The Bible Knowledge Background Commentary Craig A. Evans, 2003 A book by book chapter by chapter detailed look at the historical geographical cultural and economic background of the New Testament A window is opened to the setting of the New Testament enabling a better understanding of Jesus words and life      **Matthew 8-18** W. D. Davies, Dale C. Allison, Jr., 2004-06-15 For over one hundred years the International Critical Commentary series has held a special place among works on the Bible It has sought to bring together all the relevant aids to exegesis linguistic and textual no less than archaeological historical literary and theological with a level of comprehension and quality of scholarship unmatched by any other series No attempt has been made to secure a uniform theological or critical approach to the biblical text contributors have been invited for their scholarly distinction not for their adherence to any one school of thought The first paperback editions to be published cover the heart of the New Testament providing a wealth of information and research in accessible and attractive format      The Drama of the Messiah in Matthew 8 and 9 Solomon Pasala, 2008 In contrast to the other synoptic evangelists the author of Matthew proceeded differently in many respects Why did he modify the text so much and arrange ten miracle narratives one after the other at one stretch with minor interruptions Why did he place the so called miracle chapters immediately after the Sermon on the Mount Why did he enclose them between two summary statements on either side These are only some of the unanswered questions about chapters 8 and 9 of Matthew s Gospel Beginning with Aristotle s theory of the drama or tragedy the author suggests that the way the evangelist has reworked and reorganized the miracle narratives is similar to the structure of the classic drama By discovering the narrative strategies and the discourse aspect we are able to demonstrate how each episode corresponds to the different moments of a plot such as the initial situation inciting moment complication climax with suspense and finally resolution and denouement      *The Gospel of Matthew* Daniel J. Harrington, 1991 Matthew wrote his Gospel from his perspective as a Jew It is with sensitivity to this perspective that Father Harrington undertakes this commentary on the Gospel of Matthew After an introduction he provides a literal translation of each section in Matthew s Gospel and explains the textual problems philological difficulties and other matters in the notes He then presents a literary analysis of each text content form use of sources structure examines the text against its Jewish background situates it in the context of Matthew s debate with other first century Jews and reflects on its significance for Christian theology and Christian Jewish relations Bibliographies direct the reader to other important modern studies      The Humanity of Jesus in Matthew Matt Jones, 2021-05-04 Matthew s portrait of Jesus communicates the importance of the human element of Jesus s existence While Mark s Jesus may be the most human Matthew was most interested in the human story of Jesus among the Gospel authors This narrative critical examination of Matthew s portrait prioritizes the human element of Jesus s story He purposely balances the human and transcendent so that he can reinforce the reader s belief in Jesus and hope that Jesus s life can be imitated      **Matthew's Gospel and Judaism in the Late First**
