marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites Little Myth Marker Robert Asprin,1987 Jealous opponents of the young magician Skeeve and his demon mentor hire a top Character Assassin to force them out of business **Dragons Wild** Robert Asprin,2014 In this first novel in a brand new series a low stakes con artist and killer poker player Griffen Grifter McCandles learns the strange family secret that he and his sister are actually dragons Griffen heads to New Orleans to make a living the only way he knows how **Scribner's Monthly, an Illustrated Magazine for the People** ,1882 **Encyclopedia of Fantasy and Horror Fiction** Don D'Amassa,2015-04-22 Presents articles on the horror and fantasy genres of fiction including authors themes significant works and awards The Second Mything Omnibus Robert Asprin,1992-10 An omnibus edition of the 4th 5th and 6th in the Mything series comprising Hit or Myth Mything Persons and Little Myth Marker **Mything in Action** Don Lago,2006 There are times when nations are no longer sure of what they are and what their purpose is and for America 2004 was such a time For 200 years America was the hope and role model of the democratic world but now America is failing in this role The national myths the stories heroes self images and social values that have guided America from the beginning are now misleading and failing us Our heroic self image tricked us into disasters in Vietnam and Iraq Our frontier experience has left us refusing to face environmental limits Our individualistic values have left us unwilling to care about one another as a people Basic questions of national identity ran strong in the 2004 presidential campaign Mything in Action uses the campaign to explore America s guiding myths in action in the most iconic places in the American imagination Lexington and Concord on the 4th of July Hollywood Beverly Hills the Grand Canyon Las Vegas a Mark Twain riverboat town a Wild West town and John Wayne s hometown Mything in Action is a unique literary exploration of American history culture and politics offering a deeper analysis of America s difficulties than the usual partisan polemics **Dragons Luck** Robert Asprin,2009-04-07 The New York Times bestselling author scales new heights in his series of Big Easy dwelling dragons Griffen McCandles is adjusting well to running his gambling operation in the French Quarter of New Orleans and to his newfound status as head dragon Other dragons are getting a whiff of his

reputation though and they're not happy about it Which is why there's suddenly a hit out on him And just in time for Halloween the ghost of a voodoo queen wants Griffen to moderate a supernatural conclave And though the strange goings on will barely be noticed in a city used to drunken conventioners and wild revelers it's Griffen's chance to spread his wings or crash and burn

Robert Asprin's Dragons Run Jody Lynn Nye, 2014-11-25 In New York Times bestselling author Robert Asprin and Jody Lynn Nye's newest Big Easy dragon tale Griffen McCandles is about to give the forces of evil a run for their money Griffen already has his hands full running his gambling operation in New Orleans and dealing with his dragon heritage Now his pregnant sister Valerie is missing possibly kidnapped and his uncle Malcolm McCandles has flown into town for a mysterious meeting with a powerful man who's been dead for almost eight decades And Griffen certainly hasn't got the time to protect Representative Penny Dunbar a dragon who's running for governor of Louisiana if malign forces don't take her out first Griffen learned a long time ago to play the hand fate has dealt him but with many lives at stake including Val's unborn dragon he's hoping for an ace in the hole

manager The Imperial Dictionary and Encyclopedia of Knowledge Unabridged Charles Annandale, 1892 Masada Myth
Nachman Ben-Yehuda, 1996-01-01 In 73 A D legend has it 960 Jewish rebels under siege in the ancient desert fortress of Masada committed suicide rather than surrender to a Roman legion Recorded in only one historical source the story of Masada was obscure for centuries In The Masada Myth Israeli sociologist Nachman Ben Yehuda tracks the process by which Masada became an ideological symbol for the State of Israel the dramatic subject of movies and miniseries a shrine venerated by generations of Zionists and Israeli soldiers and the most profitable tourist attraction in modern Israel Ben Yehuda describes how after nearly 1800 years the long complex and unsubstantiated narrative of Josephus Flavius was edited and augmented in the twentieth century to form a simple and powerful myth of heroism He looks at the ways this new mythical narrative of Masada was created promoted and maintained by pre state Jewish underground organizations the Israeli army archaeological teams mass media youth movements textbooks the tourist industry and the arts He discusses the various organizations and movements that created the Masada experience usually a ritual trek through the Judean desert followed by a climb to the fortress and a dramatic reading of the Masada story and how it changed over decades from a Zionist pilgrimage to a tourist destination Placing the story in a larger historical sociological and psychological context Ben Yehuda draws upon theories of collective memory and mythmaking to analyze Masada s crucial role in the nation building process of modern Israel and the formation of a new Jewish identity An expert on deviance and social control Ben Yehuda looks in particular at how and why a military failure and an enigmatic troubling case of mass suicide in conflict with Judaism s teachings were reconstructed and fabricated as a heroic tale
