Paul And The Lords Supper A Socio Historical Investigation:

Paul and the Lord's Supper Panayotis Coutsoumpos, 2005 Most of Paul's letters especially First Corinthians were written in the context of conflict with troublemaking opponents and the social dilemma at the Lord's Supper in Corinth First Corinthians provides a unique glimpse into the social custom of the Christian congregation in a Greco Roman environment during the early years of the Christian Church Much effort has gone into reconstructing what happened at the Lord's Supper and the social issues that were involved More recently attention has focused on the Corinthian congregation itself and how Paul solved the issue of idol food and dining in a pagan temple

Exclusion and Judgment in Fellowship Meals Jamir Lanuwabang, 2017-03-31 In *Exclusion and Judgment in Fellowship Meals* Jamir seeks to demonstrate that the tradition of fellowship meals in the ancient world form the background against which the Lord's Supper must be understood Similarly the basis of Paul's response to the situation in Corinth and his theology of the Lord's Supper is to be found in these traditions The role of the fellowship meal in Greco Roman and Jewish culture indicate that it was an important institution that played a pivotal role in the functioning of society Judgment was an integral part of the fellowship meal traditions and it made such meal practices all the more significant in ancient cultures For example Jamir reveals that social economic factors were only part of the problem in Corinth where differences in ideology were the underlying cause of divisions in the church Paul's response to the problem shows that he upheld the fellowship meal traditions linking sickness and death with the abuse of the Lord's Supper The concept of judgment in the Lord's Supper while based on the fellowship meal traditions has been redefined in the light of the Gospel tradition

Paul and Mark Oda Wischmeyer, David C. Sim, Ian J. Elmer, 2014-08-20 The hypothesis that the Gospel of Mark was heavily influenced by Pauline theology and or epistles was widespread in the nineteenth century but fell out of favour for much of the twentieth century In the last twenty years or so however this view has begun to attract renewed support especially in English language scholarship This major and important collection of essays by an international team of scholars seeks to move the discussion forward in a number of significant ways tracing the history of the hypothesis from the nineteenth century to the modern day searching for historical connections between these two early Christians analysing and comparing the theology and christology of the Pauline epistles and the Gospel of Mark and assessing their reception in later Christian texts This major volume will be welcomed by those who are interested in the possible influence of the apostle to the Gentiles on the earliest Gospel

Conversational Theology George Hunsinger, 2014-11-20 The essays in this wide ranging collection fall into three main sections Ecumenical Theology Postliberal Theology and Political Theology The first section deals with Torrance and Barth on the Sacraments Hunsinger includes here an examination of Torrance's views of baptism and the eucharist as well as Karl Barth's voice on the Lord's Supper He also develops a post Barthian appreciation of Jews and Judaism In the second section Hunsinger discusses such figures as Hans W Frei Ernst Troeltsch and H R Niebuhr in terms of their contribution to Postliberal Theology The final

section offers a discussion of Political Theology as part of which Hunsinger presents an in depth analysis regarding the political views of Karl Barth as well as Barth's understanding of human rights The book ends with a meditation on André Trocmé and how goodness happened at Le Chambon

The Lord's Supper in Corinth in the Context of Greco-Roman Private Associations Jin Hwan Lee, 2018-11-02 In this socio historical study Jin Hwan Lee offers fresh insights on social aspects of communal banqueting practice in early Christ groups particularly in Corinth With an emphasis on banqueting practice in Greco Roman private associations he attempts to understand social conflicts at communal gatherings of the Christ group in Corinth His research on the social dynamics of banquet meetings in associations is thorough fresh and even striking readers will be amply rewarded by new ideas to this field Making use of a wide range of ancient literature and epigraphical and papyrological sources from associations Lee helps recover the real issues that the Christ group members encountered at their communal meal described in 1 Cor 11 17-34 boldly claiming that current scholarly approaches to these issues at the Corinthian Christ group communal meal are anachronistic Lee provides a new paradigm for thinking about early Christ movement meals and by and large early Christ movements in the first and second centuries A D

Sacra Pagina: First Corinthians Raymond F. Collins, 2016-03-18 2000 Catholic Press Association Award Winner One of the most exciting of Paul's letters 1 Corinthians offers a vantage point from which modern readers can reflect on diverseness in Christian Churches today In First Corinthians Raymond Collins explores that vantage point as well as the challenge Paul posed to the people of his time and continues to pose in ours to allow the gospel message to engage them in their daily lives Paul introduces us to a flesh and blood community whose humanness was all too apparent Sex death and money were among the issues they had to face Social conflicts and tension within their Christian community were part of their daily lives Paul uses all of his diplomacy rhetorical skill and authority to exhort the Corinthian community to be as one in Christ In examining Paul's message and method Collins approaches 1 Corinthians as a Hellenistic letter written to people dealing with real issues in the Hellenistic world He cites existing Hellenistic letters to show that Paul was truly a letter writer of his own times Collins makes frequent references to the writings of the philosophic moralists to help clarify the way in which Paul spoke to his beloved Corinthians He also comments on some aspects of the social circumstances in which the Christians of Corinth actually lived

Do this in Remembrance of Me Bryan D. Spinks, 2014-02-10 Bryan Spinks is one of the world's leading scholars in the field of liturgy and to have a comprehensive work by him on the Eucharist is a major catch for SCM Like the author's previous work on Baptism this will become a standard work about the Eucharist and Eucharistic theology worldwide The book a study of the history and theology of the Eucharist is the fifth volume in the SCM Studies in Worship and Liturgy series and will help to establish the series as a place for landmark books of liturgical scholarship

Dining with John Esther Kobel, 2011-11-11 This book explores the accounts of communal meals and the metaphorical use of food and drink language in the narrative world of the Gospel of John It argues that the Johannine community regularly gathered for communal meals in which the food

and drink on the menu would have taken on a spiritual significance far exceeding the physical sustenance The study employs a socio rhetorical methodology and consequently moves from text to context It tentatively describes the texts influence on the formation of early Christian identity and suggests that the Johannine meal accounts provide a way to imagine the demographic composition of the community and its historical context **The Christian Ordinances** Christian Henry

Forney,1883 **A Scriptural Theology of Eucharistic Blessings** Susan I. Bubbers,2013-09-12 This study examines the scriptural justification for believers to expect the Eucharist to be a place where God will come and bless them with freedom and formation Bubbers focus is not on liturgy but rather on the biblical message of the benefits of participation in the Eucharist Why keep this Feast Why is Eucharist important Bubbers interpretive approach is a synthesis of historical literary aspects of Biblical Theology and canonical creedal aspects of the Theological Reading of Scripture taking into account the biblical historical place of Eucharist as well as its ongoing presence within the Church Bubbers begins by displaying the Last Supper as a Passover meal which bridges between Old Testament motifs and the New Testament Feast She then shows that the Exodus context reveals a paradigm which links blessing with remembrance and suggests that the remembrance motif describes these blessings Finally Bubbers gathers a catalogue of specific blessings summarized by freedom and formation Her conclusion is that the Feast is a divinely designed paradigm for worship which is accompanied by a promise of transformational encounters
