Matthew Henry's Sermons On The Covenant Of Grace:

Matthew Henry: The Bible, Prayer, and Piety Paul Middleton, Matthew A. Collins, 2019-05-30 Three hundred years after his death Matthew Henry 1662-1714 remains arguably the best known expositor of the Bible in English due largely to his massive six volume Exposition of the Old and New Testaments However Henry's famous commentary is by no means the only expression of his engagement with the Scriptures His many sermons and works on Christian piety including the still popular Method for Prayer are saturated with his peculiarly practical approach to the Bible To mark the tercentenary of Henry's death Matthew A Collins and Paul Middleton have brought together notable historians theologians and biblical scholars to celebrate his life and legacy Representing the first serious examination of Henry's body of work and approach to the Bible *Matthew Henry: The Bible, Prayer, and Piety* opens a scholarly conversation about the place of Matthew Henry in the eighteenth century nonconformist movement his contribution to the interpretation of the Bible and his continued legacy in evangelical piety

Matthew Henry Jong Hun Joo, 2017-03-31 Jong Hun Joo offers a model of how both solid biblical understanding and effective practice of worship can be realised in churches today by exploring the theology and practice of Matthew Henry 1662-1714 Matthew Henry is one of the most famous biblical commentators in the English speaking world He was however also a pastor who was liturgical in negotiating the political and religious landmines of his day This all but overlooked aspect of Henry's biography and writings is both a window into his life and times and an insightful view into the pastoral dimensions of Christian rituals and practices in the home and church Joo discerns how Henry understood and practised English Presbyterian worship as an example of Reformed worship in his context and suggests how contemporary churches can appropriately develop and articulate their own worship in their own contexts making the case for worship renewal
