The Lost Art of Cross-examination Jacob W. Ehrlich, 1988-05 ABA Journal, 1971-11 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the The Lost Art of Cross-examination Or Perjury Anyone? With a Foreword by Percy Foreman J. American Bar Association Notable Cross-Examinations Edward Wilfrid Fordham, 2018-12-05 The object of this book is to let the W. Ehrlich, 1970 cross examination of one or more of the principal witnesses in each case dealt with speak for itself with only such notes added as may be needed to clarify what might otherwise be obscure In almost every trial a considerable part of the evidence adduced though essential to the proof of the case is less dramatic than that of the principal parties concerned Each case referred to here is therefore prefaced by an attempt very briefly to explain the chief matters at issue indicating rather than setting out in detail the points which the witnesses whose cross examination is cited had established or endeavoured to establish in their evidence in chief It is not intended in these pages to assess or criticise the value or brilliance of the cross examination The reader will have to do that for himself He will indeed be in the position of a listening juryman save of course in this that he will have to rely upon himself and will not have the invaluable assistance of the Judge's summing up to guide him in his assessment This however is a less grievous handicap than it would have been had not the verdict it is to be assumed been well and truly arrived at with the help referred to in the more or less distant past E W Fordham Till Death Us Do Part: A True Murder Mystery Vincent Bugliosi, 2004-05-17 Winner of the Edgar Award for Best Fact Crime Bugliosi the quintessential prosecutor has written a crime book that should be read by every lawyer and judge in America F Lee Bailey On December 11 1966 a mysterious assassin shot Henry Stockton to death set his house on fire and left the scene without a trace A year later when a woman was found brutally killed shreds of evidence suggested a connection between the two murders In the Palliko Stockton trial prosecutor Vincent Bugliosi offered a brilliant summation that synthesized for the jury the many inferences and shades of meaning in the testimony fitting all the pieces together in a mosaic of guilt But will the jury be persuaded Competitive Debate Richard Edwards, 2008-06-03 The bible for debaters and their coaches Nearly every high school and college in America has a debate club and or a debate team There are hundreds of competitions at the county and state level culminating in heated national competitions Yet at many high schools and colleges coaches are drawn from the history or English departments with little or no experience in the highly structured procedures of this popular discipline And while competitive debate has been growing each year as a prime academic activity there have been no popular handbooks to help students and coaches prepare for contests effectively and efficiently Practical and authoritative this quide includes not only tips and guidelines for effective preparation and delivery but full length actual transcripts of successful competitions in each format Endorsed by the two national governing bodies for competitive debate the National Federation of State High School Associations and the National Forensic League and priced for the budget conscious student and high
