Matthew 24 First Century Fulfillment Or Endtime Expectation:

Matthew 24 Stanley W. Paher,1996 **Daniel in the Preterists' Den** Thomas A. Howe,2008-06-01 In recent years there has been rise in popularity and visibility of the debate about the last things Preterists and Futurists have published books articles and even movies promoting their respective views This debate has elevated the interest of the Christian public in eschatological issues Along with the increased interest in eschatology there has been a rise in popularity of the Preterist view which holds that most or all of the prophecies about Christ s coming have already been fulfilled that the second coming took place in 70 AD Most of the discussion from those who espouse the Preterist view however revolves around certain passages in the New Testament and their treatment of Old Testament passages is sporadic and selective The importance of the book of Daniel in these discussions cannot be overstated However most commentaries on Daniel from a Futurist perspective have not dealt with the Preterists interpretations of the key prophetic passages There simply is no detailed commentary on the book of Daniel that addresses the Preterist interpretations of this important book This book is a commentary on the entire book of Daniel from a Futurist perspective that specifically addresses the Preterist interpretations of the key prophetic passages This is not a book that selects passages out of the context of the book and attempts to explain their prophetic significance Rather this is a commentary on the entire book of Daniel that places these critical prophetic passages in their literary and historical context and then deals with the various interpretations of these passages as they fit into the context of the book as a whole *Back to the Future* Ralph E. Jr. Bass,Ralph Bass,2004-07 After embracing the theology of Dispensationalism for thirty three years doubts grew in the author s mind concerning the issues raised by eschatological questions While pastoring he avoided the subject But one day he was asked questions on prophecy that he simply could no longer answer with commitment or conviction It was time to find some real answers This book began as Sunday school lessons to provide those real answers Long after the Sunday school lessons ended the study and the writing continued Not satisfied with Sunday school answers Dr Bass wanted something definitive for his own benefit and the benefit of others This work is an effort to provide that substance that body of learning beyond the Sunday school class for those that demand more much more Feeling that much of what was out there on the subject was sorely wanting Dr Bass envisaged another work from the loyal opposition of the prevailing opinion something written from a deep conviction in the sufficiency and trustworthiness of Scripture yet something fare different from the usual offerings This book is the result of the author s quest **Signs of the End Time 21St Century Fulfilment of the Bible Prophecy Matthew 24** Pastor Amoah Da Costa,2017-08-09 God has revealed himself to his servant to write this great revelation about the signs of the End Times according to the biblical prophecy and its fulfilment in these last evil days of mass media as predicted by the Lord Jesus Christthere will be wars famine earthquakes and a false Messiah This book is the result of ten years of studying and meditation of the book of Matthew chapter 24 as directed by the Holy Spirit to make people aware of the End Times signs

and to awaken humanity about the End Times and get people ready for the coming of the Lord Jesus Christ Signs of the End Times as Predicted by Christ The destruction of the temple foretold Many shall come in my name saying I am Christ Rumours of wars Famines and pestilences Earthquakes in diverse places False prophets shall rise False prophets The Gospel must be preached as a witness Great tribulation The fulfilment of the biblical prophecy *40 Questions About the End Times* Eckhard J. Schnabel, 2012-01-12 This contribution to the 40 Questions series continues the tradition of excellent research presented in accessible language and clear writing Designed for both students and general readers this resource helps them make sense of one of the Bible's most difficult topics Eckhard Schnabel a professor at a leading seminary and the author of several major works looks at the future of the world the church and Israel the return of Jesus and the millennium and the final judgment He answers questions related to the rapture the 144 000 the identity of the two witnesses Armageddon how to interpret Revelation heaven and hell and so forth The result is an even handed treatment that avoids sensationalism and a newspaper headline approach to prophecy that is interpreting prophecy according to current events Rather Schnabel carefully studies the biblical text in light of its first century context and draws biblically based conclusions *The End Times Controversy* Tim F. LaHaye, Thomas Ice, 2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future End Time Rewind: An Exploration In Bible Prophecy And The Fate Of The World Steven Sabatino, Remember when End Time Rewind warned you not to fall for the Doomsday Rapture theories of Dispensational Premillennialism and their Zionist partners Well now that we've survived John Hagee's Four Blood Moons Jonathan Cahn's Super Shemitah and the menacing tentacles of the now defunct European Union and Islamic State the supposed Beast Kingdoms of Revelation 17 the Futurist's next false claim centers around the 70 year anniversary of Israel's founding Is the Jewish State really the prophetic clock by which God aligns world events and the return of Christ Many Doomsday Rapture forecasts have been put forth in the name of Futurism since the 2nd century AD none of which have come to fruition This is disconcerting because failed predictions and false expectations promoted by our Christian counterparts diminishes the credibility of the Bible and scars the reputation and integrity of the Prophetic Office of Jesus Christ The age old tried and true Orthodox aka Partial or Classical Preterist approach maintains that the majority of Bible prophecies were already fulfilled by the end of the first century AD and included Jesus appearing in an Old Testament styled non physical manifestation with power and great glory All that remains to be accomplished in the future is for Jesus Christ to physically return to raise the dead which is when the rapture also occurs preside over the final judgment and create a new heaven and earth devoid of sin and death where the new and holy Jerusalem from heaven descends as per Revelation 20 7 Revelation 22 5 COVENANT THEOLOGY: A Critical Analysis Of Current Pentecostal Covenant Theology , *Rose Guide to End-Times Prophecy* Timothy Paul Jones, David Gundersen, Benjamin Galan, 2021-08-03 Rose Guide to End Times Prophecy is an

prophecies charts and helps people understand their own beliefs better no matter which view they hold **Dictionary of Biblical Prophecy and End Times** J. Daniel Hays,J. Scott Duvall,C. The Book of Revelation G. K. Beale,2013-09-07 This commentary series is established on the presupposition that the theological character of the New Testament documents calls for exegesis that is sensitive to theological themes as well as to the details of the historical linguistic and textual context Such thorough exegetical work lies at the heart of these volumes which contain detailed verse by verse commentary preceded by general comments on each section and subsection of the text An important aim of the NIGTC authors is to interact with the wealth of significant New Testament research published in recent articles and monographs In this connection the authors make their own scholarly contributions to the ongoing study of the biblical text The text on which these commentaries are based is the UBS Greek New Testament edited by Kurt Aland and

others While engaging the major questions of text and interpretation at a scholarly level the authors keep in mind the needs of the beginning student of Greek as well as the pastor or layperson who may have studied the language at some time but does not now use it on a regular basis *Defending Our Faith* Bert E. Park, MD, 2016-06-08 Have you ever felt a bit like the troubled man who professed to Jesus Lord I believe Help me overcome my unbelief Do you want to dig deeper into your faith so as to become more sure of what you hope for and certain of what you cannot see Haven't you questioned whether there is any scientific support for the Genesis creation account or historical evidence to confirm the ministry crucifixion and yes post resurrection of a man named Jesus Will you not be challenged in the future by either a skeptical critic or genuine seeker to defend Christianity with facts and not simply faith If you answered yes to any of these questions then this handbook written in succinct outline form is just what you've been looking for *International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences*, 1999 **Mounce's Complete Expository Dictionary of Old and New Testament Words** William D.
