Patterns In American History Volume II:

Law in American History, Volume II G. Edward White, 2016-02-15 G Edward White presents Law in American History a two volume comprehensive narrative history of American law from the colonial period to the present In this second volume White explores the key turning points in roughly the second half of the American legal system from Reconstruction to the booming yet xenophobic 1920s Thought provoking and artfully written Law in American History Vol II is an essential text for both students of law and general readers alike Patterns in American History, 1965 **Interpretations of American History's Patterns and Perspectives Volume 2: Since 1865** Gerald N. Grob, 1972 **Race, Nation, & Empire in American History (Volume 1 of 2) (EasyRead Comfort Edition)**, *American History, Volume 2* Thomas S. Kidd, 2019-04-01 American History volume 2 gives a wide overview of America s history from the end of the Civil War era to the political and cultural struggles of contemporary times Thomas S Kidd employs lessons learned from his own scholarly expertise and history classes to weave together a compelling narrative of the defeats and triumphs that have defined the American national experience Unlike many textbooks of modern American history religion and faith remain central aspects of the book s coverage through present day America It gives detailed treatment of episodes such as America s military conflicts the Civil Rights movement and the culture wars of the past half century Professor Kidd also considers the development of America s obsession with entertainment from the rise of the first movies to the social media age American History volume 2 will help students wrestle with the political and cultural changes that have dramatically transformed contemporary American life *The Oxford Handbook of American Economic History Volume 2* Edited by Louis P. Cain, Edited by Price V. Fishback, Edited by Paul W. Rhode, 2018-06-15 The Oxford Handbook of American Economic History affords access to the latest research on the crucial events themes and legacies of America s economic history from colonial America to the Civil War up to present day Patterns of Empire Julian Go, 2011-09-30 Patterns of Empire comprehensively examines the two most powerful empires in modern history the United States and Britain Challenging the popular theory that the American empire is unique Patterns of Empire shows how the policies practices forms and historical dynamics of the American empire repeat those of the British leading up to the present climate of economic decline treacherous intervention in the Middle East and overextended imperial confidence A critical exercise in revisionist history and comparative social science this book also offers a challenging theory of empire that recognizes the agency of non Western peoples the impact of global fields and the limits of imperial power **Essential Documents of American History, Volume II** Bob Blaisdell, 2016-04-21 This compact volume offers a broad selection of the most important documents in American history Brief introductions to each document place the works in historical context **Race, Nation, & Empire in American History (Volume 1 of 2) (EasyRead Super Large 20pt Edition)**, **Patterns in American History** Alexander DeConde, Armin Rappaport, William R..
