Rescue and Flight Susan Elisabeth Subak, 2010-05-01 When Susan Elisabeth Subak discovered that members of the Unitarian Church had helped her Jewish father immigrate to the United States she was unaware of the impact the

organization had made during World War II After years of research Subak uncovers the little known story of the Unitarian Service Committee which rescued European refugees during World War II and the remarkable individuals who made it happen The Unitarian Service Committee was among the few American organizations committed to helping refugees during World War II The staff who ran the committee assisted those endangered by the Nazi regime from famous writers and artists to the average citizen Part of a larger network of American relief workers the Unitarian Committee helped refugees negotiate the official and legal channels of escape and when those methods failed the more complex underground channels From their offices in Portugal and southern France they created escape routes through Europe to the United States South America and England and rescued thousands often at great personal risk *Canada and the Korean War* Andrew Burtch, Tim Cook, 2024-05-01 Korea was the first hot war of the Cold War It was also Canada's most significant military engagement of the twentieth century following the two world wars Canada and the Korean War gathers leading scholars to explore the key themes and battles of a seminal yet understudied conflict Canada had little stake and less interest in Korea before 1950 but the risk the conflict posed to the fragile postwar order was deemed too great for the country to stand on the sidelines Alongside their allies more than 30 000 Canadian service personnel fought a determined and skilled enemy The armistice that ended the war left Korea devastated and divided and it remains a dangerous hotspot today This timely collection synthesizes Canadian and international perspectives on a conflict that shaped not only the Canadian armed forces but also the evolving Canada Korea relationship In the process Canada and the Korean War sheds light on how the war has been framed and reframed in public memory **100 More Canadian Heroines** Merna Forster, 2011-09-07 Following the bestselling *100 Canadian Heroines* Merna Forster presents 100 more stories of amazing women who changed our country In this second installment of the bestselling *Canadian Heroines* series author Merna Forster brings together 100 more incredible stories of great characters and wonderful images Meet famous and forgotten women in fields such as science sport politics war and peace and arts and entertainment including the original Degraffi kids Captain Kool hockey star Hilda Ranscombe and the woman dubbed the atomic mosquito This book is full of amazing facts and trivia about extraordinary women You'll learn about Second World War heroine Joan Fletcher Bamford who rescued 2 000 Dutch captives from a prison camp in a Sumatran jungle while commanding 70 Japanese soldiers Hilwie Hamdon was the woman behind the building of Canada's first mosque and Frances Gertrude McGill was the crime fighter named the Sherlock Holmes of Saskatchewan Read on and discover 100 more Canadian heroines and how they've changed our country First Person Valerie Knowles, 1988 Cairine Wilson Canada's first female senator was one of nine children raised in an atmosphere of rugged Scots liberalism and strict presbyterianism by affluent Montreal parents in the late nineteenth century She displayed an interest in politics early in life and through her father's position in the Senate was befriended by many notable politicians of the period including Sir Wilfrid Laurier an experience that left a permanent mark on her Her appointment to the Senate in 1930 was a

historic and controversial event and launched a political career rife with passion commitment and reform Wilson whose work on behalf of refugees and the world's needy was legendary served in the Senate through some of the stormiest years in Canadian government history First Person is an engaging account of a colourful and powerful politician a fighter whose efforts were recognized by the highest officials in the land and whose sculpted image adorns the foyer of the Canadian Senate

Notable American Women with Czechoslovak Roots Miloslav Rechcigl Jr., 2019-09-16 Even though there exist only a few general studies on the subject of Czechoslovak American women this is not at all a reflection of the paucity of work done by these women as this publication demonstrates This monograph is a compendium of notable American women with Czechoslovak roots who distinguished themselves in a particular field or area from the time they first immigrated to America to date Included are not only individuals born on the territory of former Czechoslovakia but also their descendants This project has been approached strictly geographically irrespective of the language or ethnicity Because of the lack of bibliographical information most of the monograph comprises biobibliographical information in which area a plethora of information exists As the reader will discover these women have been involved practically in every field of human endeavor in numbers that surprise On the whole they have been noted for their independent spirit and nonconforming role
