From the text It is apparent that driving as a form of occupational choice is a popular form of employment for British serial murderers In an effort to determine why this may be the case studies of eight British serial murderers in the book demonstrate just how such an occupation can impact upon these offenders criminal behaviour These findings may prove to be of benefit to scholars of serial murder and to those who attempt to apprehend them The Persecution of the Jews in the Netherlands, 1940-1945 Peter Romijn,2025-10-01 These five articles first presented at the conference The Holocaust and other Genocides The Uses Misuses and Abuses of the Holocaust Paradigm in 2011 reflect the current Dutch research on the persecution of the Jews in the Netherlands during the Second World War and recent developments in the historiography concerning this topic To a certain extent the work being done in the Netherlands has reflected the international historiography in that it addresses the political and public responses to National Socialism and occupation the nature of the persecution and the regime in the concentration camps The perspectives of the general population of the victims and of the perpetrators are all examined but above all those of bystanders In this selection of the most recent research there is a particular emphasis on the nature of the persecution and the general public s reaction to it *Book Review Digest* Leslie Dunmore-Leiber,1976 **Come, Thou Tortoise** Jessica Grant,2010-03-09 A delightfully offbeat story that features an opinionated tortoise and her owner who find themselves in the middle of a life changing mystery Audrey a k a Oddly Flowers is living quietly in Oregon with Winnifred her tortoise when she finds out her dear father has been knocked into a coma back in Newfoundland Despite her fear of flying she goes to him but not before she reluctantly dumps Winnifred with her unreliable friends Poor Winnifred When Audrey disarms an Air Marshal en route to St John s we begin to realize there s something well odd about her And we soon know that Audrey s quest to discover who her father really was and reunite with Winnifred will be an adventure like no other Excerpt Winnifred is old She might be three hundred She came with the apartment The previous tenant a rock climber named Cliff was embarking on a rock climbing adventure that would not have been much fun for Winnifred Back then her name was Iris Cliff had inherited Iris from the previous tenant Nobody knew how old Iris was or where she had come from originally Now Cliff was moving out He said Would you like a tortoise I would not say no to a tortoise I said I was alone in Portland and the trees were giant I picked her up and she blinked at me with her upside down eyelids I felt instantly calm Her eyes were soft brown Her skin felt like an old elbow I will build you a castle I whispered With a pool And I was true to my word Face to Face with Evil Miss Kim Cowley obo Dr Chris Cowley,2011-01-04 ON 15 MAY 2017 IAN BRADY DIED IN HOSPITAL ENTIRELY UNREPENTANT OF HIS EVIL CRIMES WITH HIM ALMOST CERTAINLY DIED THE SECRET OF WHERE THE BODY OF TWELVE YEAR OLD KEITH BENNETT THE LAST OF HIS AND MYRA HINDLEY S YOUNG VICTIMS LIES Ian Brady was one of the most notorious and reviled serial killers in Britain With his co conspirator Myra Hindley he committed what became known as the Moors Murders in which five children were abducted assaulted and murdered Dr Chris Cowley has a PhD in Cognitive Psychology and lectures in Forensic

Criminology He is in the unique position of having had exclusive access to Brady and for six years conducted groundbreaking research by corresponding with Brady and visiting him in prison By gaining his trust Cowley was able to take an unrivalled look inside the mind of a serial killer This in depth and revealing book reproduces letters and transcripts of conversations with Brady which until the first edition came out had never been published before Using this fresh perspective and original material Dr Cowley sheds new light on what went wrong in Brady s formative years to set him on a path of crime and how Hindley became the lethal factor that started Brady s murder cycle It also reveals Brady s unflinching account of being caught and convicted of serial murder and his thoughts and emotions concerning Hindley recorded as he moved into his second decade on hunger strike This important study provides information that is essential to our understanding of the psychology of serial killers By broadening our knowledge of these complex issues we can increase the likelihood of catching murderers and perhaps even prevent their terrible crimes from taking place
