Meggie The Pups Summer Adventure:

Meggie the Pup's Summer Adventure, 2000 No doubt every dog owner has engaged in a one way conversation with his or her pet Author illustrator Susan Jacobs has managed to capture not only the dog's response in conversation but also a unique naive dog's view of the world in her book *Meggie the Pup's Summer Adventure* This is a beautiful light hearted children's book that would also make a great gift for any dog enthusiast Based on true observations Meggie the sheltie pup reveals her thoughts misinterpretations during a stay at Aunt Sue's house She is joined in the adventure by Aunt Sue's two cocker spaniels Tootie is totally opposite of Meggie She's bold bossy in contrast to Meggie's demure demeanor Weezie is older just likes to be left alone The story unfolds in true 21st century style with Meggie emailing her mommy at her vacation site Hand cut construction paper illustrations in vibrant color depict the various personalities of the canine trio expressively interpret the text The paper art medium is a familiar one for children yet the style is several steps up in sophistication Every humorous moment you've experienced through dog watching is now caught on the pages of this book It's a smile from start to finish
