Republican Humor

Ted Gournelos, Viveca Greene

Republican Humor:

Republican Humor Stephen J. Skubik, Hal E. Short, 1976 *Political Humor* Charles E. Schutz, 1977 Presents and seeks to explain the variety of humor in democratic politics The humor ranges from the bawdy political comedies of Aristophanes in ancient Athens to the journalistic satires of our daily newspapers and includes the jokes and comic invective of the people and their politicians

American Political Humor Jody C. Baumgartner, 2019-10-07 This two volume set surveys the profound impact of political humor and satire on American culture and politics over the years paying special attention to the explosion of political humor in today's wide ranging and turbulent media environment Historically there has been a tendency to regard political satire and humor as a sideshow to the wider world of American politics entertaining and sometimes insightful but ultimately only of modest interest to students and others surveying the trajectory of American politics and culture This set documents just how mistaken that assumption is By examining political humor and satire throughout US history these volumes not only illustrate how expressions of political satire and humor reflect changes in American attitudes about presidents parties and issues but also how satirists comedians cartoonists and filmmakers have helped to shape popular attitudes about landmark historical events major American institutions and movements and the nation's political leaders and cultural giants Finally this work examines how today's brand of political humor may be more influential than ever before in shaping American attitudes about the nation in which we live

A Decade of Dark Humor Ted Gornelios, Viveca Greene, 2011-08-01 A Decade of Dark Humor analyzes ways in which popular and visual culture used humor in a variety of forms to confront the attacks of September 11 2001 and more specifically the aftermath This interdisciplinary volume brings together scholars from four countries to discuss the impact of humor and irony on both media discourse and tangible political reality Furthermore it demonstrates that laughter is simultaneously an avenue through which social issues are deferred or obfuscated a way in which neoliberal or neoconservative rhetoric is challenged and a means of forming alternative political ideologies The volume's contributors cover a broad range of media productions including news parodies The Daily Show with Jon Stewart The Colbert Report The Onion TV roundtable shows Politically Incorrect with Bill Maher comic strips and cartoons Aaron McGruder's The Boondocks Jeff Danzinger's editorial cartoons television drama Rescue Me animated satire South Park graphic novels Art Spiegelman's In the Shadow of No Towers documentary Fahrenheit 9/11 and other productions Along with examining the rhetorical methods and aesthetic techniques of these productions the essays place each in specific political and journalistic contexts showing how corporations news outlets and political institutions responded to and sometimes co-opted these forms of humor

An Introduction to the Psychology of Humor Janet M. Gibson, 2019-01-31 An Introduction to the Psychology of Humor provides a comprehensive and accessible overview of psychologists research on humor Drawing on research from a variety of psychological perspectives from cognitive and biological to social and developmental the book explores factors that affect our detection comprehension liking and use of

humor Throughout the book theories and paradigms of humor are explored with each chapter dedicated to a distinct field of psychological research Covering topics including humor development in children and older adults humor s effectiveness in advertisements cross cultural psychology and humor s functions in the workplace the book addresses the challenges psychologists face in defining and studying humor despite it being a universal and often daily experience Featuring a wealth of student friendly features including learning objectives and classroom activities An Introduction to the Psychology of Humor is an essential read for all students of humor *Disparagement Humor in Social Life* Nathan Miczo,2022-09-07 In this book Nathan Miczo demonstrates that humor operates at different levels of identity exploring how within and between group dynamics shape the creation and reception of disparagement humor While positive forms of humor arise in interpersonal settings negative forms reflect the activation of group based communal identities Building on this dual sociality view Miczo critiques the superiority theory of disparagement humor rooted in Hobbes s definition of laughter and tied to his notion of a war of all against all Miczo employs the agon Greek for contest to replace the Hobbesian metaphor with a view that groups use disparagement humor to pursue rival goals This perspective forwards the multifunctional utility of humor in social life analyzing examples of naturally occurring interaction drawn from studies in Communication Psychology and Anthropology Scholars of humor studies communication and anthropology will find this book of particular interest **The ^AOxford Handbook of Political Communication** Kate Kenski,Kathleen Hall Jamieson,2017-06-23 The Oxford Handbook of Political Communication provides contexts for viewing the field examines political discourse media and interpersonal and small group political communication and considers political communication s evolution inside the altered political communication landscape Agendas for future research and innovation are presented Political Humor in a Changing Media Landscape Jody C Baumgartner,Amy B. Becker,2020-07-07 In the past decade various studies have examined how political humor may influence various political attitudes and voting behavior whether it affects learning cognition and media literacy how it might shape political participation how people process different forms of political humor and more This book is devoted to anticipating and addressing where the field of political humor and its effects will move in the next generation of scholarship exploring the continued evolution of the study of political humor as well as the normative implications of these developments It includes research accounting for important changes and developments on the ground in the political humor landscape These include the fact that the cadre of late night television hosts have completely changed in the past 3 years there are now more late night television choices and many hosts have become more overtly political in their presentations Recommended for scholars of communication media studies and political science **Debatable Humor** Patrick A. Stewart,2012-01-01 Debatable Humor represents the first systematic foray into understanding the use of humor by politicians on the campaign trail Using content analysis of primary debates for both Republican and Democratic parties during the 2008 presidential election Patrick A Stewart considers not just how humor was used who used it and how

successful these attempts at humor were but he also gives readers insight regarding why humor and the laughter that results is an important part of politics Not only can humor reveal a candidate s intelligence values personality and his her connection with the audience it also reveals the underlying values of egalitarian political systems Politics Is a Joke! S. Robert Lichter,2018-09-03 Does late night political humor matter Are late night comedians merely entertaining or do they have the power to influence the way we think about politics and politicians Politics Is a Joke situates late night comedy in the historical context of political humor and demonstrates how the public turn to this venue for political information and are in turn affected by it Using exclusive data collected by the Center for Media and Public Affairs the authors conduct a detailed and exhaustive analysis of political jokes on late night TV shows dating back to 1992 in order to pinpoint the main targets and themes of late night comedy Politics Is a Joke uses a wide range of examples from jokes about politicians physical appearance and sex scandals to jokes about Congress and even the news media to assess and understand the impact of political humor on political institutions politicians and their policies and behavior Engagingly written with analysis of jokes from comedians like Jay Leno Conan O Brien Jon Stewart and Stephen Colbert Politics is a Joke is essential reading for anyone who wants to understand the crucial role late night comedy plays in our political universe and anyone who enjoys a good laugh *The Oxford Handbook of Screen Comedy* Peter C. Kunze,Assistant Professor of Communication Peter C Kunze,Distinguished Teaching Professor of English and Film William V Costanzo,William V. Costanzo,2025 The Oxford Handbook of Screen Comedy offers a rich sampling of the most current research and evolving trends in a vast and growing field the study of humor and comedy in movies television streaming content social media and other forms of mediated comedy The thirty new essays in this volume written by leading scholars and emerging researchers are guideposts to where the field is now and where it is heading By its very nature comedy eludes definition and crosses boundaries Trying to grab the wriggling creature and subject it to analysis presents special challenges The contributors featured in this volume apply a range of methods to analyse case histories interpret trends and theorize the changing face of comedy Some celebrate the diverse pleasures of laughter some critique its more nefarious practices and warn of salient dangers Together they bring insights from feminist black and queer studies focus on issues of identity and ideology extend and revise notions of historical development and follow the emergence and migration of comic forms in Latin America China North Korea and South Africa The broad aim of this book is to increase awareness of these exciting studies and inspire more productive exploration as the field continues to grow Entertainment Media and Politics Robert Lance Holbert,2016-03-17 The prominence of politically themed entertainment is evident across the global media landscape Given its popularity it is important to gain a firm understanding of the mechanisms through which this diverse and multi faceted content can generate democratic outcomes In addition it is essential to isolate and predict properly the strength of a given effect and the conditions under which a specific outcome will become evident The works contained in this edited volume explore affect and cognition driven processes of influence

recognizing that humans are both emotional and rational beings In addition empirical evidence is offered to isolate and compare specific types of political entertainment media content e g different types of satire and citizens proclivities for this content e g a person s Affinity for Political Humor in order to best understand the complex means by which entertainment media can generate political influence Attention is also paid to expanding what can and should be defined as political entertainment media which includes opinion based political talk programming The collection and its authors represent a global perspective to reflect the rise of political entertainment media as a global phenomenon This book was originally published as a special issue of Mass Communication and Society

Republican Humor Introduction

In the digital age, access to information has become easier than ever before. The ability to download Republican Humor has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Republican Humor has opened up a world of possibilities. Downloading Republican Humor provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Republican Humor has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Republican Humor. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Republican Humor. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Republican Humor, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Republican Humor has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
