

MEMOIRS OF
SENATOR
JOSEPH CONNOLLY
A FOUNDER OF MODERN IRELAND

EDITED BY *J. Anthony Gaughan*

Memoirs Of Senator Joseph Connolly 1885 1961 A Founder Of Modern Ireland

Fergus Campbell, Tony Varley

Memoirs Of Senator Joseph Connolly 1885 1961 A Founder Of Modern Ireland:

Memoirs of Senator Joseph Connolly (1885-1961) Joseph Connolly, 1996 Joseph Connolly 1885 1961 was born in Belfast He began his working life at the age of fifteen and was a successful businessman in Belfast Dublin and the U S A An ardent nationalist in 1911 he co founded the first Freedom Club to spread the gospel of Sinn Fein he was a leader of the Irish Volunteers in Belfast in 1914 16 and was imprisoned after the Easter Rising He served on a commission of the First Dail and acted as consul general of the Irish Republic in the U S A in 1921 2 In 1923 Connolly played a major role in channelling the activities of antitreatyites into a new political organisation He was a member of the Seanad from 1928 to 1936 a director of the Irish Press in 1931 2 minister for posts and telegraphy in 1932 minister for lands and forestry from 1932 to 1936 controller of censorship from 1939 to 1941 and chairman of the Office of Public Works from 1936 to 1950

Memoirs of Senator Joseph Connolly (1885-1961) Joseph Connolly, 1996 Joseph Connolly 1885 1961 was born in Belfast He began his working life at the age of fifteen and was a successful businessman in Belfast Dublin and the U S A An ardent nationalist in 1911 he co founded the first Freedom Club to spread the gospel of Sinn Fein he was a leader of the Irish Volunteers in Belfast in 1914 16 and was imprisoned after the Easter Rising He served on a commission of the First Dail and acted as consul general of the Irish Republic in the U S A in 1921 2 In 1923 Connolly played a major role in channelling the activities of antitreatyites into a new political organisation He was a member of the Seanad from 1928 to 1936 a director of the Irish Press in 1931 2 minister for posts and telegraphy in 1932 minister for lands and forestry from 1932 to 1936 controller of censorship from 1939 to 1941 and chairman of the Office of Public Works from 1936 to 1950

The civil service and the revolution in Ireland 1912-1938 Martin Maguire, 2013-07-19 This book is a history of the Irish civil service and its response to revolutionary changes in the State It examines the response of the civil service to the threat of partition World War the emergence of the revolutionary forces of D il ireann and the IRA through to the Civil War and the Irish Free State Questioning the orthodox interpretation of evolution rather than revolution in the administration of the State it throws new light on civil service organization in British ruled Ireland the process whereby Northern Ireland came into existence the D il ireann administration in the War of Independence and civil service attitudes to the new Irish Free State Based on a wide range of new sources the book is of interest to undergraduate and postgraduate students of Irish Imperial and Commonwealth history and of post colonial governance and political studies as well as a reader with an interest in the role of the State in the process of decolonisation in the 20th century

Forgetful Remembrance Guy Beiner, 2018 Forgetful Remembrance offers a new approach to the study of memory by focusing on vernacular historiographies and the notion of forgetting Using the 1798 Irish Rebellion Beiner explores how communities try to obscure inconvenient and uncomfortable events from the past

The Transformation Of Ireland 1900-2000 Diarmaid Ferriter, 2010-07-09 A ground breaking history of the twentieth century in Ireland written on the most ambitious scale by a brilliant young historian It is significant that it

begins in 1900 and ends in 2000 most accounts have begun in 1912 or 1922 and largely ignored the end of the century Politics and political parties are examined in detail but high politics does not dominate the book which rather sets out to answer the question What was it like to grow up and live in 20th century Ireland It deals with the North in a comprehensive way focusing on the social and cultural aspects not just the obvious political and religious divisions *The Resurrection of Ireland* Michael Laffan,1999-12-02 Between 1916 and 1923 Ireland experienced a political as well as a military revolution This book examines how after the Easter Rising of 1916 radical revolutionaries formed a precarious coalition with relatively moderate politicians and offers a sustained analysis of the political organisation of Irish republicanism during a crucial period The new Sinn Féin party routed its enemies co operated uneasily with the underground Irish government which it had helped to create and achieved most of its objectives before disintegrating in 1922 Its rapid collapse should not distract from its achievements in particular its role in democratising the Irish revolution Its successors have dominated the political life of independent Ireland The book studies in detail the party's membership and ideology and also its often tense relationship with the Irish Republican Army A final chapter examines the fluctuating careers of the later Sinn Féin parties throughout the rest of the twentieth century *De Valera and Roosevelt* Bernadette Whelan,2020-12-10 How did Irish and American diplomacy operate in Washington DC and Dublin during the 1930s era of economic depression rising fascism and Nazism How did the Anglo American relationship affect American Irish diplomatic relations Why and how did Amon de Valera and Franklin D Roosevelt move their countries towards neutrality in 1939 This first comprehensive history of American and Irish diplomacy during the 1930s focuses on formal and informal diplomacy examining all aspects of diplomatic life to explain the relationship between the two administrations from 1932 to 1939 Bernadette Whelan reveals how diplomats worked on behalf of their governments to implement Franklin D Roosevelt and Amon de Valera's foreign policies particularly when Amon de Valera believed in the existence of a special transatlantic relationship but Franklin D Roosevelt increasingly favoured a strong relationship with Britain Drawing on a wide range of under used sources this is a major new contribution to the history of American and Irish diplomacy and revises our understanding of the importance of Ireland to a US administration Land questions in modern Ireland Fergus Campbell,Tony Varley,2016-05-16 This collection of essays explores the nature and dynamics of Ireland's land questions during the nineteenth and twentieth centuries and also the ways in which the Irish land question has been written about by historians The book makes a vital contribution to the study of historiography by including for the first time the reflections of a group of prominent historians on their earlier work These historians consider their influences and how their views have changed since the publication of their books so that these essays provide an ethnographic study of historians' thoughts on the shelf life of books exploring the way history is made The book will be of interest to historians of modern Ireland and those interested in the revisionist debate in Ireland as well as to sociologists and anthropologists studying Ireland or rural societies Destiny of the Soldiers - Fianna Fáil, Irish Republicanism and the IRA,

1926-1973 Donnacha Ó Beacháin, 2011-06-21 Incisive engaging and thought provoking *Destiny of the Soldiers* charts Fianna Fáil's political and ideological evolution from its revolutionary origins through extended periods in office. Fianna Fáil is Ireland's largest political party and one of the most successful parties in any democracy in the world. Until recent years it has been almost constantly in government since 1932. This fascinating volume argues that Fianna Fáil's goals foremost among them the reunification of the national territory as a republic became the means to bind its members together to gain votes and to legitimise its role in Irish society. But the official ideological goals concealed what became merely a basic desire to rule. The balance sheet consequently became one of votes won or lost rather than goals achieved or postponed. *Destiny of the Soldiers* assesses Fianna Fáil's changing attitudes towards its parent party Sinn Féin and the IRA and how these changes affected Fianna Fáil's policies towards Northern Ireland. Never forgetting its republican roots, Fianna Fáil has at times been both troubled and conflicted by them. This was especially the case in the late 1960s and early 1970s when the Northern Ireland Troubles posed a challenge for all rhetorical republicans. At that time Fianna Fáil found itself the governing party of a state whose legitimacy it had originally rejected; the consequent tensions nearly tore it apart. *Destiny of the Soldiers* is the first survey of the party's history which focuses on these unresolved tensions.

The destiny of the Soldiers

Harry Boland's Irish Revolution David Fitzpatrick, 2004 Along with his close comrades Michael Collins and Eamon de Valera Harry Boland 1887-1922 was probably the most influential Irish revolutionary between 1917 and 1922. His sway extended to almost every aspect of republican activity. Already prominent as a hurler before 1916 he was convicted and imprisoned after an energetic Easter Week. He subsequently became Honorary Secretary of Sinn Féin TD for South Roscommon in the First Dáil President of the Irish Republican Brotherhood's Supreme Council and a republican envoy in the United States between May 1919 and December 1921. He broke with Collins over the Treaty but became the chief intermediary between the factions. Early in the Civil War however he was killed by National Army officers in the Grand Hotel Skerries. Boland's influence was the product of charm gregariousness wit and ruthlessness. After his rebel father's early death Boland's mother raised him in a spirit of intransigent hostility to Britain. Yet he was also stylish cosmopolitan and humane. His celebrated contest with Collins for the love of Kitty Kiernan is perhaps the most intriguing of all Irish political romances. Attractive yet elusive his personality helped shape the Irish revolution. David Fitzpatrick's biography draws upon documents in Irish British and American archives including his American diaries and thousands of letters to and from Boland. Extensive use has been made of family papers and de Valera's vast archive on the Irish campaign in America. These and other recently released documents

illuminate the inner workings of Irish republicanism and the critical importance of brotherhood in the revolution As an old fashioned republican and advocate of physical force Boland is still venerated as a martyr by revolutionary republicans Yet in his conduct he practised the ambiguities associated with Sinn Fein in today s Northern Ireland Doctrine was subordinated to the twin quests for republican unity and political supremacy entailing reiterated compromise systematic duplicity and mastery of propagandist techniques If his outlook seems archaic his practice was astonishingly modern Harry Boland was a forerunner for Adams and McGuinness Publisher description

De Valera Volume 1 David McCullagh,2017-10-20 amon de Valera was the single most consequential Irish figure of the twentieth century He was a leader in the Easter Rising the figurehead of the anti Treaty rebels during the dark days of the Civil War and later as the founder of Fianna F il and president of Ireland the pivotal figure in the birth of the Republic In this the first volume of a magisterial new biography acclaimed historian and broadcaster David McCullagh charts De Valera s vertiginous rise from humble beginnings to electoral victory with Fianna F il in 1932 Riveting nuanced provocative and humorous it draws on a wealth of new and neglected sources to present a truly ground breaking portrait of de Valera the man his times and his complex ever shifting legacy David McCullagh combines the investigative skills of an experienced journalist with the detachment of an accomplished historian In this vividly readable and at times gripping biography he tackles head on all of the perennial de Valera controversies including his parentage his role in the 1916 Rising his relationship with Michael Collins his responsibility for the Civil War and his subsequent rise to power and does so with acuity and objectivity McCullagh s range and command of the source material is masterly a comprehensive mature biography both enlightening and entertaining

MAURICE MANNING *The Irish Civil War and Society* G. Foster,2015-02-18 The Irish Civil War and Society sheds new light on the social currents shaping the Irish Civil War from the politics of respectability behind animosities and discourses to the intersection of social conflicts with political violence to the social dimensions of the war s messy aftermath

Burning the Big House Terence Dooley,2022-04-19 The gripping story of the tumultuous destruction of the Irish country house spanning the revolutionary years of 1912 to 1923 During the Irish Revolution nearly three hundred country houses were burned to the ground These Big Houses were powerful symbols of conquest plantation and colonial oppression and were caught up in the struggle for independence and the conflict between the aristocracy and those demanding access to more land Stripped of their most important artifacts most of the houses were never rebuilt and ruins such as Summerhill stood like ghostly figures for generations to come Terence Dooley offers a unique perspective on the Irish Revolution exploring the struggles over land the impact of the Great War and why the country mansions of the landed class became such a symbolic target for republicans throughout the period Dooley details the shockingly sudden acts of occupation and destruction including soldiers using a Rembrandt as a dart board and evokes the exhilaration felt by the revolutionaries at seizing these grand houses and visibly overturning the established order

De Valera: Rule David McCullagh,2018-10-26 In this the

concluding volume of David McCullagh's monumental new life of the revolutionary and statesman we join De Valera in 1932 as he takes the reins of power in the first Fianna Fáil government and follow him as he confronts one challenge after another the Economic War the drafting of Bunreacht na hÉireann the Emergency the North the declaration of the Republic economic stagnation in the 1950s and sets about gradually remaking a sovereign Ireland in his own image Beautifully written and deeply researched McCullagh's De Valera is a provocative and nuanced portrait of Ireland's most enigmatic leader as well as a balanced assessment of his role in shaping our national self image *Defending Ireland* Eunan O'Halpin, 1999-07-22 This fascinating and original book is the first to analyse the evolution of internal security policy and external defence policy in Ireland from independence to the present day Professor O'Halpin examines the very limited concept of external defence understood by the first generation of Irish leaders going on to chart the state's repeated struggles with the IRA and with other perceived internal and external threats to stability He explores the state's defence and security relations with Britain and the United States and drawing extensively on newly released records he deals authoritatively with problems of subversion espionage counterintelligence and codebreaking during the Second World War In conclusion the book analyses significant post Second World War developments including anti communist co operation with Western powers the emergence of UN service as a key element of Irish foreign and defence policy the state's response to the Northern Ireland crisis since 1969 and Ireland's difficulties in addressing the collective security dilemmas facing the European Union in the post Cold War era It is essential reading for anyone wishing to understand the development of independent Ireland since 1922

Propaganda and Nation Building Kevin Hora, 2017-04-28 This book examines the origins of Ireland in its first independent incarnation the Irish Free State 1922-1937 It explores how contemporary public relations and propaganda techniques were used to construct an identity for this new state a state which after enduring seven years of insurrection and civil war became one of the most stable democracies in Europe This stability the book argues was constructed not solely through policies enacted by governments but through the construction of a Gaelic Catholic and Celtic national identity By shifting the perspective to how nation building was communicated it weaves an interdisciplinary narrative that initiates a new understanding of nation building providing insights of increasing relevance in current world events Avoiding a simplistic cause and effect history of public relations the book examines the uses and effects of early public relations from a political and societal perspective and suggests that while governments were only modestly successful in their varied propaganda efforts cumulatively they facilitated a transition from violence to peace This will be of interest to researchers and advanced students with an interest in public relations propaganda studies nation building and Irish studies **The West must wait** Una Newell, 2016-09-15 The West must wait presents a new perspective on the development of the Irish Free State It extends the regional historical debate beyond the Irish revolution and raises a series of challenging questions about post civil war society in Ireland Through a detailed examination of key local themes land poverty politics emigration the status of the Irish

language the influence of radical republicans and the authority of the Catholic Church it offers a probing analysis of the socio political realities of life in the new state This book opens up a new dimension by providing a rural contrast to the Dublin centred views of Irish politics Significantly it reveals the level of deprivation in local Free State society with which the government had to confront in the west Rigorously researched it explores the disconnect between the perceptions of what independence would deliver and what was achieved by the incumbent Cumann na nGaedheal administration **European Neutrals and Non-Belligerents During the Second World War** Neville Wylie, 2002 This collection provides a comprehensive English language survey of the conduct of neutral and non belligerent states during the war Instead of narrowly focusing on the few neutrals that survived the war intact the volume broadens our understanding of neutrality by including chapters on non belligerents and those neutrals of south east Europe such as Romania and Yugoslavia The essays focus on how individual neutral governments perceived international developments and throw light on the domestic political circumstances that critically affected their response to the course of the war They therefore provide the political context that has been overlooked in controversies surrounding their humanitarian and financial activities While based on the authors own research the essays draw widely on secondary literature and provide invaluable analytical introductions to the large amount of historical writing on these countries **The Green Space** Marion R. Casey, 2024-04-23 There is more to Irish than St Patrick s Day and Guinness The word Irish conjures an array of images each with a long history Who defined Irish In the twentieth century Ireland the United States and Irish America were all invested in representation Exerting or losing control of an ethnic image had ramifications on both sides of the Atlantic [James Larkin: Lion of the Fold](#) Donal Nevin, 2014-03-12 This book is a detailed compilation of writings and lectures about the life of James Larkin It reviews his influence in history and on various movements across the country and abroad James Larkin Lion of the Fold includes writing by James Larkin and is a timely reminder of the long road that the Irish people have travelled together The book considers much of the history of the early Irish Labour Movement and includes a vast range of opinion on James Larkin
