Betty-Carol Sellen, 2016-02-10 Much has changed in the world of self taught art since the millennium Many of the recognized masters have died and new artists have emerged Many galleries have closed but few new ones have opened as artists and dealers increasingly sell through websites and social media The growth and popularity of auction houses have altered the relationship between artists and collectors In its third edition this book provides updated information on artists galleries museums auctions organizations and publications for both experienced and aspiring collectors of self taught outsider and folk art Gallery and museum entries are organized geographically and alphabetically by state and city *Raw Vision* , 2005
