Peter and Paul in Acts: A Comparison of Their Ministries David Spell, 2006-08-01 Acts is arguably the most exciting book in the New Testament It covers the tumultuous early years of Christianity and narrates the growth of the church throughout the Roman Empire Luke tells this story by focusing primarily on two men Peter and Paul This book examines their apostolic ministries as they are revealed within the pages of The Acts of the Apostles Their apostolic ministries are examined in the context of several different components Leadership Evangelism and Church Planting Miracle Working and Healing and Mystical or Supernatural Experiences These categories are shown to detail particular aspects of each man s apostleship work These categories provide a convenient way to compare and contrast the type of ministry that each apostle performed as

described by Luke Spell also devotes a chapter each to Luke's literary method and the relationship of Peter and Paul as seen in their letters. These two chapters lay important groundwork for examining the apostles. This book will provide the reader with valuable insights from Scripture that they can apply to their own lives and ministry. By looking at how Peter and Paul conducted their ministries in the first century, we can be more effective in the twenty-first. Getting at Jesus Peter S. Williams, 2019-01-29. Portraying themselves as challenging blind religious dogma with evidence-led skepticism, the neo-atheist movement claims that the New Testament contains unreliable tales about a mythical figure who, far from being the resurrected Lord of life, may not even have lived. This comprehensive critique documents the falsehood of these neo-atheist claims, correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus.

In Search of God Dr. Mohamed Gad, 2018-06-29. Only God knows. We may ponder and choose our own path to receiving His Word, but we must realize ours is a human path. We cannot let blind faith, tradition, and ritual cloud our judgment and determine our perception of the world. The potent mix of fanaticism, whether tied to a nation or a religion, ignorance, and emotion has driven wedges among the peoples of the earth, wedges that need not exist at all. *In Search of God: God, Religious Scriptures, and Proof of Divine Revelation* presents the result of the author's thirty-year study of Christian, Islamic, and Judaic scripture, revealing the unifying truths of divinity, belief, and faith. The Scepter shall not depart from Judah until Shiloh comes. Genesis 49:10 suggests that the prophet coming after Jesus is not from the lineage of Judah. Jesus is the last prophet from the lineage of Judah. Matthew 1:3 and Luke 3:33. Is the Scepter departing from Judah a fulfillment of a prophecy that Ishmael is promised a great nation? Genesis 17:20. Interestingly, Ishmael means "God hears." Is Ishmael's descendant the prophet Muhammad, the same person as Shiloh? Could the coming of prophet Muhammad be tied in to the burden upon Arabia? Isaiah 21:13. This book explores these ideas and much more. *In Search of God* challenges readers of all faiths and backgrounds as it examines proof for the existence of God, creation and evolution, prophecy, the identity of Jesus, the concept of the Holy Trinity, and the commonalities and spirit of revelation of the world's three major religions. The author's personal journey and critical spiritual investigation personify the human desire to understand God's intention for us. Yes, only God knows, but armed with truth and tolerance, we now have a chance to create a brighter future for our children and ourselves, a future in which we seek God, trust in Him, and are at peace. The author has spent over thirty years investigating religious scriptures for irrefutable evidence in support of Divine Revelation.

Intergroup Conflict, Recategorization, and Identity

Construction in Acts Hyun Ho Park, 2023-12-28. Hyun Ho Park employs social identity to create the first thorough analysis via such methodology of Acts 21:17-23:35, which contains one of the fiercest intergroup conflicts in Acts. Park's assessment allows his readers to rethink, reevaluate, and reimagine Jewish-Christian relations, teaches them how to respond to the vicious cycle of slander, labeling, and violence permeating contemporary public and private spheres, and presents a new hermeneutical cycle and describes how readers may apply it to their own sociopolitical contexts. After surveying previous

studies of the text Park first analyses Paul s welcome questioning and arrest and how slandering and labeling make Paul an outsider Park then describes how through defending his Jewish identity and the Way Paul nuances his public image and re categorizes himself and the Way as part of the people of God When Paul identifies himself as a Roman and later a Pharisee Park examines Luke s ambivalent attitude toward Rome and the Pharisees and assesses how Paul escapes dangerous situations by claiming different social identities at different times Finally he discloses the vicious cycle of slander labeling and violence not only against the Way but also against the Jews and challenges the discursive process of identity construction through intergroup conflict with an out group especially the proximate Other Furthermore he demonstrates how the relevance of such scholarship is not limited to Lukan studies or even biblical studies in general the frequent use of slander labeling and violence in the politics of the United States and other polarized countries around the globe demands new ways of looking at intergroup relations and Park s argument meets the needs of those seeking a new perspective on contemporary political discord
