## **Matter Of Destiny A Story Of Conflict In Love And War:**

**A Matter of Destiny** Gene Baldwin, 2021-07-08 This is the story of a man who falls in love three weeks before leaving for flight training tells of the different backgrounds of two people the struggles of separation and the Korean War all of which seem insurmountable odds for this young couple Written fresh and vibrant by a man whose been there this novel puts you right in the cockpit right in the rice paddy right in the lovers arms Not only is this a love story but it is a study in human behavior revealing the conflict between a mother and a son a tumultuous new relationship and the realism of a fighter pilot s war These are the forces that ultimately affect the destiny of two people

**A Matter of Destiny** Gene Baldwin, 2021-07-08 Brian finds himself in the middle of the most rigorous flight training in the world He left his home in the small college town of Ruston Alabama and reports to flight training a fascinating new world of challenges and adventure He s confronted with the anxiety of leaving Anne Merrill after only three weeks together before he left There was an immediate chemistry between them accentuated by the short time available to them The separation from Anne and other influences on her life pull them apart During a leave between basic and advanced training while visiting Collinwood Brian experiences the inexorable hold on Anne by Judge Mc Bride and his son Fortunately he shares a deep friendship with Lori Barnes which mitigates his despair Brian and his mother have never been able to break down the barriers built over the years following the divorce and his fathers death The relationship is strained with his asseptance into flight training The intensity of pilot training produces a bond of four cadets to accomplish their common goal Their friendship transcends the usual bond of fellowship as they become a close knit fellowship known as The Group They overcome the barriers to becoming a pilot washouts accidents fear and death They finally join the elite brotherhood of fighter pilots A chance meeting between Anne and Brian during his leave following graduation immediately rekindles the old fires They become engaged and Anne goes with Brian to San Francisco to spend the last fervid days together before he leaves for Korea and the war Korean combat is disturbing to Brian as he and his radar observer come face to face with their own mortality and that of his friends The rigors of an air war over a godforsaken country coupled with the separation from Anne causes some adjustment in Brians thinking Aggressiveness and confidence in the air sets him apart as one of those that has the fighter pilot mentality Anne however cannot adjust to the strains of the separation the war and writes Brian that shes breaking the engagement He maintains contact with the ever loyal Lori On an R R leave to Nagoya Japan Brian has a chance meeting with Maggie Compton a nurse who is lonely and as vulnerable as Brian The pressures and timing of the encounter place them in a night of passion They try to see each other again but the war keeps them apart Shortly after beginning their second combat tour Brian and his radar observer are shot down over North Korea Injured tired and their strength waning they evade capture until met by South Korean troops who get them back to the American sector and subsequently flown to a hospital in Japan Brian sees Maggie one last time at the hospital in Japan where she is also assigned As Brian recuperates in the hospital he realizes his war is over both physically and mentally Its

time to go home Back in the States his reunion with Lori helps him readjust to a tranquility he had not known for a long time He finds the truth about his fathers death and they reconcile some of the problems that drove a wedge in their relationship Believing that Anne and Brian are still in love and unknown to both Lori arranges a chance meeting for them *American Book Publishing Record* ,2001 **Men At War: What Fiction Tells us About Conflict, From The Iliad to Catch-22**

Christopher Coker,2014-05-01 Since Achilles first stormed into our imagination literature has introduced its readers to truly unforgettable martial characters In Men at War Christopher Coker discusses some of the most famous of these fictional creations and their impact on our understanding of war and masculinity Grouped into five archetypes warriors heroes villains survivors and victims these characters range across 3000 years of history through epic poems the modern novel and one of the twentieth century s most famous film scripts Great authors like Homer and Tolstoy show us aspects of reality invisible except through a literary lens while fictional characters such as Achilles and Falstaff Robert Jordan and Jack Aubrey are not just larger than life they are life s largeness and this is why we seek them out Although the Greeks knew that the lovers wives and mothers of soldiers are the chief victims of battle for the combatants war is a masculine pursuit Each of Coker s chapters explores what fiction tells us about war s appeal to young men and the way it makes and breaks them The existential appeal of war too is perhaps best conveyed in fictional accounts and these too are scrutinized by the author Homer's Iliad: The

Real Story John D. Martin,2025-07-30 For the nearly three millennia since its creation the Iliad s Real Story has gone undiscovered Homer a blind poet as antiquity believed him to be created a powerful war story which must have enthralled his listening audiences But this story concealed another one far grander in design and immensely more clever in execution which can be discovered only by careful examination of the written text Living in an age where literacy was minimal Homer created this story for the gods and undoubtedly never expected any mortal to understand it Homer s imaginative fantasy radically undermines traditional Trojan War mythology and exposes the speciousness of war s glory the folly of the warriors who supposedly fight for it and the amorality of the gods who help them do so Homer s great war poem great indeed war poem indeed is in its depths antiwar In piecing together the Iliad s web of secret plans deeply hidden motives and subtle lies and deceptions and in the process identifying and discarding post Homeric corruptions to the text we will find an Iliad which is not a prelude to Achilles glorious early death and the Fall of Troy but the opposite In a concealed ending towards which the entire story has been leading Homer s own words will tell us how Achilles as supplicated by Priam chooses a long life without renown and goes home The Greek army unwilling to fight without its greatest warrior leaves also sparing peaceful holy Troy Zeus favorite city and best hope for mankind Homer tells this story with a brilliance that is almost unimaginable until one actually encounters it The Real Iliad is an immense intellectual challenge and an inexhaustible source of surprises Far from a formalistically heroic epic as has long been thought it is an imaginative expression of the full creative powers of Western antiquity s greatest author **Oh Ye Mighty** Shane Michael Jones,2021-03-08 Thomas Belson s name has grown

heavy with glory and honor By his leadership the nations of Thyro weathered Emperor Thaniel s dread conquest By his holy vows humanity finally deadened the sorcerous shriek of the Old Religion He walked through the World Below to arm the righteous with knowledge against it Those who count themselves allies of goodness and grace owe Constable Thomas Belson the debt of their remembrance But perhaps there are things worth forgetting too How Thomas rages against the gods to whom he swore his Constable s oath How he laments nothing more than outliving his triumph How he s killed enough men to make a hard winter blush and not all of them guilty Come to think of it not all of them men either Perhaps what Belson the Blessed learned in the World Below should stay between him and Hell It was that secret that made him nail children to pillars as all the allies of goodness and grace averted their righteous gaze Thomas Belson won his war but he hasn t stopped fighting in the decade since Guilt and paranoia make him see Thaniel in every tin pot tyrant apocalypse in every shadow His increasingly erratic behavior is a growing concern for the governments of Thyro They ve heard the rumors They know he cries out in his sleep The Matriarch of the New Church calls it a kindness when she absolves him of his oaths After fifteen years of fighting he can finally return to his family in The Confederacy to find peace However the powers that be have grown complacent in peace Perhaps they watch apocalypse loom and dismiss it as shadows Thomas Belson saw something in the World Below that drove him to atrocity and Hell is nothing if not patient      The Lasting Picture Show James

Combs,2018-10-01 This work is the continuation of a sustained inquiry into moving pictures conducting with an awareness of their prominence and prevalence in the contemporary world A major indicator of the ubiquity of motion pictures is noticed by world travelers who see the traces of their universality with the satellites on nomadic yurts in Asia and TV sets in remote and poor African villages It is only now becoming realised that this mode of communication may well be the most pervasive and perhaps even the most important mass medium ever invented With that background in mind this book focuses on cinematic knowing as an expression of ludenic experience important as a major source of play learning in a world which is increasingly wired to the various forms of moving pictures It investigates how this way of seeing has expanded our visual acuity and experience including not only hindsight and foresight but also insight and indeed even blindsight It discusses the acquired abilities inherent in our cinematic understandability the extent and depth of knowing that is learned from our life long experience of exposure to motion pictures including forms other than the movies such as TV programming commercials and documentaries It proceeds on the assumption that the most influential of this universe of visual expression is the one with the most important background and cultural impact the motion picture show This ludenic center of popular fare involved the creation of a heterocosm a body of popular knowledge that accumulates and promulgates values and interests in visually identifiable formats becoming in the process a kind of cultural enthymeme enjoyed for its expressive ability to reach people and proved to be resilient and flexible in adapting to and addressing new circumstances      **Nomination--January 1974**
