**Divine Love - Life Love - Human Love** Thanh Tran,2017-10-17 Divine Love Life Love Human Love My Mother Is My Aunt in Law is a practical social pastoral spiritual and theological novel It is about the story of a girl who was brought up by her foster mother She did not know that her foster mother was not her natural mother until the mother had passed away because she had always loved and cared for her wholeheartedly tenderly and sincerely From a girl who did not have much faith in God the daughter had changed unbelievably to have strong faith in the Creator and to be willing and desiring to serve people around her She decided to give her life to God by entering a convent to become a nun and she also remained serving people tirelessly in her vocation as a doctor The conversion of her life happened through the way she felt and understood the wonderful love of her foster and natural mothers for her and the unconditional love of God for her and for humanity Through this story the author wishes that the readers may be moved and begin to think about the grace and love of God for them and for the whole human race He wants all people to slow down the ways they live their lives and learn to feel more to feel more about others about themselves about life about the meaning of their existence and living and especially to feel more about Gods love for them Sometimes We Cry When Freedom Comes Sofia Bothwell,2019-04-12 The modern day tribe is here in the form of Helena Jasmine Sharon and Yvonne The story of our holistic Goddesses and their spiritual men folk in a delightful thought provoking inspiring read signifying that the New Age has come of age and guilty of indulging in health wealth and happiness leaving the reader inspired and deeply moved on this journey heralding a new paradigm of living and loving

**The Fate of the Forest** Susanna B. Hecht, Alexander Cockburn, 2011-01-15 The Amazon rain forest covers more than five million square kilometers amid the territories of nine different nations It represents over half of the planet s remaining rain forest Is it truly in peril What steps are necessary to save it To understand the future of Amazonia one must know how its history was forged in the eras of large pre Columbian populations in the gold rush of conquistadors in centuries of slavery in the schemes of Brazil s military dictators in the 1960s and 1970s and in new globalized economies where Brazilian soy and beef now dominate while the market in carbon credits raises the value of standing forest Susanna Hecht and Alexander Cockburn show in compelling detail the panorama of destruction as it unfolded and also reveal the extraordinary turnaround that is now taking place thanks to both the social movements and the emergence of new environmental markets Exploring the role of human hands in destroying and saving this vast forested region The Fate of the Forest pivots on the murder of Chico Mendes the legendary labor and environmental organizer assassinated after successful confrontations with big ranchers A multifaceted portrait of Eden under siege complete with a new preface and afterword by the authors this book demonstrates that those who would hold a mirror up to nature must first learn the lessons offered by some of their own people     *Confederate Veteran* ,1904
