Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease *Fire of Mercy, Heart of the Word, Vol. 4* Erasmo Leiva-Merikakis, 2021-05-20 To the unstudied eye St Matthew's

gospel can seem a terse narrative almost a historical document and not the tremendously spiritual and doctrinal storehouse that it is In his fourth and final volume of meditations on Matthew chapters 26-28 Erasmo Leiva continues to show Matthew's prose to be not terse so much as economical astoundingly so given its depth The lay reader can derive great profit from reading this Each short meditation comments on a verse or two pointing to some facet of the text not immediately apparent but rich with meaning Leiva's work is scholarly but eminently approachable by the lay reader The tone is very much of taste and see how good the Lord is and an invitation of friend come up higher The goal of the book is to help the reader experience the heat of the divine heart and the light of the divine Word and aims at prayer as the final result of a fruitful encounter with the Word of God Leiva comments on the Greek text demonstrating nuances in the text that defy translation He uses

numerous quotes from the Fathers and the Liturgy of the Church to demonstrate the way the Tradition has lived and read the Word of God His theological reflection vivifies doctrine by seeking its roots in the words and actions of Jesus Points of Interest Long awaited final volume in a widely beloved and deeply rich series of scripture study and meditation Scholarly but eminently approachable by the lay reader Theological reflection that vivifies doctrine by seeking its roots in the words and actions of Jesus Aims at prayer as the final result of a fruitful encounter with the Word of God The American Catalogue, 1911 American national trade bibliography *Rhythms of Faith* Claude Atcho, 2025-10-14 Cultivate a faith shaped by Christ's presence in every season with this unique blend of devotional reflections guided by Claude Atcho a seasoned pastor Walking us through the cycles of light life and love Atcho shows us how to measure our days by Christ so that we might gain wisdom Jessica Hooten Wilson Fletcher Jones Chair of Great Books at Pepperdine University and author of *The Scandal of Holiness* More than just marking time the church calendar invites us to walk with Jesus in a rhythm of remembrance renewal and formation helping us see the gospel not only as a message to be heard but as a story to be lived But many of us engage with the church calendar mainly through observing Advent or celebrating Easter not fully understanding how its seasons year round can offer us a deeper more rooted experience What if its rhythms could shape your faith not just on Sundays but in your everyday life *Rhythms of Faith* A Devotional Pilgrimage Through the Church Year is a simple accessible introduction for those unfamiliar with the church calendar and a deep well for those seeking to go further Taking you through each season Advent Christmastide Epiphany Lent Holy Week Easter and Ordinary Time this book invites you to slow down reflect and engage more intentionally with the life of Jesus cultivating a faith that is formed by church time anchored in Christ and powerfully transformative **The Cumulative Book Index**, 1910 A world list of books in the English language *Religious Books, 1876-1982* R.R.
