colleagues in projects introduce them to collaborators and promote them and their work Greg was a genuinely caring person When he asked you how are you doing he honestly wanted to know He was always there ready to listen and provide guidance If you were to ask Greg what was most important to him in life he would say God family and marine life and one could argue that he had a special fondness for manatees He believed in the beauty of nature and that God had a hand in all of it He was in pursuit of ensuring that we all share this earth responsibly and sustainably We miss Greg dearly but honor and celebrate him as we carry on in our pursuits
