Sewanee Mediaeval Colloquium Occasional Papers No 2 1985

Reginald Hyatte

Sewanee Mediaeval Colloquium Occasional Papers No 2 1985:

The Medieval Theatre Glynne William Gladstone Wickham, 1987-07-09 This is a thoroughly revised edition of Glynne Wickham's important history of the development of dramatic art in Christian Europe. Professor Wickham surveys the foundations on which this dramatic art was built: the architecture, costumes, and ceremonial of the imperial court at Byzantium; the liturgies of countries in the Eastern and Western Empires; and the triumph of the Roman rite and the Romanesque style in Western art. Within this context, Professor Wickham describes three major influences upon the drama: religion, recreation, and commerce. The first produced the liturgical music drama rooted in praise of Christ the King; the vernacular Corpus Christi drama, Saint Plays, and Moralities centred on the humanity of Christ. The second gave rise to the secular theatres of social recreation based on the games and dances of village communities and the more sophisticated sex and war games of the nobility. The section on commerce shows how the development of the drama was intimately related to questions of funding and management, which led during the sixteenth century to the substitution of a professional for an amateur theatre and to a growing emphasis on stage spectacle. For this third edition, the author has added a substantial section on monastic reform and its effect on Biblical translation and the use of allegory; a final chapter charts the transition in different European countries from this medieval Gothic theatre to the neoclassical methods of play construction and representation, which flourished for the next two hundred years. The book gorges a coherent pattern through a very large and complicated subject. It is an excellent introduction to medieval theatre for undergraduates and to the growing number of theatregoers who enjoy contemporary revivals of medieval plays. A large plate section gives a pictorial version of the story using photographs of contemporary manuscript illuminations, mosaics, frescoes, paintings, and sculptures. **THE**

CLOISTERS. Elizabeth C. Parker, 1992 **Love and Friendship in the Western Tradition** James McEvoy, 2023-08-18 Love and Friendship in the Western Tradition comprises a collection of essays written over a 25-year period by the late Rev. Professor James McEvoy on the theme of friendship. The book traces the genesis and development of philosophical treatments of friendship from Greek philosophy through the Middle Ages to modern and postmodern philosophy. The collection's three major concerns are: 1. the history of philosophical discussions of friendship; 2. the role of friendship in the cultivation of the philosophical life; 3. the marginalization of friendship as a theme for philosophical reflection and practice in the modern period. As the author was primarily a medievalist, a great deal of the focus of the essays is on the development of the theme of friendship in the Middle Ages in the thought of Augustine, Aquinas, Aelred of Rievaulx, Henry of Ghent, Robert Grosseteste, etc. However, this focus, while a value in itself, also serves to connect philosophical perspectives on friendship from before and after the Middle Ages. It connects to the time before inasmuch as much of the work done on friendship in the Middle Ages is anchored in interpretations of Aristotle and Plato, and it connects to the time after by providing a counterpoint to the modern paradigm of what constitutes the philosophical life. The collection combines historical with thematic approaches to

scholarship on this issue and is one of the only books of its kind to do so It is perhaps unique in its historical sweep and will prove to be a canonical source for further research on this topic The Arts of Friendship Reginald Hyatte,1994 The selected texts under examination include among others hagiographies works of Bernard of Clairvaux and Aelred of Rievaulx The Quest of the Holy Grail Thomas Tristan the Prose Lancelot Ami and Amile the Decameron and L B Alberti s Dell amicizia

Sacred Folly Max Harris,2011-05-02 The real history and meaning of the Feast of Fools usually misunderstood as a sacrilegious festival **Anachronic Renaissance** Alexander Nagel,Christopher S. Wood,2020-03-20 A reconsideration of the problem of time in the Renaissance examining the complex and layered temporalities of Renaissance images and artifacts In this widely anticipated book two leading contemporary art historians offer a subtle and profound reconsideration of the problem of time in the Renaissance Alexander Nagel and Christopher Wood examine the meanings uses and effects of chronologies models of temporality and notions of originality and repetition in Renaissance images and artifacts Anachronic Renaissance reveals a web of paths traveled by works and artists a landscape obscured by art history s disciplinary compulsion to anchor its data securely in time The buildings paintings drawings prints sculptures and medals discussed were shaped by concerns about authenticity about reference to prestigious origins and precedents and about the implications of transposition from one medium to another Byzantine icons taken to be Early Christian antiquities the acheiropoieton or image made without hands the activities of spoliation and citation differing approaches to art restoration legends about movable buildings and forgeries and pastiches all of these emerge as basic conceptual structures of Renaissance art Although a work of art does bear witness to the moment of its fabrication Nagel and Wood argue that it is equally important to understand its temporal instability how it points away from that moment backward to a remote ancestral origin to a prior artifact or image even to an origin outside of time in divinity This book is not the story about the Renaissance nor is it just a story It imagines the infrastructure of many possible stories **Handbook of Medieval Studies** Albrecht Classen,2010-11-29 This interdisciplinary handbook provides extensive information about research in medieval studies and its most important results over the last decades The handbook is a reference work which enables the readers to quickly and purposely gain insight into the important research discussions and to inform themselves about the current status of research in the field The handbook consists of four parts The first large section offers articles on all of the main disciplines and discussions of the field The second section presents articles on the key concepts of modern medieval studies and the debates therein The third section is a lexicon of the most important text genres of the Middle Ages The fourth section provides an international bio bibliographical lexicon of the most prominent medievalists in all disciplines A comprehensive bibliography rounds off the compendium The result is a reference work which exhaustively documents the current status of research in medieval studies and brings the disciplines and experts of the field together *The Ecstasy of Love in the Thought of Thomas Aquinas* Peter Kwasniewski,2021-05-07 Those interested in the concept of ecstasy would be forgiven for assuming

that a sober scholastic like St Thomas Aquinas had little place for the idea Yet in this groundbreaking study sure to refine our understanding of the Angelic Doctor Peter Kwasniewski shows that St Thomas contemplates the nature of ecstasy at key stages in the development of his thought and that it plays a crucial role in his doctrine of love After a stimulating study of treatments of ecstasy in ancient philosophy Sacred Scripture and the medieval tradition prior to Aquinas Kwasniewski finds that he can be seen as breathing new life into the concept While his contemporary St Bonaventure for example tended to restrict ecstasy to the soul's union with God St Thomas admitted the place of ecstasy in a variety of human activities Furthermore St Thomas recognized that all love involves ecstatic transcendence whether it be the creature's self-oblation to the Creator the reverence of an inferior for a superior a superior's generosity toward an inferior or the mutual affection and help of equals joined in friendship Love of persons for their own sake generates an ecstatic love in which the self is borne as a gift to another subject by sharing a common life aspiring to common goods Kwasniewski also examines Aquinas on the question of whether or not God experiences ecstasy and if so in what ways The Ecstasy of Love in the Thought of Thomas Aquinas makes a significant contribution to our understanding of the doctrine of love and to the interpretation of the thought of St Thomas Aquinas It is more than an analysis of key texts it is an illuminating guide to the grammar of ecstasy

Lateness and Modernity in Medieval Architecture, 2023-05-08 How have the concepts of lateness and modernity inflected the study of medieval and early modern architecture This volume seeks to re-situate monuments from the 14th-16th centuries that are indebted to medieval building practices and designs within the more established narratives of art and architectural history Drawing on case studies from Cyprus to the Dominican Republic the book explores historiographical methodological and theoretical concerns related to the study of medieval architecture bringing to the fore the meanings and functions of the Gothic in specific contexts of use and display The development of local styles relative to competing traditions and instances of coexistence and hybridization are considered in relation to workshop practices and design theory the role of ornament the circulation of people and knowledge spatial experiences as well as notions of old and new Contributors are Jakub Adamski Flaminia Bardati Costanza Beltrami Robert Bork Jana Gajdošová Maile S Hutterer Jacqueline Jung Alice Klima Abby McGehee Paul Niell Michalis Olympos Zachary Stewart Alice Isabella Sullivan Kyle G Sweeney and Marek Walczak

Classical, Renaissance, and Postmodernist Acts of the Imagination Arthur F. Kinney, 1996 This sharply focused collection of essays on poetics and poetry with special attention to Shakespeare includes the work of some of the nation's best known and most respected scholars and authors All of them are former colleagues of O. B. Hardison Jr and their major new essays written especially for this collection center on his interests Aristotle and classical poetics Petrarch and Italian poetics the English Renaissance especially Shakespeare and Milton and postmodernist work in theory literature and science BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Embracing the Track of Phrase: An Mental Symphony within **Sewanee Mediaeval Colloquium Occasional Papers No 2 1985**

In a world eaten by displays and the ceaseless chatter of immediate interaction, the melodic splendor and emotional symphony created by the published word often fade in to the background, eclipsed by the persistent sound and interruptions that permeate our lives. Nevertheless, set within the pages of **Sewanee Mediaeval Colloquium Occasional Papers No 2 1985** a charming fictional treasure filled with natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, that fascinating masterpiece conducts visitors on a psychological trip, well unraveling the hidden songs and profound influence resonating within each carefully constructed phrase. Within the depths of this emotional evaluation, we shall explore the book is main harmonies, analyze their enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Sewanee Mediaeval Colloquium Occasional Papers No 2 1985 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sewanee Mediaeval Colloquium Occasional Papers No 2 1985 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sewanee Mediaeval Colloquium Occasional Papers No 2 1985 has opened up a world of possibilities. Downloading Sewanee Mediaeval Colloquium Occasional Papers No 2 1985 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sewanee Mediaeval Colloquium Occasional Papers No 2 1985 has democratized knowledge.

Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sewanee Mediaeval Colloquium Occasional Papers No 2 1985. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sewanee Mediaeval Colloquium Occasional Papers No 2 1985. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading Sewanee Mediaeval Colloquium Occasional Papers No 2 1985, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sewanee Mediaeval Colloquium Occasional Papers No 2 1985 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sewanee Mediaeval Colloquium Occasional Papers No 2 1985 Books
