Regional Horror Films, 1958-1990 Brian Albright,2012-11-08 During the second half of the 20th century landmark works of the horror film genre were as much the product of enterprising regional filmmakers as of the major studios From backwoods Utah to the Louisiana bayous to the outer boroughs of New York independent regional films like Night of the Living Dead Last House on the Left I Spit on Your Grave The Texas Chain Saw Massacre and The Evil Dead stood at the

vanguard of horror cinema This overview of regionally produced horror and science fiction films includes interviews with 13 directors and producers who operated far from mainstream Hollywood along with a state by state listing of regionally produced genre films made between 1958 and 1990 Highlighting some of the most influential horror films of the past 50 years this work celebrates not only regional filmmaking but also a cultural regionalism that is in danger of vanishing The Complete Films of Mae West Jon Tuska,1992 The Complete Films of Laurence Olivier Jerry Vermilye,1992 Laurence Olivier portrayed characters that were as diverse as they were memorable From Hamlet to Heathcliff from a Nazi dentist in Marathon Man to a cunning mystery writer in Sleuth his roles made him one of the most highly acclaimed actors of all time This book celebrates his career including casts credits synopses and production notes from every movie in which he appeared Photographs illustrate the text with rare candid shots borrowed from Olivier collectors **John Wayne** Richard D. McGhee,1999-10-15 After the death of Marion Morrison known as John Wayne in 1979 President Jimmy Carter said that Wayne was bigger than life In an age of few heroes he was the genuine article But he was more than a hero he was a symbol of many of the qualities that made America great The first section of this study concentrates on Wayne's style of work and sphere of action as an actor The man who works for a living and is concerned with his audience and the constraints of his immediate environment The second section examines the artist the man who lives in his art who disappears into his character as an archetype of human fears and desires Analyses of films that have made Wayne a hero are presented in the third section A comprehensive filmography and numerous photographs are included **Weekly World News** ,1998-07-21 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site **Weekly World News** ,1997-07-29 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site Weekly World News ,1997-10-28 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site **John Wayne's World** Russell Meeuf,2013-09-01 In a film career that spanned five decades John Wayne became a U S icon of heroic individualism and rugged masculinity His widespread popularity however was not limited to the United States he was beloved among moviegoers in Asia Africa Latin America and Europe In John Wayne's World Russell Meeuf considers the actor's global popularity and makes the case that Wayne's depictions of masculinity in his most popular films of the 1950s reflected the turbulent social disruptions of global capitalism and modernization taking place in that decade John Wayne's World places Wayne at the center of gender and nation based ideologies opening a dialogue between film history gender studies political and economic history and popular culture Moving chronologically Meeuf provides new readings of Fort Apache Red River Hondo The Searchers Rio Bravo and

The Alamo and connects Wayne's characters with a modern transnational masculinity being reimagined after World War II. Considering Wayne's international productions such as *Legend of the Lost* and *The Barbarian* and the *Geisha* Meeuf shows how they resonated with U.S. ideological positions about Africa and Asia. Meeuf concludes that in his later films Wayne's star text shifted to one of grandfatherly nostalgia for the past as his earlier brand of heroic masculinity became incompatible with the changing world of the 1960s and 1970s. The first academic book length study of John Wayne in more than twenty years *John Wayne's World* reveals a frequently overlooked history behind one of Hollywood's most iconic stars.

Casting Might-Have-Beens Eila Mell,2015-01-24 Some acting careers are made by one great role and some fall into obscurity when one is declined. Would Al Pacino be the star he is today if Robert Redford had accepted the role of Michael Corleone in *The Godfather*? Imagine Tom Hanks rejecting Uma Thurman, saying that she acted like someone in a high school play when she auditioned to play opposite him in *The Bonfire of the Vanities*. Picture Danny Thomas as *The Godfather* or Marilyn Monroe as Cleopatra. This reference work lists hundreds of such stories: actors who didn't get cast or who turned down certain parts. Each entry, organized alphabetically by film title, gives the character and actor, cast a list of other actors considered for that role, and the details of the casting decision. Information is drawn from extensive research and interviews. From *About Last Night*, which John Belushi turned down at his brother's urging, to *Zulu*, in which Michael Caine was not cast because he didn't look Cockney enough, this book lets you imagine how different your favorite films could have been.

Weekly World News, 1998-03-17 Rooted in the creative success of over 30 years of supermarket tabloid publishing, the *Weekly World News* has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site.
