunted by fear that crippled his relationship with God Zahnd spent years praying for a divine experience of hell What Zahnd experienced instead was the Father's love revealed perfectly through Jesus Christ for all prodigal sons and daughters In Sinners in the Hands of a Loving God Zahnd asks important questions like Is seeing God primarily as wrathful towards sinners true or biblical Is fearing God a normal

expected behavior And where might the natural implications of this theological framework lead us Thoughtfully wrestling with subjects like Old Testament genocide the crucifixion of Jesus eternal punishment in hell and the final judgment in Revelation Zanhed maintains that the summit of divine revelation for sinners is not God is wrath but God is love
