Schroeter, 2011-07-01 With only a small remnant of Jews still living in the Maghrib at the beginning of the 21st century the vast majority of today's inhabitants of North Africa have never met a Jew Yet as this volume reveals Jews were an integral part of the North African landscape from antiquity Scholars from Morocco Algeria Tunisia Israel and the United States shed new light on Jewish life and Muslim Jewish relations in North Africa through the lenses of history anthropology language and literature The history and life stories told in this book illuminate the close cultural affinities and poignant relationships between Muslims and Jews and the uneasy coexistence that both united and divided them throughout the history of the Maghrib *Jews and Muslims in Morocco* Jane S. Gerber, Joseph Chetrit, Drora Arussy, 2021-07-27 Multiple traditions of Jewish origins in Morocco emphasize the distinctiveness of Moroccan Jewry as indigenous to the area rooted in its earliest settlements and possessing deep connections and associations with the historic peoples of the region The creative interaction of Moroccan Jewry with the Arab and Berber cultures was noted in the Jews use of Morocco's multiple languages and dialects characteristic poetry and musical works as well as their shared magical

rites and popular texts and proverbs In Jews and Muslims in Morocco Their Intersecting Worlds historians anthropologists musicologists Rabbinic scholars Arabists and linguists analyze this culture in all its complexity and hybridity The volume s collection of essays span political and social interactions throughout history cultural commonalities traditions and halakhic developments As Jewish life in Morocco has dwindled much of what is left are traditions maintained in Moroccan ex pat communities and memories of those who stayed and those who left The volume concludes with shared memories from the perspective of a Jewish intellectual from Morocco a Moroccan Muslim scholar an analysis of a visual memoir painted by the nineteenth century artist Eug ne Delacroix and a photo essay of the vanished world of Jewish life in Morocco *Emissaries from the Holy Land* Matthias B. Lehmann, 2014-10-01 For Jews in every corner of the world the Holy Land has always been central But that conviction was put to the test in the eighteenth century when Jewish leaders in Palestine and their allies in Istanbul sent rabbinic emissaries on global fundraising missions From the shores of the Mediterranean to the port cities of the Atlantic seaboard from the Caribbean to India these emissaries solicited donations for the impoverished of Israel s homeland *Emissaries from the Holy Land* explores how this eighteenth century philanthropic network was organized and how relations of trust and solidarity were built across vast geographic differences It looks at how the emissaries and their supporters understood the relationship between the Jewish Diaspora and the Land of Israel and it shows how cross cultural encounters and competing claims for financial support involving Sephardic Ashkenazi and North African emissaries and communities contributed to the transformation of Jewish identity from 1720 to 1820 Solidarity among Jews and the centrality of the Holy Land in traditional Jewish society are often taken for granted Lehmann challenges such assumptions and provides a critical historical perspective on the question of how Jews in the early modern period encountered one another how they related to Jerusalem and the land of Israel and how the early modern period changed perceptions of Jewish unity and solidarity Based on original archival research as well as multiple little known and rarely studied sources *Emissaries from the Holy Land* offers a fresh perspective on early modern Jewish society and culture and the relationship between the Jewish Diaspora and Palestine in the eighteenth century *Moses Levy of Florida* C. S. Monaco, 2015-10-01 **Across Legal Lines** Jessica M. The expulsion of Europe's last major Jewish community ended more than a thousand years of unparalleled prosperity, cultural vitality, and intellectual productivity. Yet the crisis of 1492 also gave rise to a dynamic and resilient diaspora society spanning East and West. *After Expulsion* traces the various paths of migration and resettlement of Sephardic Jews and Conversos over the course of the tumultuous sixteenth century. Pivotal to the volume's argument is that the exiles did not become Sephardic Jews overnight. Only in the second and third generation did these disparate groups coalesce and adopt a Sephardic Jewish identity. This is a new and fascinating portrait of Jewish society in transition from the medieval to the early modern period, a portrait that challenges many longstanding assumptions about the differences between Europe and the Middle East. A rich and compelling history. With its intense focus on one century, Ray's book makes a distant time and trauma painfully vivid and immediate to the reader. *Jewish Currents Magazine*

[After the Fact](#) Clifford Geertz, 2009-06-30 An unabashedly honest ethnography from a founder of symbolic anthropology, reflections on his fieldwork over a period of forty years. Brilliant. Kirkus Reviews In looking back on four decades of anthropology in the field, Geertz has created a work that is a personal history as well as a retrospective reflection on developments in the human sciences amid political, social, and cultural changes in the world. An elegant summation of one of the most remarkable careers in anthropology, it is at the same time an eloquent statement of the purposes and possibilities of anthropology's interpretive powers. Through the prism of his fieldwork over forty years in two towns, Pare in Indonesia and Sefrou in Morocco, Geertz adopts various perspectives on anthropological research and analysis during the post-colonial period, the Cold War, and the emergence of the new states of Asia and Africa. Throughout, he clarifies his own position on a broad series of issues, at once empirical, methodological, theoretical, and personal. The result is a truly original book, one that displays a particular way of practicing the human sciences and thus a particular and particularly efficacious view of what these sciences have been and should become. Geertz charts the transformation of cultural anthropology from a study of primitive people to a multidisciplinary investigation of a particular culture's symbolic systems, its interactions with the larger forces of history and modernization. *Publishers Weekly* An elegant, almost meditative volume of reflections. *The New Yorker* An engrossing story of a few key moments in American social science during the second half of the twentieth century, as Geertz participated in them. *New York Times Book Review*

[Muslim Custodians of Jewish Spaces in Morocco](#) Cory Thomas Pechan Driver, 2018-04-16 Exploring the roles of Muslim guards and guides in Jewish cemeteries in Morocco, Cory Thomas Pechan Driver suggests that these custodians use performances of ritual and caring acts for Jewish graves for multiple reasons. Imazighen Berbers stress their close ties with Jews in order to create a moral self intentionally set apart from the mono-ethnically Arab and mono-religiously Muslim Morocco. Other subjects, and particularly women, use their ties with Jewish sites to harness power and prestige in their communities. Others still may care for these grave sites to express grief for a close Jewish friend or adoptive family. In examining these motives, Driver not only documents the flow of material and spiritual capital across religious lines but also

moves beyond Muslim memory of the past on the one hand and Jewish dread of the future on the other to think about the Muslim Jewish present in Morocco **Without Bounds** Yoram Bilu,2017-12-01 Without Bounds illuminates the life of the mysterious Rabbi Ya aqov Wazana Without Bounds illuminates the life of the mysterious Rabbi Ya aqov Wazana a Jewish healer who worked in the Western High Atlas region in southern Morocco and died there in the early 1950s Impressed by his healing powers and shamanic virtuosity Moroccan Jews are intrigued by his lifestyle and contacts with the Muslim and the demonic worlds that dangerously blurred his Jewish identity Based on interviews with Moroccan Jews conducted in the late 1980s Without Bounds proposes multiple readings of Wazana s life Yoram Bilu re creates the influences and important moments in Wazana s life and evaluates his character from psychological and anthropological perspectives Human and demon bound holy and impure Jew and Muslim old and young Rabbi Ya aqov Wazana dissolved the boundaries of the major social categories in Morocco and integrated them into his identity
