Preposition Practice:

Prepositions Jean Yates, 2020-11-03 Barron's ESL Proficiency Series Prepositions provides comprehensive coverage of this most difficult topic in English grammar. The idiosyncratic nature of prepositions often makes them a barrier to achieving English language proficiency. Jean Yates offers clear explanations with lots of examples and opportunities to practice. Content is organized into simple 15 minute units each of which has its own practice exercises. An answer key is included in the back of the book. The ESL Proficiency Series is a valuable tool for ESL teachers, tutors, and learners who want to advance their English language skills for work, school, or to prepare for proficiency tests such as TOEFL, IELTS, or TOEIC. It is ideal for independent study.

This new edition features a new review chapter that allows learners to pull together the grammar skills they've acquired. About the Book: This new edition in the successful Practice Makes Perfect series, *Practice Makes Perfect Italian Pronouns and Prepositions* offers a detailed examination of these two essential aspects of grammar which language learners need to master to communicate with confidence. Learners of a foreign language often have difficulty with these areas because the usage of pronouns or prepositions rarely translates directly from English to the new language. Thus, language learners need much more practice in the areas of pronoun and preposition usage than is provided in general grammar books. This book provides clear explanations of the usage of pronouns and prepositions followed by practical examples illustrating and clarifying each point. Extensive and varied exercises provide ample opportunity to practice. Answers to all questions are provided at the back of the book, providing immediate feedback. The new edition features a brand new review chapter that allows learners to pull together the grammar skills they've acquired throughout the book. Key Selling
