Bubbers, 2013-09-12 This study examines the scriptural justification for believers to expect the Eucharist to be a place where God will come and bless them with freedom and formation Bubbers focus is not on liturgy but rather on the biblical message of the benefits of participation in the Eucharist Why keep this Feast Why is Eucharist important Bubbers interpretive approach is a synthesis of historical literary aspects of Biblical Theology and canonical creedal aspects of the Theological Reading of Scripture taking into account the biblical historical place of Eucharist as well as its ongoing presence within the Church Bubbers begins by displaying the Last Supper as a Passover meal which bridges between Old Testament motifs and the New Testament Feast She then shows that the Exodus context reveals a paradigm which links blessing with remembrance and suggests that the remembrance motif describes these blessings Finally Bubbers gathers a catalogue of specific blessings summarized by freedom and formation Her conclusion is that the Feast is a divinely designed paradigm for worship which is accompanied by a promise of transformational encounters *Crossing Boundaries in Early Judaism and Christianity* Kimberley Stratton, Andrea Lieber, 2016-10-11 This volume celebrates the scholarship of Alan Segal During his prolific career Alan published ground breaking studies that shifted scholarly conversations about Christianity rabbinic Judaism Hellenism and Gnosticism Like the subjects of his research Alan crossed many boundaries He understood that religions do not operate in academically defined silos but in complex societies populated by complicated human beings Alan s work engaged with a variety of social scientific theories that illuminated ancient sources and enabled him to reveal new angles on familiar material This interdisciplinary approach enabled Alan to propose often controversial theories about Jewish and Christian origins A new generation of scholars has been nurtured on this approach and the fields of early Judaism and Christianity emerge radically redefined as a result **The Eucharistic Debate in Tudor England** Amanda Wrenn

Allen,2018-08-15 In 1550 51 English Archbishop of Canterbury Thomas Cranmer engaged in a debate with Bishop Stephen Gardiner Archbishop Cranmer was asserting a new Reformed view for England's Eucharist theology but he faced opposition from England's leading traditional theologian Gardiner Gardiner remained faithful to the traditional doctrine of transubstantiation while Cranmer was formulating a Spiritual Presence theology This book analyzes the debate asking how both Cranmer and Gardiner arrived at opposing theologies despite being involved similarly in English religion and politics To answer the question the book examines each author's use of scripture continental Reformers and early Church Fathers The book also argues that the personal and political context surrounding the two men shaped the nature of the theological debate While trying to push Edward VI's England toward greater Reformation Cranmer faced continued opposition from Gardiner who was imprisoned throughout Edward's reign Gardiner sought release from prison and a return to authority while Cranmer sought validation for his new theology and its associated legislation To counter Gardiner's challenge Cranmer had to create a clear Eucharistic theology This political and personal climate therefore forced Cranmer to create England's Spiritual Presence theology by 1552 that was adopted in the 1558 Elizabethan Settlement and Anglican Church It was this debate that set Anglicanism for England
