**James (ESV Edition)** R. Kent Hughes, 2015-09-30 The epistle of James is one of the most practical books in the New Testament Focused on what the Christian life looks like in practice this short letter highlights a crucial truth about genuine faith it always leads to good works In this redesigned volume in the popular Preaching the Word commentary series Kent Hughes walks readers through James s important teaching about what it means to follow Jesus exploring the call to persevere through suffering the relationship between faith and works and the importance of taming the tongue Accessible yet robust this commentary will help pastors Bible teachers and small group leaders understand and communicate the message of the book of James with insight and clarity Part of the Preaching the Word series *Before You Were Born, I Anointed You* Anna Beresford, 2022-09-12 Prophetic ministry in the Bible has long been perceived as the exclusive domain of individuals who were powerful authoritative argumentative and almost always male This impression cannot be sustained In a logical and engaging way Anna Beresford convincingly shows us that female characters throughout the biblical story are not merely peripheral actors but are often the ones who proclaim God s prophetic word with disturbing clarity Beginning with the few women acknowledged as prophets in the Hebrew scriptural tradition Beresford proceeds to uncover a surprising host of hidden female prophets Among this cast we meet the widow whose last penny is consumed by organized religion the gate crasher who teaches a pious Pharisee stern lessons in hospitality a woman who has the last word in a theological debate A woman used to trap Jesus proclaims truth to power and a feisty foreign lady cleverly proves that God s love is for all of us regardless of gender or ethnicity This book is a compelling reminder that God speaks to all people women and men and calls on us to share the message whether it is convenient or not 2 Tim 4 2 NET **The Discipline of Grace** Jerry Bridges, 2018-04-03 Over 200 000 copies sold You are never beyond the reach of God s grace or the need for it Being a Christian is about more than just accepting salvation it s about regularly becoming more like Jesus This is hard work As we struggle to become more like Christ we can easily lose sight of grace in favor of the discipline we put ourselves through It s time to take another look at the role we play and God plays in our growth as a Christian Renowned author Jerry Bridges offers a clear and thorough explanation of the gospel and what it means to the believer A must read for Christians wanting to grow in their faith this book will comfort and challenge you as you learn about the disciplines of Commitment Convictions Choices Adversity And more Equally challenging and comforting Bridges uses his relaxed everyday style alongside hard hitting truths Now with an added study guide for personal use or group discussion so you can dive deeper into this staple of Jerry Bridges s classic collection The writings of Jerry Bridges are a gift to the church He addresses a relevant topic with the wisdom of a scholar and the heart of a servant Max Lucado pastor and bestselling author **The Doctrine on Which the Church Stands or Falls (Foreword by D. A. Carson)** Matthew Barrett, 2019-03-14 Many factors contributed to the Protestant Reformation but one of the most significant was the debate over the doctrine of justification by faith alone In fact

Martin Luther argued that justification is the doctrine on which the church stands or falls This comprehensive volume of 26 essays from a host of scholars explores the doctrine of justification from the lenses of history the Bible theology and pastoral practice revealing the enduring significance of this pillar of Protestant theology **Holy Communion in the Piety of the Reformed Church** Hughes Oliphant Old,2020-04-13 Last Words of Jesus Stu Epperson Jr.,2015-02-17 Readers will experience a fresh encounter with Jesus Christ thorough examination of what Jesus said why He said it and how His powerful words continue to change lives forever **Illumination and Interpretation** M. X. Seaman,2013-03-06 The Holy Spirit s ministry of illumination is a commonly misunderstood doctrine both pragmatically and theologically As a result this divine activity is often neglected but it should be recognized that it is indispensable for the hermeneutical endeavor This distinctive work seeks to take an apparently abstract concept and make it concrete by establishing proper categories and definitions for the doctrine of illumination while reemphasizing the cooperation of Word and Spirit In doing so this book treats issues such as the relationship between illumination and other hermeneutical doctrines the accessibility of the Spirit s illumination when interpreting the Scriptures and the question of unregenerate biblical interpretation Accordingly Illumination and Interpretation presents a biblical theological evaluation of the Spirit s work of illumination for the transformative purpose of understanding how to appropriate this vital hermeneutical doctrine into one s faith and practice **The Significance of Exemplars for the Interpretation of the Letter of James** Robert J. Foster,2014-09-23 What was the function of the four characters from Jewish history and tradition in the Letter of James Robert J Foster analyses James use of these characters and argues that despite each of them being tested to the extreme they all remained wholly committed to God Reconciling Theology Paul Avis,2022-03-31 In Reconciling Theology leading thinker on Anglicanism and ecumenism Paul Avis focuses on the perennial Christian issues of argument debate polemic and conflict on the one hand and dialogue search for common ground working for agreement and harmony on the other Exploring the tension and interaction between them in a range of contexts in modern theology and the Church Avis offers a rigorous but accessible vision of church which moves beyond the usual dichotomy of liberal or orthodox **Books in Print** ,1994 **James (Baker Exegetical Commentary on the New Testament)** Dan G. How could the life let alone the death of one man 2 000 years ago be the salvation of the human race Donald Macleod explains the centrality of the atonement in Christian faith and experience using seven key words to describe what happened on the cross substitution expiation propitiation reconciliation satisfaction redemption and victory Evangelical Calvinism Dr. Myk Habets,Bobby Grow,2017-05-04 Continuing the discussion initiated in volume one volume two of Evangelical Calvinism further articulates the central motifs of this mood within Reformed theology by examining themes having to do with dogmatics and devotion After further clarifying the methodological and dogmatic aspects common to an Evangelical Calvinism the heart of the present volume is an explication of the vicarious ministry of Christ as it is worked out in its diverse theological dimensions The volume offers constructive accounts of various aspects of liturgy sacraments and doxology showing the vitality and lived spirituality of this Christian vision of faith and practice Both advocates and critics of Evangelical Calvinism now have an extended and thorough body of work with which to interact As with volume 1 this volume promises to set the agenda for contemporary and constructive Reformed studies in a way that provides an alternative to neo Calvinism and Westminster Calvinism alike Paul and Matthew Among Jews and Gentiles Ronald Charles,2020-12-10 Terence L Donaldson s scholarship in the field of New Testament studies is vital as he has pressed scholars to pay closer attention to the complex relations between early Christ followers who were mostly non Jews and the Jewish matrix from which the narrative of the Christian proclamation comes from This volume allows prominent New Testament scholars to engage Donaldson s contributions both to sharpen some of his conclusions and to honour him for his work These essays are located at the intersections of three bodies of literature Matthew Paul and Second Temple Jewish Literature and themes and questions that have been central to Donaldson s work Christian Judaism and the Parting of the Ways Gentiles in Judaism and early Christianity Anti Judaism in early Christianity With contributions ranging from remapping Paul within Jewish ideologies and Paul among friends and enemies to socio cultural readings of Matthew and construction of Christian Identity through stereotypes of the Scribes and Pharisees this book provides a multi scholar tribute to Donaldson s accomplishments

*Hebrews (2 volumes in 1 / ESV Edition)* R. Kent Hughes,2015-05-31 The book of Hebrews conveys a double dose of spiritual power it not only presents the supremacy of Jesus Christ unlike any other New Testament book but it also repeatedly demands a heart response from the reader No one can study Hebrews and not grow spiritually as he or she comes face to face with God s one and only Son In this insightful commentary readers will find a gold mine of helpful discussion related to a book of the Bible that is easily misunderstood and often overlooked With divisions and outlines that are never forced but flow naturally from the text this updated volume in Crossway s Preaching the Word series will be a great resource for anyone studying or teaching the book of Hebrews Part of the Preaching the Word series *National Union Catalog* ,1973 Includes entries for maps and atlases *Christ and Theology* Scott Stine,2025-02-17 Tracing the relationship between Christ centered biblical theology and the so called Great Tradition this book seeks to remedy often self diagnosed

weaknesses in evangelical gospel centered hermeneutics Meeting charges first that redemptive historical approaches to Scripture tend to de theologize the Bible and second that theological approaches tend to de historicize the Bible Scott Stine appropriates Calvin s famous spectacles metaphor to propose a hermeneutical method that orients the Scripture reader both upward theologically and forward redemptive historically The outcome is a unique approach called typological realism emphasizing that God reveals his good purposes along a typological trajectory inviting believers to participate in the journey This book does not seek to offer anything new to Christian interpretation of Scripture but to join together features from oft used approaches that not only fit together thematically but also remedy reductive tendencies The goal is to help those listening to Scripture as God s shepherding voice to hear the fullness of his revelation the purposeful process that culminates in the Beatific Vision

□□□□□□□□? □□□,2014      Catalog of Printed Books of the Folger Shakespeare Library, Washington, D. C. : First Supplement Folger Shakespeare Library,1976      *Calvinism and the Arts* Christopher Richard Joby,2007 It is often thought that the French Reformer John Calvin 1509 1564 had a negative attitude towards the arts particularly visual art However in *Calvinism and the Arts A Re assessment* Dr Joby argues that in Calvin s writings and in the development of the Reformed tradition more generally it is possible to discern a more positive attitude than has hitherto been recognized He makes a start by examining exactly what type of visual art Calvin rejected and what type he affirmed He goes on to consider how Calvin s epistemology and eschatology can be used to argue for the placing of certain types of art notably histories and landscape paintings within Reformed churches and then devotes separate chapters to reflecting on how music architecture and church decoration within the Reformed tradition provide further arguments for the use of these works of art In the final section he looks at specific histories and landscapes from the Dutch Golden Age and considers how the form and content of both of these types of art provide us with further ontological and epistemological arguments which inevitably lead to the conclusion that their continued exclusion from Reformed churches is no longer tenable
