**Proverbs** Dr. Jim Leggett,2025-01-03 Wisdom It's something we all need It doesn't come automatically And it doesn't always come from experience Solomon tells us it is directly related to the fear of the Lord 1:7 James tells us it comes from God and it must be sought James 1:5 The book of Proverbs was written for just that purpose so that we might know wisdom so that we might receive instruction for wise living and so that we might perceive the words of understanding 1:2 That's what this book is all about It will change our attitudes It will affect the way we respond to others It will show us the best way to honor God in the everyday experiences of our lives It will help us to avoid pitfalls and choose the best course of action to benefit ourselves and others The wisdom we are able to glean from this book will keep us on the right path as we ride along the trail of our lives As a devotional commentary the purpose of this book is threefold 1 to help us learn what the Bible says 2 to make us aware of its relevance and 3 to see how fittingly it applies to our own struggles and the everyday experiences of our personal lives      *Find It Fast in the Bible* Thomas Nelson,2000-05-06 Noticing a frequently used Bible phrase often precedes a breakthrough in understanding Scripture's teaching on key Bible topics But computer based searches and single word concordances quickly overwhelm learners with raw unconnected data This phrase concordance compiles over 5 000 Bible expressions giving their exact Scriptural quotations complete with surrounding sentences Additionally their alphabetical listing offers the chance to explore similar and related topics without starting a new search Find It Fast in the Bible presents the exact chapter and verse locations of specific passages where the same wording expresses a Bible theme such as Day of the Lord Kingdom of Heaven and I tell you the truth This handy reference resource contains Over 5 000 best loved and most used Bible phrases The New King James Version as the primary translation Cross references to other major
