**The Lost Colony** Roanoke Island Historical Association,1966      **A Lost Colony Hoax** Brandon Fullam,2021-11-02 On November 8 1937 a tourist from California named L E Hammond walked onto the campus of Emory University in Atlanta Georgia carrying a 21 pound rock he had accidentally stumbled upon in North Carolina The barely legible inscription on the rock appeared to be a lengthy message from Eleanor Dare mother of Virginia Dare and it was dated 1591 The inscription told of the trials and tribulations endured by the English colonists after their departure from Roanoke Island in 1587 The authenticity of that stone commonly referred to as the Chowan River Dare Stone has remained an open question since its appearance in 1937 Carefully researched and documented this book finally provides conclusive evidence that the Chowan River Dare Stone is a clever 20th century fraud In doing so the book also tells the fascinating story of the Dare Stone and exposes the orchestration of the hoax and its shadowy perpetrators      **The Federal Theatre Project in the American South** Cecelia Moore,2017-09-26 The Federal Theatre Project in the American South introduces the people and projects that shaped the regional identity of the Federal Theatre Project When college theatre director Hallie Flanagan became head of this New Deal era jobs program in 1935 she envisioned a national theatre comprised of a network of theatres across the country A regional approach was more than organizational it was a conceptual model for a national art Flanagan was part of the little theatre movement that had already developed a new American drama drawn from the distinctive heritage of each region and which they believed would collectively illustrate a national identity The Federal Theatre plan relied on a successful regional model the folk drama program at the University of North Carolina led by Frederick Koch and Paul Green Through a unique partnership of public university private philanthropy and community participation Koch had developed a successful playwriting program and extension service that built community theatres throughout the state North Carolina along with the rest of the Southern region seemed an unpromising place for government theatre Racial segregation and conservative politics limited the Federal Theatre s ability to experiment with new ideas in the region Yet in North Carolina the Project thrived Amateur drama units became vibrant community theatres where whites and African Americans worked together Project personnel launched The Lost Colony one of the first so called outdoor historical dramas that would become its own movement The Federal Theatre sent unemployed dramatists including future novelist Betty Smith to the university to work with Koch and Green They joined other playwrights including African American writer Zora Neale Hurston who came to North Carolina because of their own interest in folk drama Their experience told in this book is a backdrop for each successive generation s debates over government cultural expression art and identity in the American nation      *The Lost Colony Murder on the Outer Banks* John Railey,2021-05-03 In the summer of 1967 nineteen year old Brenda Joyce Holland disappeared She was a mountain girl who had come to Manteo to work in the outdoor drama The Lost Colony Her body was

found five days later floating in the sound This riveting narrative built on unique access to the state investigative file and multiple interviews with insiders searches for the truth of her unsolved murder This island odyssey of discovery includes an ancestor's suicide and a supposed shallow grave Journalist John Railey cuts through the myths and mistakes to finally arrive at the long hidden truth of what happened to Brenda Holland that summer on Roanoke Island **Kurt Weill's America** Naomi Graber, 2021-03-27 Throughout his life German Jewish composer Kurt Weill was fascinated by the idea of America His European works depict America as a Capitalist dystopia But in 1935 it became clear that Europe was no longer safe for Weill and he set sail for New World and his engagement with American culture shifted From that point forward most of his works concerned the idea of America whether celebrating her successes or critiquing her shortcomings As an outsider turned insider Weill's insights into American culture were unique He was keenly attuned to the difficult relationship America had with her immigrants but was slower to grasp the subtleties of others particularly those surrounding race relations even though his works reveal that he was devoted to the idea of racial equality The book treats Weill as a node in a transnational network of musicians writers artists and other stage professionals all of whom influenced each other Weill sought out partners from a range of different sectors including the Popular Front spoken drama and the commercial Broadway stage His personal papers reveal his attempts to navigate not only the shifting tides of American culture but the specific demands of his institutional and individual collaborators In reframing Weill's relationship with immigration and nationality the book also puts nuance contemporary ideas about the relationships of immigrants to their new homes moving beyond ideas that such figures must either assimilate and abandon their previous identities or resist the pull of their new home and stay true to their original culture **Theatre Symposium, Vol. 17** Jay Malarcher, 2009-09-27 Outdoor drama takes many forms ancient Greek theatre open air performances of Shakespeare at summer festivals and re enactments of landmark historical events The essays gathered in Outdoor Performance Volume 17 of the annual journal Theatre Symposium address outdoor theatre's many manifestations including the historical and non traditional Among other subjects these essays explore the rise of airdomes as performance spaces in the American Midwest in the first half of the 20th century the civic religious pageants staged by certain Mormon congregations Wheels A Rolling and other railroad themed pageants first hand accounts of the innovative Hunter Hills theatre program in Tennessee the role of traditional outdoor historical drama particularly the long running performances of Paul Green's *The Lost Colony* and the rise of the part dance part sport part performance phenomenon parkour the improvised traversal of obstacles found in both urban and rural landscapes *Twentieth Century Drama* Simon Trussler, 1983-04-01 A compendium of information on all the main events individuals political groupings and issues of the 20th century It provides a guide to current thinking on important historical topics and personalities within the period and offers a guide to further reading [The History of Southern Drama](#) Charles S. Watson, 2021-12-14 Mention southern drama at a cocktail party or in an American literature survey and you may hear cries for Stella or laments for

gentleman callers Yet southern drama depends on much more than a menagerie of highly strung spinsters and steel magnolias Charles Watson explores this field from its eighteenth and nineteenth century roots through the southern Literary Renaissance and Tennessee Williams's triumphs to the plays of Horton Foote winner of the 1994 Pulitzer Prize Such well known modern figures as Lillian Hellman and DuBose Heyward earn fresh looks as does Tennessee Williams's changing depiction of the South from sensitive analysis to outraged indictment in response to the Civil Rights Movement Watson links the work of the early Charleston dramatists and of Espy Williams first modern dramatist of the South to later twentieth century drama Strong heroines in plays of the Confederacy foreshadow the spunk of Tennessee Williams's Amanda Wingfield Claiming that Beth Henley matches the satirical brilliance of Eudora Welty and Flannery O'Connor Watson connects her zany humor to 1840s New Orleans farces With this work Watson has at last answered the call for a single volume comprehensive history of the South's dramatic literature With fascinating detail and seasoned perception he reveals the rich heritage of southern drama

**Staging Indigeneity**

Katrina Phillips,2021-01-29 As tourists increasingly moved across the United States in the late nineteenth and early twentieth centuries a surprising number of communities looked to capitalize on the histories of Native American people to create tourist attractions From the Happy Canyon Indian Pageant and Wild West Show in Pendleton Oregon to outdoor dramas like Tecumseh in Chillicothe Ohio and Unto These Hills in Cherokee North Carolina locals staged performances that claimed to honor an Indigenous past while depicting that past on white settlers terms Linking the origins of these performances to their present day incarnations this incisive book reveals how they constituted what Katrina Phillips calls salvage tourism a set of practices paralleling so called salvage ethnography which documented the histories languages and cultures of Indigenous people while reinforcing a belief that Native American societies were inevitably disappearing Across time Phillips argues tourism nostalgia and authenticity converge in the creation of salvage tourism which blends tourism and history contestations over citizenship identity belonging and the continued use of Indians and Indianness as a means of escape entertainment and economic development *Twentieth Century American Literature* Warren French,1980-11-01

**Masterplots II** ,2004      **The Unsettlement of America** Anna Brickhouse,2015 The Unsettlement of America explores the career and legacy of Don Luis de Velasco an early modern indigenous translator of the sixteenth century Atlantic world who traveled far and wide and experienced nearly a decade of Western civilization before acting decisively against European settlement The book attends specifically to the interpretive and knowledge producing roles played by Don Luis as a translator acting not only in Native European contact zones but in a complex arena of inter indigenous transmission of information about the hemisphere The book argues for the conceptual and literary significance of unsettlement a term enlisted here both in its literal sense as the thwarting or destroying of settlement and as a heuristic for understanding a wide range of texts related to settler colonialism including those that recount the story of Don Luis as it is told and retold in a wide array of diplomatic religious historical epistolary and literary writings from the middle of the sixteenth century to the middle of the twentieth Tracing accounts of this elusive and complex unfounding father from the colonial era as they unfolds across the centuries The Unsettlement of America addresses the problems of translation at the heart of his story and speculates on the implications of the broader transhistorical afterlife of Don Luis for the present and future of hemispheric American studies

Multiculturalism and the American Self William Q. Boelhower,Alfred Hornung,2000 The articles of this volume which derive from two symposia held under the auspices of the Erasmus cooperation among seven European universities address issues of the inter and intracultural relations of different ethnic groups in America from the colonial period to the present time In addition to the intercultural contacts between European settlers and immigrants on the one hand and minority

groups on the other hand emphasis is also given to the intercultural relations within white American literature The common thread in all of these multicultural productions is the formation of an American self Treatments of encounters between white settlers and Native Americans in the colonial period are set next to analyses of the minority works ranging from the poetry of Phillis Wheatley in the early republic to questions of gender in slave narratives to the fictions of Nella Larsen Alice Walker Toni Morrison Gerald Vizenor and Chicana writers The implicit often unintentional stirrings of multiculturalism are the subject of articles on Henry Adams Henry James Thomas Wolfe and Paul Green Finally the volume includes discussions of multicultural stereotypes which determine the construction of American selfhood in such motion pictures as Pocahontas Forrest Gump and Malcolm X
