Matriarch A Chronicle The:

The matriarch ; a chronicle Gladys Bronwyn Stern, *Matriarch, a Chronicle*, 1920 **The Matriarch Chronicles** Gladys Bronwyn Stern, 1925 The Matriarch Gladys Bronwyn Stern, 1925 **The Matriarch** Gladys Bronwyn Stern, 1925 The Origins of Transmedia Storytelling in Early Twentieth Century Adaptation Alexis Weedon, 2021-06-18 This book explores the significance of professional writers and their role in developing British storytelling in the 1920s and 1930s and their influence on the poetics of today's transmedia storytelling. Modern techniques can be traced back to the early twentieth century when film, radio, and television provided professional writers with new formats and revenue streams for their fiction. The book explores the contribution of four British authors, household names in their day, who adapted work for film, television, and radio. Although celebrities between the wars, Clemence Dane, G. B. Stern, Hugh Walpole, and A. E. W. Mason have fallen from view. The popular playwright Dane, witty novelist Stern, and raconteur Walpole have been marginalised for being German Jewish, female, or gay, and Mason's contribution to film has been overlooked also. It argues that these and other vocational authors should be reassessed for their contribution to new media forms of storytelling. The book makes a significant contribution in the fields of media studies, adaptation studies, and the literary middlebrow. *Volcrican's Hunt (The Cat's Eye Chronicles 3)* T. L. Shreffler, 2013-08-31 **The Oxford Companion to Twentieth-century Literature in English** Jenny Stringer, 1996 Survey of twentieth-century English language writers and writing from around the world, celebrating all major genres with entries on literary movements, periodicals, more than 400 individual works, and articles on approximately 2,400 authors. Everlasting (Book 7 of the Starlight Chronicles) C. S. Johnson, 2017-01-07 A new calling. An old enemy. A discovery that demands action. It has been many years since that day the day Hamilton Dinger wishes to forget along with the ache in his heart. But his desire to let go of the past is usurped when the future comes barreling into his apartment in the form of two young Starlight defenders, Lucas and Lyra, calling for a new mission for him. More than reluctantly, Hamilton heads home to Apollo City as Dante Salyards, now a rogue agent from SWORD, seeks his help in dismantling a new administration of evil in Apollo City. After a shocking discovery, Hamilton is faced with the choice to renew his commitment and embrace the responsibilities both pleasant and painful the Prince of Stars had in store for him, but it could cost him more than his heart this time. With everything on the line, can Hamilton finally have the life he had always dreamed of? Find out in this stunning conclusion of *The Starlight Chronicles*. FROM THE BOOK Mikey grinned and for moment I had to laugh. Mikey looked just like his high school self with food stuck in his teeth, his smile wide and innocent. If that's the best I can get from you for now, I'll take it. Besides, given our history, I'd say a miracle is right around the corner. Ha ha, yeah, right. I rolled my eyes. I'd forgotten how to believe in miracles. FROM THE AUTHOR Can't get enough of this epic fantasy adventure? Be sure to check out the prequel *Searching* featuring Starry Knight and her struggle with her powers. Perfect for young teenagers or disaffected college students or adults who enjoy some satire mixed in with some star-crossed lovers and high school drama. WHAT
