Meet My Folks:

Meet My Folks! Ted Hughes, 1987 The extraordinary adventure of Granny the Octopus Aunt Flo the Witch and other members of a strange family are recounted in humorous verse **Revangelical** Lance Ford, 2014 When you hear the word evangelical do you think good news That s what the word means and it s what we are meant to be Yet the surrounding culture often views us as exactly the opposite Calling yourself an evangelical too often means you are seen through a negative stereotype people are apprehensive when they hear that an evangelical family has moved into the neighborhood But is this the way it has to be What would it look like if evangelical Christians were joyfully living out the gospel in such a way that the culture had no choice but to recognize us as Good News people Revangelical is a call to realign your heart with the things that most concerned Jesus a bold message to get the Good News of the gospel of Jesus back into our heads hearts mouths and feet Full of stories of evangelicals who are living out the Good News and changing the world Revangelical will inspire and equip us to relearn the heart of the gospel and to become the people God has called us to be Their Mother's Bed Errol Shaw, 2017-05-22 A young woman decided that she would take matters into her own hands if she could not live the life she always wanted As a young woman her father would always encourage her to be her best and that she would become a wonderful human being She knew her biological parents love her but when her mother left her and her five siblings behind she questioned the love of her mother Mariana knew that she was daddy's little girl but she did not know if her mother felt the same about her She knew exactly the kind of life she wanted when she grows up but after the death of her father she knew it would be a struggle staying on track She was quite determined to rise up in spite of her adversities After the death of her father she moved in with her auntie She hoped that she would feel love again but unfortunately it was the beginning of a difficult journey She had some of the most grueling experiences in her life that at times she wished she was dead and buried next to her daddy Mariana was determined to make a life for herself Luck came when she met a family who fell in love with her and decided to take her in At that point she knew that she would be able to get an education and fulfill that long anticipated dream She wanted all the good things in life but she knew that those good things come at a cost As she began her new life with this family she had some of the greatest experiences and it was the first time that she actually felt loved since the death of her father and the absence of her mother Her life at her new home was certainly a new experience but it was too good to be true Mariana at a tender age was exposed to sex by her foster father who got her pregnant while she was still a child From that point on she became a lover of sex which resulted in her many pregnancies This riveting tale takes one deep into the life of a woman who fought for the life she wanted but faced many obstacles that forced her to go from one relationship to another In her quest to find a husband and create the ideal family for herself her luck led her down a path that was truly painful for her She had many children with men who had no interest in staying with her Did she ever get that life that she anticipated It was not until all the rules in the book were broken that she actually found love after giving up on the

world to become a nun Her feelings could not be easily suppressed so she had to find a way to satisfy her craving even if she had to bring someone into her sacred space The convent was not off limits when it comes to a woman who would take the ultimate risk to obtain love This explorative journey takes the reader on a mission to a place that was dark and vacant but change will come and will reside in the heart of a woman who was beaten down by selfish men who think only of themselves as they seek pleasure from those who are weak and are unable to resist the undeniable feeling of love **Angel of Harlem** Kuwana Haulsey,2009-04-02 Inspired by the extraordinary events of Dr May Chinn s life Angel of Harlem is a deeply affecting story of love and transcendence Weaving seamlessly scenes from the battlefields of the Civil War during which her father escaped from slavery to the Harlem living rooms and kitchen tables where May is sometimes forced to operate on her patients this fascinating novel lays bare the heart of a woman who changed the face of medicine A gifted beautiful young woman in the 1920s May Edward Chinn dreams only of music For years she accompanies the famed singer Paul Robeson However a racist professor ends her hopes of becoming a concert pianist But from one dashed dream blooms another May would become a doctor instead the first black female physician in all of New York Giddy with the wonder of the Harlem Renaissance and fueled by firebrand friends like Langston Hughes and Zora Neale Hurston May doggedly pursues her ambitions while striving to overcome the pains of her past the death of a fianc a lost child and a distant father ravished by the legacy of slavery With every grief she encounters a resilient piece of herself locks into place At times risking her life attending to men stabbed in their homes and women left to die in filthy alleys May struggles to carve out a place for herself within a medical world that still teaches that a Negro brain is not anatomically wired for higher thinking Yet against the odds she achieves her goal starts her own practice and becomes one of the first cancer specialists in the city Alive with the pulse of black unrest in 1920s New York this beautifully textured novel moves with fearlessness and grace through a history that is by turns ugly and sublime With Angel of Harlem critically acclaimed author Kuwana Haulsey gives poetic voice to the story of a remarkable woman who had the courage to dream and live beyond her era s limitations Power Pro Man Bill

THE CHASE Hard-driving attorney Jo Pomeroy is as determined as she is sexy. In other words, a major pain in NYPD Sergeant Gabe Townsend's butt. Working together on a high-profile task force charged with busting sales of counterfeit goods has been rocky from the start. And Jo's penchant for trouble is as difficult to ignore as her spectacular legs. The world of knock-offs isn't as frivolous as it appears. The purses are fake, but the danger is all too real, and Jo seems hell-bent on putting herself in the middle of it. Her investigations have uncovered valuable leads for Gabe's team, but they've also drawn the wrong kind of attention. Now she's on the radar of a mysterious smuggler, not afraid to use violence to evade the law. At the risk of their lives and their hearts, Gabe and Jo must find him before he finds them.

THE EVASION His role on an anti-counterfeiting task force earned NYPD Sergeant Gabe Townsend the catch of a lifetime, tough as nails but sexy as hell. Jo Pomeroy, the woman, has a body that drives him wild and a way of attracting danger that's making him crazy. And her relentless pursuit of an elusive criminal has his protective instincts in overdrive. Jo didn't get to be a hotshot attorney by giving up easily. Her high-end clients count on her to keep knock-offs of their luxury goods off the streets. Distractions are the last thing she needs. Especially six-foot-three hard-body calendar-worthy distractions. She failed once, letting a smuggler slip through her grasp. Next time, he'll have nowhere to run. A lead takes Jo and Gabe to a small town where not everything or anyone is as innocent as it seems. Making this bust could be the most significant break of her career, but at what risk to her newfound love?
