David Jenemann

Reach Baseball Guide 1884:

Reach Baseball Guide 1884 ,1989-01-01 *The reach* ,1912 Early Professional Baseball and the Sporting Press R. Terry Furst,2014-04-02 The book analyzes the process by which the collective image of professional baseball was formed It traces both the negation and the affirmation of ideas in the sports press that would impede or promote the growth of baseball from a recreational pastime to a team sport spectacle in the mid 19th century The American collective image grew as a result of sports reportage conversations about baseball in social and work groupings game attendance and changing values toward work and play and reports of gambling Newspaper editorials and news stories and letters to the editor are studied as to shifting and complex and inter related sentiments toward playing baseball Much of this interactive complex was influenced by the English sports ideal and newly formed attitudes toward recreation Above all the sports press was the primary shaper of the image of professional baseball **Heritage Sports Auction Signature Catalog #705** Ivy Press,2006-09 *The Baseball Glove* David Jenemann,2018-06-12 The baseball glove is a ubiquitous item a crucial piece of equipment in the game of baseball and it offers the opportunity to examine the production of material culture and social practice at numerous levels Where and how is a glove made and how does its manufacture square with the narratives surrounding its place in American cultural life What are the myths superstitions and beliefs surrounding its acquisition care use and significance How does a glove function as the center of a web of cultural practices that illustrate how individuals relate to a consumer good as a symbol of memory personal narrative and national identity How do the manufacturers of baseball gloves draw upon promote and in some sense create these practices How do these practices and meanings change in other national and cultural contexts The Baseball Glove offers students the opportunity to examine these questions in an engagingly written and illustrated book that promotes hands on interaction with a quintessential item of material culture At the same time the book gives students the space for critical self reflection about the place of material goods like sporting equipment in their lives and it provides the chance to learn different methodological approaches to studying everyday objects **The Publishers Weekly** ,1924 **Labor and Capital in 19th Century Baseball** Robert P. Gelzheiser,2024-03-15 In the late 19th century baseball players broke from the established leagues and organized their own Players League They believed that this rival organization would make wages subject to market conditions and give players more mastery over their careers and industry Although the league lasted only one year it was a significant attempt by skilled workers to break from an established monopoly gain more control over all aspects of their industry and reap a larger portion of the revenues that they created This work explores the early history of professional baseball in the United States the factors that contributed to the player rebellion of 1890 and the rebellion s impact on the player owner relationship in the decade that followed Appendices include a roster of the 1869 Cincinnati Red Stockings players positions and salaries the First Reserve Agreement Section 18 of the Standard Player s Contract and commentary and legal documents pertaining to the Reserve Rule **The Great**

Encyclopedia of Nineteenth-Century Major League Baseball David Nemec, 2006-06-04 The authoritative compendium of facts statistics photographs and analysis that defines baseball in its formative first decades This comprehensive reference work covers the early years of major league baseball from the first game May 4 1871 a 2 0 victory for the Fort Wayne Kekiongas over the visiting Cleveland Forest City team through the 1900 season Baseball historian David Nemec presents complete team rosters and detailed player manager and umpire information with a wealth of statistics to warm a fan's heart Sidebars cover a variety of topics from oddities the team that had the best record but finished second to analyses of why Cleveland didn't win any pennants in the 1890s Additional benefits include dozens of rare illustrations and narrative accounts of each year's pennant race Nemec also carefully charts the rule changes from year to year as the game developed by fits and starts to formulate the modern rules The result is an essential work of reference and at the same time a treasury of baseball history This new edition adds much material unearthed since the first edition fills gaps and corrects errors while presenting a number of new stories and fascinating details David Nemec began the lifetime labor that helped produce this work in 1954 and admits it may never end as there always will be some obscure player whose birth date has not yet been found Until perfection is achieved this work offers state of the art accuracy and detail beyond that supplied by even modern baseball encyclopedias As Casey Stengel who was born during this era was wont to say you could look it up Now you can *The Rank and File of 19th Century Major League Baseball* David Nemec, 2012-04-19 With this volume David Nemec completes his remarkable trilogy of 19th century baseball biographies covering every major league player manager umpire owner and league official It provides in depth information on many figures unknown to most historians Each detailed entry includes vital statistics peer driven analysis of baseball related skills and an overview of the individual's role in the game Also chronicled are players first and last major league games most important achievements movements from team to team and much more By bringing attention to these overlooked baseball personalities this reference work immeasurably enriches our knowledge of 19th century major league baseball

The Sporting World of the Modern South Patrick B. Miller, 2002 Engaging a medley of perspectives and methodologies *The Sporting World of the Modern South* examines how sports map the social political and cultural landscapes of the modern South In essays on the backcountry fighter stereotypes portrayed in modern professional wrestling and the significance of Crimson Tide coaching legend Paul Bear Bryant for white Alabamians contributors explore the symbols that have shaped southern regional identities since the Civil War Other essays tackle gender and race relations in intercollegiate athletics uncover the roles athletic competitions played in desegregating the South and address the popularity of NASCAR in the southern states Pairing the action and anecdotes of good sports writing with rock solid scholarship *The Sporting World of the Modern South* adds historical and anthropological perspectives to legends and lore from the gridiron to the racetrack This collection with its innovative attention to the interplay between athletics and regional identity is an insightful and compelling contribution to southern and sports history

Subject Guide

to Books in Print ,1975 **The Forgotten History of African American Baseball** Lawrence D. Hogan,2014-01-27 This text gives readers the chance to experience the unique character and personalities of the African American game of baseball in the United States starting from the time of slavery through the Negro Leagues and integration period and beyond For 100 years African Americans were barred from playing in the premier baseball leagues of the United States where only Caucasians were allowed Talented black athletes until the 1950s were largely limited to only playing in Negro leagues or possibly playing against white teams in exhibition post season play or barnstorming contests if it was deemed profitable for the white hosts Even so the people and events of Jim Crow baseball had incredible beauty richness and quality of play and character The deep significance of Negro baseball leagues in establishing the texture of American history is an experience that cannot be allowed to slip away and be forgotten This book takes readers from the origins of African Americans playing the American game of baseball on southern plantations in the pre Civil War era through Black baseball and America s long era of Jim Crow segregation to the significance of Black baseball within our modern day post Civil Rights Movement perspective

Major League Baseball Profiles, 1871-1900, Volume 2 David Nemec,2011-09-01 The business of baseball and player transactions by David Ball t p **Baseball's Wildest Season** William J. Ryczek,2023-03-10 At the end of the 1883 baseball season things looked rosy attendance had skyrocketed and the National League and American Association were at peace A year later however the sport was in total disarray A third major league the Union Association had come on the scene and waged a bitter war that rocked the baseball world By the dawn of the 1885 season the UA had dissolved in a sea of red ink the AA had dropped four teams and the minor leagues were desperately hoping to make it through the season Amid the chaos of 1884 were some historic moments Iron man pitcher Hoss Radbourn won 59 games and led the Providence Grays to victory over the New York Metropolitans in the first World Series Fleet Walker broke baseball s first color line There were a record eight no hitters and a cast of fascinating figures some famous some lost to history like Radbourn Hustling Horace Phillips Dan O Leary and Edward The Only Nolan This book tells the story of the momentous yet overshadowed 1884 season

Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries,1979 **The New Bill James Historical Baseball Abstract** Bill James,2010-05-11 When Bill James published his original Historical Baseball Abstract in 1985 he produced an immediate classic hailed by the Chicago Tribune as the holy book of baseball Now baseball s beloved Sultan of Stats The Boston Globe is back with a fully revised and updated edition for the new millennium Like the original The New Bill James Historical Baseball Abstract is really several books in one The Game provides a century s worth of American baseball history told one decade at a time with energetic facts and figures about How Where and by Whom the game was played In The Players you ll find listings of the top 100 players at each position in the major leagues along with James s signature stats based ratings method called Win Shares a way of quantifying individual performance and calculating the offensive and defensive contributions of catchers pitchers

infielders and outfielders And there s more the Reference section covers Win Shares for each season and each player and even offers a Win Share team comparison A must have for baseball fans and historians alike The New Bill James Historical Baseball Abstract is as essential entertaining and enlightening as the sport itself **A Game of Inches** Peter Morris,2006-03-23 As befits a game traditionally passed from one generation to the next baseball has always had a special reverence for origins Claims of being first with any element of the game are disputed with fervor and passion When the octogenarian Fred Goldsmith died in 1939 a headline proclaimed Goldsmith Dies Insisting He Invented Curve Ball Fred Goldsmith understood the secret of immortality Yet while countless thousands of words have been spilled on the subject of baseball firsts there has been no definitive source for the settlement of disputes Peter Morris s endlessly fascinating A Game of Inches has now arrived to fill the void Impeccably researched and engagingly written this treasure trove will surprise delight and educate even the most knowledgeable fan by dispelling cherished myths and revealing the source of many of baseball s features that we now take for granted The scope of A Game of Inches is encyclopedic with nearly a thousand entries that illuminate the origins of items ranging from catchers masks to hook slides to intentional walks to cork center baseballs But this is much more than just a reference guide Award winning author Peter Morris explains the context that led each new item to emerge when it did and chronicles the often surprising responses to these innovations Of few books can it genuinely be said that once you start reading it s hard to put it down but A Game of Inches is one of them It belongs in the pantheon of great baseball books and will give any reader a deeper appreciation of why baseball matters so much to Americans A companion volume A Game of Inches The Game Behind the Scenes was published in the fall of 2006 **Major League Baseball Profiles, 1871-1900, Volume 1** David Nemec,2011-09-01 The business of baseball and player transactions by David Ball t p **The Culture and Ethnicity of Nineteenth Century Baseball** Jerrold I. Casway,2017-05-29 Evolving in an urban landscape professional baseball attracted a dedicated fan base among the inhabitants of major cities including ethnic and racial minorities for whom the game was a vehicle for assimilation But to what extent were these groups welcomed within the world of baseball and what effect did their integration or as in the case of African Americans their ultimate inability to integrate have on the culture of a pastime that had recently become a national obsession How did their mutual striving for acceptance affect relations between these minorities In deep and long lasting ways as it turns out This book provides a carefully considered portrait of baseball as both a sporting profession one with quick changing rules and roles and as an institution that reinforced popular ideas about cultural identity masculinity and American exceptionalism **Baseball** Steven P. Gietschier,2023-07 Finalist for the 2023 CASEY Award 2024 SABR Seymour Medal Named a Best Baseball Book of 2023 by Sports Collectors Digest Baseball The Turbulent Midcentury Years explores the history of organized baseball during the middle of the twentieth century examining the sport on and off the field and contextualizing its development as both sport and business within the broader contours of American history Steven P

Gietschier begins with the Great Depression looking at how those years of economic turmoil shaped the sport and how baseball responded. Gietschier covers a then burgeoning group of owners, players, and key figures among them Branch Rickey, Larry MacPhail, Hank Greenberg, Ford Frick, and several others whose stories figure prominently in baseball's past and some of whom are still prominent in its collective consciousness. Combining narrative and analysis, Gietschier tells the game's history across more than three decades while simultaneously exploring its politics and economics, including for example how the game confronted and barely survived the United States' entry into World War II, how owners controlled their labor supply, the players, and how the business of baseball interacted with the federal government. He reveals how baseball handled the return to peacetime and the defining postwar decade, including the integration of the game, the demise of the Negro Leagues, the emergence of television, and the first efforts to move franchises and expand into new markets. Gietschier considers much of the work done by biographers, scholars, and baseball researchers to inform a new and current history of baseball in one of its more important and transformational periods.

Delve into the emotional tapestry woven by in **Reach Baseball Guide 1884** . This ebook, available for download in a PDF format (Download in PDF: *), is more than just words on a page; itis a journey of connection and profound emotion.
