A Place to Belong Megan Hill,2020-04-16 Christians know church is important but sometimes it doesn't seem worth it An eclectic assortment of people with differing personalities political views and parenting styles can make for awkward interactions and difficult connections What's the point of putting in the tough work to build relationships But the Bible says God's people ought to be bound together It uses words like beloved brothers and sisters saints and fellow laborers to describe their mutual relationship in the church In this book Megan Hill answers a common question of churchgoers What's so great about the church With rich theology practical direction and study questions for group use Hill encourages and

equips both first time visitors and regular members to delight in being a part of the local church no matter how messy and ordinary it seems today It is only when God s people begin to see one another as the Lord sees them that they will truly find a place to belong The Apostle Paul's Letter to the Church at Rome Livingston Blauvelt,2005-12 *What's Scripture Got to Do with It?* Buddy Hanson,2004-12 Hanson raises awareness regarding core Christian beliefs and stresses the urgency to live in accordance with them Christian Religion *A Difficult Passage* Glenn A. Lafferty,2013-05 There s nothing good about a divorce It is one of the most painful experiences a person can endure What s worse is that if one is a Christian and divorced what he or she often finds is that the institution meant to heal the brokenhearted the church often sounds more like an adversary rather than an advocate Too often they are intentionally re classified as second class Christians Why is this so Should this be so A Difficult Passage is a call to rethink in Biblical and compassionate terms the traditional conservative views of divorce and remarriage Readers will navigate their way through difficult questions such as What was God s original intent when He designed marriage What role did history and culture play in shaping modern opinion and doctrine Once a person is married can they ever be considered unmarried in the eyes of God Did God make provision for divorce as a corrective measure to insure justice for the innocent Once divorced can a person ever remarry Does remarriage constitute perpetual sin From where did the modern church get its marital views **The Nine Veils** Nicholas Matthews,2019-09-10 From the Author My God is kind compassionate merciful and he loves me Yet there are questions that arise there are accounts of God that seem contradictory to my simplicity and there are accusations against God that can leave me struggling for an explanation At times I ve been confused by the concept of God s love and the reality of life and there often existed a dichotomy between the two I wrote this book after numerous conversations with friends who regardless of their spiritual journey have experienced similar thoughts or have simply ignored some of the hard questions of life and faith Common societal thinking in many areas is moving towards a position where people regard God as an outdated fairy tale with a sinister undertone leading to apathy or resentment towards God This is far removed from my notion of a living and loving God who is kind compassionate and merciful Embarking on my personal journey of discovering God s reputation I have a hunch that I m not alone I need to explore God and find comfort with the answer Would you join me on this journey of discovery Maybe all the dots haven t been joined and some of the joined dots remain open to interpretation yet the line I ve used to join the dots is what I know of the underlying nature and character of God
