Maturing In Christ:

Maturing in Christ H. LaVern Schafer, 2010-09 Maturing in Christ focuses on Christian truth that relates to living a successful spiritual life Before a Christian can realize a consistent victorious spiritual life some basic truths must be understood 1 the riches given by God at salvation to live Christ like 2 who the spiritual enemies are and how they attack 3 and how to utilize divine enabling when resisting the enemies in order to live a successful Christian life The Christian has three spiritual enemies Satan the world system and the sin nature Dr Schafer uses Scripture to identify these adversaries and how to access God's provisions for the strength to be victorious over them This expository study of the Word is dedicated to Dr Schafer's lifelong desire for saints to live Christ like H LaVern Schafer served the Lord in several capacities for over 65 years as a Christian He was pastor for 53 years seminary professor for 44 years and director of Dispensational Theological Seminary for 28 years He earned his Doctorate of Theology from Dallas Theological Seminary where his class was one of the last taught by Dr Lewis Sperry Chafer Dr Schafer practiced a literal interpretation of Scripture He believed that God's Word is meant to be interpreted literally to determine the exact concepts God is communicating and not what the reader wishes the Word to say This desire resulted in a dispensational approach while interpreting Scripture with a historical linguistic treatment of the original text His Christian Life series of booklets have been a blessing to thousands of believers He went home to be with the Lord in 2008

Rankin, 2011-11-11 It seems that much of American Christianity has lost sight of the goal of growing to maturity in Christ This loss of vision has had serious consequences for the quality of our witness and ministry In *Aiming at Maturity* Steven W Rankin seeks to bring back into focus key qualities of spiritual maturity and summarizes important biblical passages to show the scriptural foundations that call for spiritual maturity Rankin also addresses certain tendencies in popular Christian culture to reduce doctrinal truths to sound bites with the laudable but counterproductive goal to make doctrine memorable therefore applicable Thinking more expansively about certain key doctrines related to the work of Christ and the impact of grace contributes to growth toward maturity in a way that popular descriptions of these doctrines do not Finally Rankin also challenges readers to consider the important role of emotions in developing Christlike dispositions which contribute toward producing the fruit of a mature Christian life By looking at relevant modern research *Aiming at Maturity* shows the inherent connection between thoughts and feelings that draw us closer to the actual biblical description of the heart
