Health Issues Owen Jones, 2016-10-15 The information in this ebook on various aspects of staying healthy looking good and related subjects is organized into 14 chapters of about 500 600 words each I hope that it will interest those who are concerned about their fitness and appearance As an added bonus I am granting you permission to use the content on your own website or in your own blogs and newsletter although it is better if you rewrite them in your own words first You may also split the book up and resell the articles In fact the only right that you do not have is to resell or give away the book as it was delivered to you

Introduction to Norfolk Island Gilad James, PhD, Norfolk Island is a small island located in the southern Pacific Ocean between New Zealand and New Caledonia It is a self governing territory of Australia with its own unique culture and history The island was first settled by Polynesian and Melanesian peoples thousands of years ago but was later discovered by British explorer Captain James Cook in 1774 The island was subsequently used as a penal colony by the British government and many of the present day residents are descendants of the convicts and their jailers Today Norfolk Island is a popular tourist destination known for its stunning scenery laid back lifestyle and rich history Visitors can explore the island's many historic sites including the Kingston and Arthurs Vale Historic Area which is a UNESCO World Heritage Site The island is also home to a variety of unique flora and fauna including the Norfolk Island pine which only grows on the island In addition Norfolk Island has a thriving arts and crafts scene with many local artists creating jewelry pottery and other handmade items
