Lost Tycoon:

The Lost Tycoon Harvey Hurt, 1993-05-01 **Lost Tycoon** Harry Hurt, 1993 **Lost Tycoon** Harry Hurt, 2016-07-15
Originally published New York W W Norton and Company 1993 **Empires of Entertainment** Jennifer Holt, 2011-06-01
Empires of Entertainment integrates legal regulatory industrial and political histories to chronicle the dramatic transformation within the media between 1980 and 1996 As film broadcast and cable grew from fundamentally separate industries to interconnected synergistic components of global media conglomerates the concepts of vertical and horizontal integration were redesigned The parameters and boundaries of market concentration consolidation and government scrutiny began to shift as America's politics changed under the Reagan administration Through the use of case studies that highlight key moments in this transformation Jennifer Holt explores the politics of deregulation the reinterpretation of antitrust law and lasting modifications in the media landscape Holt skillfully expands the conventional models and boundaries of media history A fundamental part of her argument is that these media industries have been intertwined for decades and as such cannot be considered separately Instead film cable and broadcast must be understood in relation to one another as critical components of a common history Empires of Entertainment is a unique account of deregulation and its impact on political economy industrial strategies and media culture at the end of the twentieth century *Veblens America* Sidney Plotkin, 2018-12-28 Donald Trump's astonishing rise to the US presidency challenges conventional understandings of American politics yet he is distinctively American His biography and family lineage reflect American traditions such as real estate hucksterism and buccaneering salesmanship But Trump's pugnacity also reflects the shadow of other darker American traditions of misogyny racism and xenophobia patterns that formed what Thorstein Veblen called a sclerosis of the American soul Using Veblen's theory of American development to explore the nation's curious fusion of barbarism and liberal democracy Veblen's America taps the rich vein of the sociologist's early twentieth century insights to shed light on the Trump phenomenon that has overwhelmed and threatened early twenty first century American democracy **The Strange Case of Donald J. Trump** Dan P. McAdams, 2020 The Strange Case of Donald J Trump provides a coherent and nuanced psychological portrait of the 45th president of the United States Drawing on biographical events in Trump's life and on contemporary research and theory in personality social and developmental psychology the book explores the personality traits and psychological dynamics that have shaped Trump's life with an emphasis on the strangeness of the case how Trump again and again defies psychological expectations regarding what it means to be a human being The book's central thesis is that Donald Trump is the episodic man He lives in the moment outside of time without an internal story to connect the discrete scenes in his life As such Trump perceives himself to be more like a superhero or a primal force supernatural and timeless rather than a flesh and blood human being with an inner life a remembered past and an imagined future Trump's psychological status as the episodic man helps us understand both Trump's appeal in the minds of millions and his failings

The book's interpretation of Trump sheds new light on Trump's charisma, his deal making, his volatile temperament, his approach to personal relationships, his narcissism, and his emergence as a new kind of authoritarian leader in American history.

Paradise Lost David S. Brown, 2017-05-22 Pigeonholed as a Jazz Age epicurean and an emblem of the Lost Generation, Fitzgerald was at heart a moralist struck by the nation's shifting mood and manners after WWI. Placing him among Progressives such as Charles Beard, Randolph Bourne, and Thorstein Veblen, David Brown reveals Fitzgerald as a writer with an encompassing historical imagination.

All the President's Women Barry Levine, Monique El-Faizy, 2019-10-22 With groundbreaking interviews, behind-the-scenes reporting, and never-before-seen photos, *All the President's Women* records 43 new allegations of sexual misconduct against President Trump, including that of E. Jean Carroll, the woman at the center of the civil trial that found Trump liable for sexual abuse in 2023. During his 2016 presidential run, the revelation of the Access Hollywood tape and subsequent allegations of sexual misconduct lodged against Donald Trump looked like they might doom his candidacy. Trump survived, and the first two years of the real estate scion's presidency were marked not by controversy over his behavior around women but by the Mueller investigation. Outside of being found liable for sexual abuse in a 2023 civil trial that awarded E. Jean Carroll \$5 million in damages, Trump has widely dodged the MeToo bullet that has taken down so many once powerful men. But despite the decades of tabloid fascination with his personal life, the story of Trump's relationship with women has never been fully told. Considering his bully pulpit in the White House, the reckoning is overdue. *All the President's Women* offers the most detailed account yet of Trump's history with women, dating back to his childhood and high school days through his rise in real estate, reality TV, and politics. This book will show that Trump's behavior goes far beyond occasional locker room talk and unwanted advances. Barry Levine and Monique El Faizy detail more than a dozen new allegations against Trump, including a disturbing attack on a woman at Mar a Lago, an incident at a private Manhattan sex club involving a teenage girl, as well as Trump's behavior at fashion shows and beauty pageants events that gave the future president a hunting ground to harass young women. Veteran journalists Levine and El Faizy tell the story of Trump from the point of view of the women in his orbit: wives, mistresses, playmates, and those whom the president has dated, kissed, groped, or lusted after.

Sunny Side Up David Baird, 2004-06 Behind the white walls of the pueblos of southern Spain, you will find more drama and passion than you could ever imagine. All human life is here in all its varieties, as British journalist David Baird and his Dutch wife found out when they settled in an Andalusian village seeking the simple life. *Sunny Side Up* may read like fiction, but it's all fact. It's the Spain that Hemingway never saw and never wrote about.

Trump Revealed Michael Kranish, Marc Fisher, 2017 Who is Donald J. Trump? To discover Trump in full, the Washington Post assembled a team of award-winning reporters and researchers to investigate every aspect of his life, from his privileged upbringing in Queens to his hundreds of lawsuits, his infamous womanizing, his shifting position on abortion rights, his dizzying seven changes in party affiliation, and his astonishing disruptive election as president in November 2016. cover **American Television News: The Media Marketplace and the Public Interest** Steve M. Barkin, 2016-09-16

This concise history of the news broadcasting industry will appeal to both students and general readers. Stretching from the radio days of the 1920s and 1930s and the early era of television after World War II through to the present, the book shows how commercial interests, regulatory matters, and financial considerations have long shaped the broadcasting business. The network dominance of the 1950s ushered in the new prominence of the anchorman, a distinctly American development, and gave birth to the golden age of TV broadcasting, which featured hard-hitting news and documentaries epitomized by the reports by CBS's Edward R. Murrow. Financial pressures and advertising concerns in the 1960s led the networks to veer away from their commitment to serve the public interest and toward tabloid television: celebrity gossip, driven soft news, and news magazines became increasingly widespread. In the 1980s, cable news further transformed broadcasting, igniting intense competition for viewers in the media marketplace. Focusing on both national and local news, this stimulating volume examines the evolution of broadcast journalism. It also considers how new electronic technologies will affect news delivery in the 21st century and whether television news can still both serve the public interest and maintain an audience. **Tower of Lies**

Barbara A. Res, 2020-10-20 Barbara A. Res worked directly with Donald Trump for eighteen years on some of his biggest projects and had nearly unlimited access to him. Trump selected Res to be in charge of construction of Trump Tower, his greatest success as a developer. In this insider's look at how the ambitious real estate developer became the most divisive president in recent U.S. history, Res takes us into closed-door meetings, boardrooms, limo rides, and helicopter flights to really understand what makes him tick and show us why his claim to be a great dealmaker and savvy businessman is just a mirage. No one with this kind of access to Trump during his formative years as a developer has ever written so completely about who he is away from the cameras. It's no wonder that when the media are looking for someone who really understands Trump, they turn to Res. Candid, personal, and deeply perceptive, Res shines new light on the man whose depravity has put us all and democracy itself in danger. Includes a 16-page photo insert featuring images from the author's personal collection. **The Plaza**

Julie Satow, 2019-06-04 Journalist Julie Satow's thrilling, unforgettable history of how one illustrious hotel has defined our understanding of money and glamour from the Gilded Age to the Go-Go Eighties to today's Billionaire Row. From the moment in 1907 when New York millionaire Alfred Gwynne Vanderbilt strode through the Plaza Hotel's revolving doors to become its first guest to the afternoon in 2007 when a mysterious Russian oligarch paid a record price for the hotel's largest penthouse, the eighteen-story white marble edifice at the corner of Fifth Avenue and 59th Street has radiated wealth and luxury. For some, the hotel evokes images of F. Scott Fitzgerald frolicking in the Pulitzer Fountain or Eloise, the impish young guest who pours water down the mail chute. But the true stories captured in **THE PLAZA** also include dark, hidden secrets: the cold-blooded murder perpetrated by the construction workers in charge of building the hotel; how Donald J. Trump came to be the only owner to ever bankrupt the Plaza; and the tale of the disgraced Indian tycoon who ran the hotel from a maximum

security prison cell 7 000 miles away in Delhi In this definitive history award winning journalist Julie Satow not only pulls back the curtain on Truman Capote s Black and White Ball and The Beatles first stateside visit she also follows the money trail THE PLAZA reveals how a handful of rich dowager widows were the financial lifeline that saved the hotel during the Great Depression and how today foreign money and anonymous shell companies have transformed iconic guest rooms into condominiums that shield ill gotten gains hollowing out parts of the hotel as well as the city around it THE PLAZA is the account of one vaunted New York City address that has become synonymous with wealth and scandal opportunity and tragedy With glamour on the surface and strife behind the scenes it is the story of how one hotel became a mirror reflecting New York s place at the center of the country s cultural narrative for over a century What Shall We Say? Baddest Man Mark Kriegel,2025-06-03 From the acclaimed New York Times bestselling author whose coverage of Mike Tyson and his inner circle dates back to the 1980s a magnificent noir epic about fame race greed criminality trauma and the creation of the most feared and mesmerizing fighter in boxing history On an evening that defined the greed is good 1980s Donald Trump hosted a raft of celebrities and high rollers in a carnival town on the Jersey Shore to bask in the glow created by a twenty one year old heavyweight champion Mike Tyson knocked out Michael Spinks that night and in ninety one frenzied seconds earned more than the annual payrolls of the Los Angeles Lakers and Boston Celtics players combined It had been just eight years since Tyson a feral child from a dystopian Brooklyn neighborhood was delivered to boxing s forgotten wizard Cus D Amato who was living a self imposed exile in upstate New York Together Cus and the Kid were an irresistible

story of mutual redemption darlings to the novelists screenwriters and newspapermen long charmed by D Amato and perfect for the nascent industry of cable television Way before anyone heard of Tony Soprano Mike Tyson was HBO s leading man It was the greatest sales job in the sport s history and the most lucrative But the business of Tyson concealed truths that were darker and more nuanced than the script would allow The intervening decades have seen Tyson villainized lionized and fetishized but never until now fully humanized Mark Kriegel an acclaimed biographer regarded as the finest boxing writer in America was a young cityside reporter at the New York Daily News when he was first swept up in the Tyson media hurricane but here he measures his subject not by whom he knocked out but by what he survived Though Tyson was billed as a modern day Jack Dempsey in truth he was closer to Sonny Liston Tyson was Black feared and born to die young What made Liston a pariah though would make Tyson in a way his own handlers could never understand a touchstone for a generation raised on a soundtrack of hip hop and gunfire What Peter Guralnick did for Elvis in Last Train to Memphis and James Kaplan for Sinatra in Frank Kriegel does for Tyson It s not just the dizzying ascent that he captures but also Tyson s place in the American psyche
