## **Nations Against The State:**

Nations Against the State Michael Keating, 2001-01-01 Quebec Catalonia and Scotland are three stateless nations looking for a future in a world beyond the nation state This book argues that national identity may be a vital source of social cohesion in a world dominated by markets and global forces but that this does not necessarily entail sovereign statehood in the traditional sense Some people feel these three nations are harbingers of a new post sovereigntist nationhood      **Nations against the State** M. Keating, 1996-02-07 This is a comparative study of nationalism and nation building in Quebec Catalonia and Scotland All are historic nations within larger states Nationalism is presented as a mechanism for dealing with the place of the territorial society in the new order It is no longer concerned with the creation of a traditional nation state but with maximizing autonomy in a world where the nation state has lost its old powers and status      **Nations Against the State** Michael Keating, 1996      **Nation Against Nation** Thomas M.
