Sixty-nine years at the court of Prussia, tr. by E. and A. Stephenson Sophie Wilhelmine C.M. Voss (gräfin von.), 1876 [Perley's Reminiscences, v. 1-2 of Sixty Years in the National Metropolis](#) Benjamin Perley Poore, 2020-09-28 **The Acting Drama; Containing Sixty Highly Popular Plays**, 1839

Sixty-nine Years at the Court of Prussia Sophie Marie Voss (Gräfin von), Emily Stephenson, 1876 *The Acting Drama; Containing Sixty Highly Popular Plays, Etc* Acting drama, 1839 **Sixty Years of Clarinet Chamber Music** Thomas Montgomery Osborn, 1964 **The Virgin Encyclopedia of Sixties Music** Colin Larkin, 1997 The aim of this book is to provide a complete handbook of information and opinion about the history of the music of the 1960s There are over 1000 entries on the bands musicians songwriters producers and record labels of this decade everyone who had any significant impact on the development of rock and pop music From the Beatles led British invasion of America to the States own pop figures such as the Beach Boys from the rise of Motown and Atlantic to the arrival of psychedelia this encyclopaedia aims to answer any query about any aspect of 60s music As well as the giants of the decade the book also includes those artists who flourished briefly such as Scott McKenzie and Annette Funicello *Edward MacDowell's European Piano Music* Paul Bertagnolli, 2024-09-10 *Edward MacDowell's European Piano Music* is a critical study of the piano music that MacDowell composed during his European sojourn 1876 1888 steeped in reception history and with a special emphasis of programmaticism The book expands current knowledge of MacDowell's childhood in four of the chapters based on his previously uninvestigated sheet music collection thereby achieving a better balance among the stages of MacDowell's life than is evident in most books of the life and works variety Prolific contemporaneous music criticism meticulously preserved in MacDowell's scrapbooks is likewise undervalued in the MacDowell literature but it furnishes penetrating observations about the expressive and programmatic content of numerous compositions especially as it was revealed to critics when MacDowell performed his own works Lastly the book offers explanations for why MacDowell immersed himself in European culture for decades and then at a crucial juncture in his career embraced diverse American heritages and worked toward a

conception of a pluralistic music that was American in a creative sense The book's content and methodology would appeal most directly to specialists within the broad fields of musicology and music theory particularly within American art music and its composers nineteenth century music program music reception history and piano literature **Boot and Shoe Recorder** ,1897 *Littell's Living Age* Eliakim Littell,Robert S. Ibbs and Tillett Christopher Fifield,2017-11-22 For the greater part of the twentieth century Ibbs and Tillett's concert agency was to the British music industry what Marks and Spencer is to the world of the department store The roll call of famous musicians on its books was unmatched and included such international stars as Clara Butt Fritz Kreisler Pablo Casals Sergei Rachmaninov Andr Segovia Kathleen Ferrier Myra Hess Jacqueline du Pr Clifford Curzon and Vladimir Ashkenazy to name but a handful From 1906 the success of the company was due to the dedication of its founders Robert Leigh Ibbs and John Tillett After their deaths the agency was run by the latter's wife Emmie who dubbed the Duchess of Wigmore Street became one of the most formidable yet respected women in British music The history of this unique institution and its owners is told here for the first time often through the fascinating letters that were exchanged between the artists themselves and the agency It begins in the latter years of the 19th century with the concert and theatrical manager Narciso Vert for whom both Ibbs and Tillett worked until his death in 1905 The story then becomes a history of musical life in twentieth century Britain illuminating aspects of the day to day management of concerts and festivals the lives and livelihoods of professional musicians as well as those who strove to join their ranks through audition or recommendation The changing profile and particularly the onset and development of personal management of artists represented by Ibbs and Tillett and their reception in the press can be viewed as a barometer of musical taste The demise of the agency in 1990 was indicative of just how much the world of British music had changed by the end of the century but despite its loss to the profession the legacy and influence of Ibbs and Tillett has remained a benchmark in today's highly competitive world of artist management and concert promotion many of whose principal operators began *The Review of Reviews* William Thomas Stead,1892 *The Boston Herald and Its History* Edwin A.
