We live in a complex world filled with materialism and ego-driven needs disconnected from our source. Time is speeding up as we rush about frantically stuck in a race. We are enslaved by our conditioned minds, victims to a limited subjective perception of life. We've drifted away from harmonious coexistence with nature, spirit and one another and are plagued by imbalance, unhappiness and disease. But our souls are ever present, calling us home, and it is through encountering illness, loss and adversity that we can transform and find our way to hope, love and peace. Klara was one such being, empty and exhausted, running on autopilot and entirely missing the present moment. She has lived through trauma and chronic stress and became absorbed by illness, struggling with fibromyalgia and irritable bowel syndrome. But the more the darkness set in, the stronger her desire for freedom became, bringing to light the secrets of healing. Come discover a passionate journey to self-discovery and healing. Reconnect with faith, love, self-compassion and most of all, your soul. Come see that freedom and joy is possible. Become inspired to begin an authentic path of healing of your own and reclaim your passion for life.
