**Layman's Daily Devotional** Curt Donahue, 2017-02-27 A Layman s Daily Devotional was written by a layman for laypeople of all ages It is mostly devoid of theological terms so it is easier for the average person to understand There are applicable illustrations to help people comprehend the message from Scripture and its application to the message of the day There is a devotion for every day of the year and several devotions for specific days in the Christian calendar as well as for days on which we honor both mothers and fathers The reader will likely gain a closer relationship with their Lord and Savior Jesus Christ through daily use and may also develop a closer relationship with family members when used as a family devotion The changing and challenging circumstances in our world today require closer relationships with both God and family A Layman s Daily Devotional lends itself to development of both relationships With few exceptions each devotion is a stand alone devotion This book would make a meaningful gift to a young person venturing out on their own who could develop the habit early of spending time each day with God which is always a good way to start every day A Layman s Daily Devotional is written such that it can be used year after year throughout one s life      **Encyclopedia of Urban Legends** Jan Harold
